Caught Crossdressing Leads To Punishment To Fit The Crime Scarlett Steele

It was shortly after they were married. Diane began to suspect that her

husband Stephen was a crossdresser who was wearing her clothes. Well,

if he had a secret, he would no doubt deny it. She decided to document

his secret escapades first. If he wanted to dress as a girl, he should have sex

as a girl. But given his being secretly recorded in her pretty pink bridal

nightgown, it gave Diane an idea. Her husband had some traditional ideas. So

his 1st time being made to have sex as a girl should be special. Special

occasions should have a special dress. What better than a long formal

feminine bridal gown for

her husband to wear before his 1st time? So Diane developed an elaborate plan to force feminize her husband, publically expose him dressed as a girl, and then prepare him for his bridal gown. Warning: Don't let your wife or girlfriend learn of Diane's plan because it was perfect. Stephen truly had no option but to be dressed in public as a girl to begin the day, You also will wind up having no choice either if anybody does to you what Diane did to Stephen. Brides need to have their makeup done. They need to have help dressing in their bridal gown. They need to have bridesmaid and maids of honor. They need to have their pictures taken. They need to have a new name. All of this prior to the formal presentation and introduction to their spouse. Diane was going to make sure Stephen got the full complete total treatment. Then, of course, the bridal night. The "mythical" first time she has sex. Well, Stephen was going to get the full treatment here also. Punishment enema, plus punishment oral sex, punishment anal sex, forced consumption, bondage, whips, and cock torture. But the

psychological punishment would be equally as bad with suggestions and elements of cuckolding and forced-bi to demean and shame her husband. As the evening progressed, Diane and her family learned even more of Stephen's secrets. Diane already had a plan to make Stephen's mother an unwilling participant in the bridal weekend. But, now, those plans would change. His mother would have a much more expanded and permanent role. Stephen's crossdressing was always a family affair from the very beginning. Now, it would be a much larger family affair. It was time to complete what had been started years before he met Diane. Of course, your author on her cover image is wearing a dress that matches the story. [Forced To Crossdress Bundle Set](#) Createspace Independent Publishing Platform
