### **BTS**

How did Korea with a relatively small-scale music industry come to create a vibrant pop culture scene that would enthrall not only young Asian fans but also global audiences from diverse racial and generational backgrounds? From idol training to fan engagement, from studio recording to mastering choreographic sequences, what are the steps that go into the actual production and promotion of K-pop? And how can we account for K-pop's global presence within the rapidly changing media environment and consumerist culture in the new millennium? As an informed guide for finding answers to these questions, *The Cambridge Companion to K-Pop* probes the complexities of K-pop as both a music industry and a transnational cultural scene. It investigates the meteoric ascent of K-pop against the backdrop of increasing global connectivity wherein a distinctive model of production and consumption is closely associated with creativity and futurity.

### **Kpop BTS BT21 PlanetBT NoteBook For Boys And Girls**

BTS is the breakthrough K-pop band. For the first time, this unofficial biography tells the story of the Korean boy band with a global army of fans, who have propelled their heroes to the top of the charts all over the world. Seven good-looking boys - RM, Jin, Suga, J-Hope, Jimin, V and Jungkook - who can dance as well as they can rap and sing, are tearing up the global music charts. Nothing new? Think again. BTS, who rose to fame in their native South Korea in 2013 and who sing almost entirely in Korean, are now a sensation in the US, the UK and the rest of the world. K-pop is a growing phenomenon in the West, and over the last few years, it has steadily gathered a huge global following. With their talent, dedication, good looks, fabulous choreography, and catchy blend of pop, hip hop and RnB, BTS are leading the advance. - BTS's latest album 'Love Yourself: Answer' went straight to #1 in the US charts, following the success of their previous album, 'Love Yourself: Tear', which was the first ever Korean album to achieve this - Over 17 million followers on Twitter - They have been profiled in US Vogue - the first K-pop band to be granted such an honour - The music video for IDOL broke YouTube streaming records, being viewed 46 million times in the first 24 hours; the view count is now in the hundreds of millions - They won the 2018 Billboard Music Award for 'Top Social Artist' for the second year in a row - Listed by Forbes as the most retweeted artist on Twitter in March 2016 - and their fanbase has ballooned since then - Named in Time magazine's 'Top 25 Most Influential People on the Internet 2017' list - Their 2018-2019 world tour sold out within minutes of tickets going on sale Extensively researched, and written in an upbeat and accessible style, this book interweaves the success stories of each of the boys with how the band got together, while documenting their amazing rise to fame in Southeast Asia, and then the world. It includes 16 pages of full colour photographs of the band playing live, posing and having fun.
