Get Your Life Together! vitalcoaching.com

Each of us has but one life to live on this earth. What we do with it is our choice. Are we drifting through it as spectators, reacting to our circumstances when necessary and wondering just how we got to this point anyway? Or are we directing it, maximizing the joy and potential of every day, living with a purpose or mission in mind? Too many of us are doing the former--and our lives are slipping away one day at a time. But what if we treated life like the gift that it is? What if we lived each day as though it were part of a bigger picture, a plan? That's what New York Times bestselling author Michael Hyatt and executive coach Daniel Harkavy show us how to do: to design a life with the end in mind, determining in advance the outcomes we desire and path to get there. In this step-by-step guide, they share proven principles that help readers create a simple but effective life plan so that they can get from where they are now to where they really want to be--in every area of life.

Technology can be a wonderful thing. It can also be a curse when it overwhelms us. If your phone, computer or other devices are beginning to rule your life, then you need help. We don't have to be ruled by our machines. It's time for us humans to fight back. 'How to Tame Technology' tells you exactly what to do, practical tips and simple things that you can do to regain control. Take the test and find out just how addicted you are - then learn how to cure yourself. 'I can't talk now, I'm on the phone' For those of us suffering from technological overload, it's time to pause and think. Author and Plain English commentator Kevin Duncan has trained and advised some of the UK's top companies, including Saatchi & Saatchi and Shell, in how to cope with all this. This thought-provoking book grapples with just how addicted we have become to technology and offers a set of ideas to help wean us off our technological drugs and lead a more fulfilling life. It looks briefly at how we got here, tests you on how serious your condition is and then offers real solutions, including rapid sequential tasking (v multitasking), communicating concisely, using the best method of communication for the job, all while retaining your sense of humour and enthusiasm. 'Every page is a prompt to imagine things differently. A handbook for these challenging times ahead.' Mark Earls, author of Herd 'He does for business what Nike does for sport.' Richard Hytner, Deputy Chairman, Saatchi & Saatchi Worldwide 'Anyone who owns a mobile should have this on their shelf.' Robert Ashton, author The Life Plan

Break Up - Get Your Life Back In 30 Days After A Break Up Or Divorce - For Men Whitaker House Living abundantly requires that you appreciate what you have in life, rather than bemoaning the things you lack. It asks that you focus on what is possible, and that you reach for what you want in life. Living abundantly opens up possibilities and opportunities that you could easily have missed by harboring negative thoughts and thoughts of scarcity. It causes you to take positive actions because you firmly believe and expect that they will produce the desired results. Go Get Your Life Back: Living Abundantly may appear to be a strange and contradictory concept. It says you should be grateful for what you have, and that it is okay to want more. It says you should be aware of your minimum requirements but place no maximum limit on what you can achieve, because the world can always keep on giving you more. All you have to do is accept the good things in your life, be grateful for them, and know that if you want more, there is an abundance out there, and that it is your positive attitude that will allow you to tap into it.

How To Get Your Life Back Mango Media Inc.

Written by entrepreneurial phenomenon Emily Williams, I Heart My Life is a guidebook for women to change their money mindset, get clarity on what they want and start living the life of their dreams. I Heart My Life is a guide for living life in a different way to everyone else--going for your desires and no longer letting doubt, shame, insecurity or other people's judgment stop you from moving forward with that "something big" you know you're meant for. It brings together mindset, money beliefs, success principles, vulnerability, and real-life stories of women who have made their career and life dreams come true. Emily Williams once couldn't even get a job at Starbucks. Yet she went on to move to a new country, clear \$30k in credit card debt and build a seven-figure coaching business from scratch. Having worked for years with thousands of women around the world to release what

holds them back from the success they want, Emily is now sharing all her most powerful tools to help women radically transform their lives. In this book, you'll discover how to: * cultivate a success mindset and trust the intelligence within your heart * become clear about what you really want--then, go after it * embrace gratitude as a driver for your ambition and success * get big results and handle things when they don't go as planned * be consistent, persistent and confident on the path towards your dreams Whether you're dreaming of starting your own business, getting ahead in your career, or just experience more joy, adventure and fulfilment in your life, I Heart My Life will catapult you toward your greatest desires.

