[Buzzfeed's 2021 Romance Novels You Need To Read This Summer](#) With witty characters and heartrending romance, Jayci Lee, author of *A Sweet Mess*, returns with *The Dating Dare*—where two people might just find out how hard it is to resist falling in love with the right person. No serious relationships. This is the one rule Tara Park made for herself and it has been working swimmingly,

thank you very much. The occasional fling is fine, especially since she's busy with Weldon Brewery. But when Seth Kim, temptation personified and her best friend's new brother-in-law walks into her life, Tara might be willing to bend her golden rule...but only for four dates—the four dates she agreed to after a few good rounds of beer and a game of truth or dare. It'll be fun. No biggie. Seth Kim can't believe Tara agreed to his dating dare. He's leaving for a new job in Paris in a month and a no-strings attached fling seemed like a nice little distraction for both... But their secret dates, while sweet and sexy, always hit roadblocks straight out of a romantic comedy. Thankfully, their non-dates and chance meetings are smoother, frequent, and heated. However, the more Seth sees of Tara, the less willing he is to let her go—and what was supposed to be a fun little game turns into something that neither of them are ready for. But sometimes, the best things in life are the ones we never see coming.
