It starts as a story ripped from the headlines of the war-torn Middle East. An extremist faction of Islam bombs a church during a service. The one door in the back isn't big enough for five hundred people trying to escape. Some are killed. But after the chaos and fire and smoke, one young woman comes back to life. In this thrilling true tale, death does not have the final word. From the first time Samaa heard the Lord Jesus calling her out of Islam into faith in Him, till she met Him face to face in heaven, her life is marked by God's supernatural love and power. Full of hope and encouragement, and overflowing with Jesus' love, her riveting account reveals the power of God to break through any circumstance--and is a moving reminder that, in a place beyond what we can imagine, we have a Savior waiting to welcome us face to face.

Lydia Mendoza began her legendary musical career as a child in the 1920s, singing for pennies and nickels on the streets of downtown San Antonio. She lived most of her adult life in Houston, Texas, where she was born. The life story of this Chicana icon encompasses a 60-year singing career that began with the dawn of the recording industry in the 1920s and continued well into the 1980s, ceasing only after she suffered a devastating stroke. Her status as a working-class idol continues to this day, making her one of the most prominent and long-standing performers in the history of the recording industry and a champion of Chicana/o music. This bilingual edition presents Lydia Mendoza's historia in an interview between the artist and Yolanda Broyles-González: first is the English translation, then the Spanish original, as told by Mendoza herself. Broyles-González concludes the volume with an extended essay on the significance of Mendoza's career and her place in Tejana music and Chicana studies. Known as a lone artist and performer, Lydia Mendoza's voice and twelve-string guitar-playing figure prominently in her ability to both nurture and transmit the vast oral tradition of popular Mexican song with beauty and integrity. She sang the songs of the people across generations in the old tradition; all are indigenous to the Americas, and many of them to Texas. It is the

music that emerged from the experiences of native peoples (on both sides of the U.S.-Mexico border) within the colonial context of the nineteenth century. Mendoza's prominence and stature as a Chicana idol stems from her sustained presence and perpetual visibility within a complex network of social and cultural relations in the twentieth century. Along with being one of the earliest female recording and touring artists, she is loved as a voice of working-class sentimiento, sentiment and sentience, through song, which is one of the most cherished of Chicana/o cultural art forms. Through her vast repertoire and unmistakable interpretive skill in the shaping of songs she is a living embodiment of U.S.-Mexican culture and a participant in raza people's protracted struggles for survival.