How Will You Measure Your Life? (Harvard Business Review Classics) McGraw-Hill Education (UK)

An essential and accessible guide to increasing happiness, improving your financial well-being, and bettering your health through the timeless Chinese art of feng shui. Promising health, wealth, and happiness, feng shui offers endless appeal—at least in concept. Unfortunately, feng shui's seemingly complicated methods are often difficult to learn and apply in a meaningful way. Fortunately, *Move Your Stuff, Change Your Life* is written in plain and simple English for the modern Western reader. Revealing the ancient Chinese secrets that are as useful and necessary today as they have been for centuries, *Move Your Stuff, Change Your Life* communicates how to: · MEET “THE ONE” · FIND A DREAM JOB · EARN BETTER GRADES IN SCHOOL · ENJOY A BETTER SEX LIFE

Leading the Life You Want John Hunt Publishing

A Wall Street Journal Bestseller “For nearly thirty years, my life’s work has been to help people like you find ways to bring the often warring aspects of life into greater harmony.” — Stew Friedman, from *Leading the Life You Want* You’re busy trying to lead a “full” life. But does it really feel full—or are you stretched too thin? Enter Stew Friedman, Wharton professor, adviser to leaders across the globe, and passionate advocate of replacing the misguided metaphor of “work/life balance” with something more realistic and sustainable. If you’re seeking “balance” you’ll never achieve it, argues Friedman. The idea that “work” competes with “life” ignores the more nuanced reality of our humanity—the interaction of four domains: work, home, community, and the private self. The goal is to create harmony among them instead of thinking only in terms of trade-offs. It can be done. Building on his national bestseller, *Total Leadership*, and on decades of research, teaching, and practice as both consultant and senior executive, Friedman identifies the critical skills for integrating work and the rest of life. He illustrates them through compelling original stories of these remarkable people: • former Bain & Company CEO and Bridgespan co-founder Tom Tierney • Facebook COO and bestselling author Sheryl Sandberg • nonprofit leader and US Navy SEAL Eric Greitens • US First Lady Michelle Obama • soccer champion-turned-broadcaster Julie Foudy • renowned artist Bruce Springsteen Each of these admirable (though surely imperfect) people exemplifies a set of skills—for being real, being whole, and being innovative—that produce a sense of purpose, coherence, and optimism. Based on interviews and research, their stories paint a vivid picture of how six very different leaders use these skills to act with authenticity, integrity, and creativity—and they prove that significant public success is accomplished not at the expense of the rest of life, but as the result of meaningful engagement in all its parts. With dozens of practical exercises for strengthening these skills, curated from the latest research in organizational psychology and related fields, this book will inspire you, inform you, and instruct you on how to take realistic steps now toward leading the life you truly want.

Ignite Your Life! Rodale Books

In 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, *Level Up Your Life* is for you. Kamb will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives—losing weight, getting stronger, and living better. In *Level Up Your Life*, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to: • Create your own “Alter Ego” with real-life super powers • Build your own Epic Quest List, broken into categories and difficulty levels • Hack your productivity habits to start making progress • Train your body for any adventure • Build in rewards and accountability that will actually motivate you to succeed • Travel the world freely (and cheaply) • Recruit the right allies to your side and find powerful mentors for guidance Adventure is out there, and the world needs more heroes. Will you heed the call?

Level Up Your Life Penguin

Do you ever find yourself confusing activity with accomplishment? In this book, legendary speaker and author, Zig Ziglar points out you can't hit a target you don't have. He shares the 4 Reasons People Don't Set Goals. Anyone can be, do, and have more. BUT... "You cannot make it as a wandering generality. You must become a meaningful specific." Zig guides you through the 9 Steps of Setting Goals. And he encourages you with, "A goal properly set is halfway reached." Zig shares a quote by Oliver Wendall Holmes, "Many people die with their music still in them. Why is this so? Too often it is because they are always getting ready to live. Before they know it, time runs out." After teaching the steps to setting goals, Zig takes you straight into ACTION! Zig identifies 13 Variables in the Formula to Reach Your Goals. The day by day actions work. "When you take hold of these ideas and follow the procedures, you will accomplish goals." If you're familiar with Zig, you know you'll get lots of folksy stories and one-liners in this book. And motivation by the wheelbarrow load. What you might be surprised by is the level of practicality. Zig breaks the goal setting and getting processes down to step by step, day by day actions. Whether you are just now experiencing Zig Ziglar for the first time or even if you have followed him for years, this book will be a life-changing revelation.

