Screwpull Springer Nature

After more than two centuries, the process of opening a bottle of wine changed significantly in the 1970s with the introduction of the Screwpull. This is the story of the development and realization of one of the best devices in the world for removing a cork from a wine bottle, the Screwpull, and its inventor, Herbert Allen. Alongside hundreds of examples of experimental prototypes, patent drawings, and many production models, the story unfolds to reveal Allen's conceptualization of how the Screwpull should work and how imitation knockoffs affected his market. The story goes on to detail the events following Mr. Allen's death--the transfer of the company to LeCreuset of France and the production of new models. A beautifully illustrated and detailed history of this remarkable product, Screwpull is the perfect addition to the libraries of corkscrew collectors, product

designers, those with good taste, and wine aficionados.

Disney-Hyperion

Now a major motion picture nominated for nine Academy Awards. Narrative of Solomon Northup, a Citizen of New-York, Kidnapped in Washington City in 1841, and Rescued in 1853. Twelve Years a Slave by Solomon Northup is a memoir of a black man who was born free in New York state but kidnapped, sold into slavery and kept in bondage for 12 years in Louisiana before the American Civil War. He provided details of slave markets in Washington, DC, as well as describing at length cotton cultivation on major plantations in Louisiana.

[In Search Of Cigarette Holder Man Fox](#)

Chapel Publishing Company Incorporated "His humor is wry, partisan, and caustically combative. The satirical eye behind the comic strip Doonesbury, Garry Trudeau is America's most mirthful, cutting chronicler of these times." --Esquire One of the cogitative and comical story lines in Trudeau's collection, *In Search of Cigarette Holder Man*, revolves around Duke's 1960s plot to doctor an evidence photo of the Kennedy assassination for cash. He thought he'd finished milking the hoax years earlier, but his able assistant and willing love slave, Honey Huan, uncovers a group of determined conspiracy theorists on the Internet who are hot on the trail anew. As narrator, Mark wraps up the series: "So which version took place on Earth? You be the judge. See you at the 35th!" Certainly no one can put a fun-poking--and funny--spin on issues better than Garry Trudeau. He features colleges passing out A's as a way to build self-esteem, cuff-link and helicopter ride payoffs after NAFTA's passage, cybersurfing political issues with a homeless couple, and over-zealous product plugs in the movies. Truly, no topic is spared from Trudeau's biting wit. Throughout this collection, *In Search of Cigarette Holder Man*, the artist's incisive views on events continue to provide entertainment in its highest--and sharpest--form. From the backwaters of Whitewater to brush fires of the rich and famous, Trudeau's eagle eye captures them all. Everyone will find something in this talented pundit's take on American life.

This friendly guide helps you do these things and more: Introduce your friends to Icewine Happily marry food and wine at your wedding Purchase wine online from private shops Properly taste and describe any wine Organize wine tastings Know when to send back a bottle of wine Tired of

relying on other people's wine choices? Want to discover a vast country of delicious wines? There are many, many reasons to explore the world of Canadian wines. No matter what the reason, the experience you take away from delving into the savory world of Canadian wines will make itself useful the rest of your life.

Select Wine Bibliographies - 2nd Edition Andrews McMeel Publishing
The Most Comprehensive Gunsmithing Guide of All Time. Written by one of the most prolific firearms experts of all time, The Complete Guide to Gunsmithing is a highly detailed and essential reference for the gun enthusiast and gunsmith alike. At nearly 500 pages, Chapel covers everything from the use of proper tools to how to get a gunsmithing job, and everything in between. In more than forty chapters of exceptionally clear prose, the book answers every question a collector, soldier, or home defender could have on topics such as: • Drawings and Blueprints • Stock Design • Checkering and Carving • Stock Repairs and Alterations • Etching and Engraving • And many more Not only is the book an incredible resource for gun owners and gunsmiths, it's also a wonderful look at the world of firearms in the first half the twentieth century. Published just over seventy years ago, the book--and revised by the author two decades later--The Complete Guide to Gunsmithing is fascinating look at how the nature of firearms has changed. With a thoughtful introductory note by renowned outdoorsman Dr. Jim Casada and eighty-five meticulous illustrations, this is the definitive edition of an enduring and authoritative classic. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books

about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Schroeder's Antiques Price Guide Second Harvest Books

Are there any legends about cats? Is Cinderella an English story? What is (or was) a Mumming Play? The subject of folklore covers an extremely wide field, with connections to virtually every aspect of life. It ranges from the bizarre to the seemingly mundane. Similarly, folklore is as much a feature of the modern technological age as the ancient world, of every part of the country, both urban and rural, and of every age group and occupation. Containing 2,000 entries, from dragons to Mother Goose, May Day to Michaelmas, this new reference work is an absorbing and entertaining guide to English folklore. Aimed at a broad general readership, the dictionary provides an authoritative reference source on such legendary characters as the Babes in the Wood, Jack the Giant Killer, and Robin Hood, and gives entertaining and informative explanations of a wide range of subjects in folklore, from nosebleeds and wishbones to cats and hot cross buns.

Notes and Sketches of the Paris

Exhibition Xist Publishing

With an introduction by award-winning novelist Barbara Kingsolver In the late

nineteenth century, when the great powers in Europe were tearing Africa apart and seizing ownership of land for themselves, King Leopold of Belgium took hold of the vast and mostly unexplored territory surrounding the Congo River. In his devastatingly barbarous colonization of this area, Leopold stole its rubber and ivory, pummelled its people and set up a ruthless regime that would reduce the population by half. . While he did all this, he carefully constructed an image of himself as a deeply feeling humanitarian. Winner of the Duff Cooper Prize in 1999, *King Leopold's Ghost* is the true and haunting account of this man's brutal regime and its lasting effect on a ruined nation. It is also the inspiring and deeply moving account of a handful of missionaries and other idealists who travelled to Africa and unwittingly found themselves in the middle of a gruesome holocaust. Instead of turning away, these brave few chose to stand up against Leopold. Adam Hochschild brings life to this largely untold story and, crucially, casts blame on those responsible for this atrocity.

The evolution of corkscrew design clearly presented in over 500 photographs-most in color-and 1000 U.S. patent drawings dating from 1851 to 1994. Arranged chronologically, the book

shows the development of designs, from common to unique, from metals to plastics, and from inexpensive to priceless. A unique blend of thorough research and visual excitement, it enriches our appreciation of corkscrews. Forthcoming Books Bloomsbury Shire Publications

Corkscrews appeal to collectors who appreciate the functional beauty of an instrument designed for a specific purpose, namely to remove a cork from a wine bottle. The corkscrew was invented in the seventeenth century, the original design being based on a device for withdrawing a ramrod from a gun barrel, and since then thousands of different versions have been produced. This book traces the history of the corkscrew, illustrates many different ones and explains how they work and how they were made. It also covers other tools used for opening bottles sealed with various caps or stoppers.

The Lightning Conductor Schiffer Publishing

The book distinctive is listed in points (i) it focuses on Eastern European art covering the historical avant-garde to the post-war and contemporary periods of; (ii) it looks at some key artists in the countries that have not been given so much attention within this content i.e. Georgia, Dagestan, Chechnya and Central Asia; (iii) it looks beyond Eastern Europe to the influence of Russia/Soviet Union in Asia. It explores the theoretical models developed for understanding contemporary art across Eastern Europe and focus on the new generation of Georgian artists who emerged in the immediate years before and after the country's independence from the Soviet Union; and on to discuss the legacy and debates around monuments across Poland, Russia and Ukraine. helps in Better understanding the postwar and contemporary art in Eastern Europe.