5 Simple Steps to Take Your Marriage from Good to Great HarperChristian Resources

We live in soul-scorching times. The 24-7 onslaught of contemporary life—with its never-ending feed of global tragedies, demands for our attention, and pressures of work, family, and friends—has left us feeling ragged, wrung-out, and emptied. But if we have no margin in our lives, how do we find room to change anything? In this life-changing video Bible study (DVD/digital downloads sold separately), John Eldredge distills a lifetime of wisdom into five practical and ready-to-implement practices for putting your life back together. These practices include: (1) the one-minute pause, (2)

benevolent detachment, (3) practicing kindness, (4) getting outside, and (5) stepping back from technology. These practices, ready for the taking, will enable you to begin recovery, focus on what matters most, disengage from the tragedies of this broken world, and discover the restorative power of beauty. You don't need to abandon your life to get it back. You can restore it here and now. And you will never be the same. Designed for use with Get Your Life Back Video Study (sold separately). *Go Get Your Life Back* Xlibris Corporation

Achieve your goals—no matter how big or small—with these 50 simple challenges that actually fit into your life, using this accessible and self-paced approach to self-improvement. Looking to improve your relationships? Be more confident at work? Eat less sugar? However you want to be better, Get Your Life Together (Ish) is here to help with fifty simple, actionable challenges to self-improvement. With reward-based challenges ranging from easy to hard, this book will be with you every step of the way in your journey to the person you want to be. Try an easy level challenge that can be completed in a single day—like waking up fifteen minutes early to give yourself a little morning “me-time.” Or work up to a harder challenge that you'll tackle over the course of a month—like signing up for a weekly yoga class and making a commitment to attend every single one. Learn from easy-to-follow, step-by-step instructions and track your goals and successes with interactive worksheets. And with manageable, realistic timelines for each challenge, you'll find it easy to make changes in your daily life—without any added pressure! With this book in hand, you'll discover everything from how to start saving money to how to develop a cleaning routine, to creating an emergency fund and avoiding burnout at work. Whatever changes you're looking to make in your life and in yourself, there's a plan for you here. Start to change your life...one challenge at a time!

Living Forward Independently Published

In the spring of 2010, Harvard Business School's graduating class asked HBS professor Clay Christensen to address them—but not on how to apply his principles and thinking to their post-HBS careers. The students wanted to know how to apply his wisdom to their personal lives. He shared with them a set of guidelines that have helped him find meaning in his own life, which led to this now-classic article. Although Christensen's thinking is rooted in his deep religious faith, these are strategies anyone can use. Since 1922, Harvard Business Review has been a leading source of breakthrough ideas in management practice. The Harvard Business Review Classics series now offers you the opportunity to make these seminal pieces a part of your permanent management library. Each highly readable volume contains a groundbreaking idea that continues to shape best practices and inspire countless managers around the world.

10 Steps to Help You Get on with Your Life Sound Wisdom

"Ignite Your Life!" takes readers on a journey of discovery to uncover the gap between where they are now and where they want to be. They simply follow the step-by-step system to design and live the juicy life of their dreams.

Your Money or Your Life Zondervan

Introducing The Power of Agency, a science-backed approach to living life on your own terms.

Agency is the ability to act as an effective agent for yourself—reflecting, making creative choices, and constructing a meaningful life. Grounded in extensive psychological research, The Power of Agency gives you the tools to help alleviate anxiety, manage competing demands and help you live your version of success. Renowned psychology experts Paul Napper and Anthony Rao will help you break through your state of overwhelm by showing you how to access your personal agency with seven empowering principles: control stimuli, associate selectively, move, position yourself as a learner, manage your emotions and beliefs, check your intuition, deliberate and then act. Featuring stories of people who have successfully applied these principles to improve their lives, The Power of Agency will give you the insights and skills to build your confidence, conquer challenges, and live more authentically.

Run For Your Life New Harbinger Publications

When Designing Your Life was published in 2016, Stanford's Bill Burnett and Dave Evans taught readers how to use design thinking to build meaningful, fulfilling lives ("Life has questions. They have answers." -The New York Times). The book struck a chord, becoming an instant #1 New York Times bestseller. Now, in DESIGNING YOUR WORK LIFE: How to Thrive and Change and Find Happiness at Work they apply that transformative thinking to the place we spend more time than anywhere else: work. DESIGNING YOUR WORK LIFE teaches readers how to create the job they want—without necessarily leaving the job they already have. "Increasingly, it's up to workers to define their own happiness and success in this ever-moving landscape," they write, and chapter by chapter, they demonstrate how to build positive change, wherever you are in your career. Whether you want to stay in your job and make it a more meaningful experience, or if you decide it's time to move on, Evans and Burnett show you how to visualize and build a work-life that is productive, engaged, meaningful, and more fun.
