Achieve professional looking nails in a multitude of styles to suit all ages and ages.

Sephardic Lolita Lulu.com

You can skip the spa and do your own nails -- and here's how. This book presents the definitive guide to beautiful hands and feet. Emphasizing natural beauty, cleanliness, and simplicity, Baek covers the science of the nail, and why it's important to take vitamins, file regularly, and moisturize constantly; the care of the nail, with step-by-step full-color illustrated directions to achieving professional-quality home manicures and pedicures, incl. tools, techniques, lotions, polishes; the dressing of the nail -- shapes, colors, and styles; the health of the nail -- how to heal split nails, brittle nails, and ingrown nails. She tells how to care for the skin around the nails, including solutions to common problems like calluses and sunspots; and tips for quitting the nail-biting habit.

Manicure philosophy Xlibris Corporation

The present volume focuses on complimenting behavior, including the awarding of (self-)praise, as manifested on social media. These commonplace activities have been found to fulfil a wide range of functions in face-to-face interaction, discursal and relational amongst others. However, even though the giving of compliments and praise has become a pervasive practice in online environments, it remains a largely underexplored field of study within pragmatics. Self-praise is an activity that appears at the present time to be rapidly gaining ground online, and the various functions it performs clearly also need further investigation. The different contributions to this ground-breaking volume – 12 in total – aim to address this gap in research by

exploring and shedding light on a number of aspects of these phenomena in a range of languages and language varieties. New socio-digital contexts are examined, supported in some cases by social networking sites not previously studied in complimenting behavior research. These include Facebook, Instagram, Renren, Twitter, as well as web forums, message boards and live text commentary.

Manicure, Pedicure and Advanced Nail Techniques New Holland Australia(AU)

Carlos Xuma is about to rip open and expose all the myths about attracting beautiful women into your life... In this groundbreaking manual, *The Dating Black Book*, you're going to learn about women, attraction, and relationships like never before. Carlos draws on years of experience in Eastern philosophy, psychology, Martial Arts, sales, and plain old common sense to explain the mystifying and confusing world of dating and relationships. Inside, you'll find tips, secrets, techniques, principles, and advice that will become your arsenal in the harrowing world of today's single man. You'll learn the attraction strategies that women have known and used for thousands of years, and finally understand the true rules of dating success. Also included are Carlos' exclusive versions of "Transitions: Stepping Stones to Success" and "Dating Q&A."

Relax and Renew John Benjamins Publishing Company

'Part-detective story, part-cultural snapshot . . . all bound by

Gibson's pin-sharp prose' *Arena* ----- THE FIRST NOVEL IN THE BLUE ANT TRILIOGY - READ ZERO HISTORY AND SPOOK COUNTRY FOR MORE Cayce Pollard has a new job. She's been offered a special project: track down the makers of an addictive online film that's lighting up the internet. Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese hackers and Russian Mafia. She's up against those who want to control the film, to own it - who figure breaking the law is just another business strategy. The kind of people who relish turning the hunter into the hunted . . . A gripping spy thriller by William Gibson, bestselling author of *Neuromancer*. Part prophesy, part satire, *Pattern Recognition* skewers the absurdity of modern life with the lightest and most engaging of touches. Readers of Neal Stephenson, Ray Bradbury and Iain M. Banks won't be able to put this book down. ----- 'Fast, witty and cleverly politicized' *Guardian* 'A big novel, full of bold ideas . . . races along like an expert thriller' *GQ* 'Dangerously hip. Its dialogue and characterization will amaze you. A wonderfully detailed, reckless journey of espionage and lies' *USA Today* 'A compelling, humane story with a sympathetic heroine searching for meaning and consolation in a post-everything world' *Daily Telegraph* 'Electric, profound. Gibson's descriptions of Tokyo, Russia and London are surreally spot-on' *Financial Times* *Love Heals* Dorling Kindersley Ltd

The Science of Pedicures Fox Chapel Publishing

Natural nail care has become a lost art. So many people run off to the nail salon in order to have artificial nails applied. Why do that when you can have your own natural nails and have the polish last 7 to 10 days. Artificial nails damage the natural nail and most look very artificial. So why do women put up with damaging artificial nails and technicians that harm the nails further? Now they don't have to. This tell-all book allows women to create the beautiful, well manicured nails that they all deserve. Learn how to give yourself a manicure and polish your nails to prevent peeling and chipping. In simple language, you will understand the science behind why your nails act and react the way they do. Discover what some nail techs can't or won't tell. Understand how to take care of your nails, to grow longer, healthier and more beautiful nails than ever before. Yes, you can have your polish last 7-10 days, without chipping or peeling? You can also prevent your nails from peeling and say goodbye to artificial nails forever.

Put More Cash in Your Pocket Weldon Owen International

"Designed to closely match the content of many of the mandatory units of Level 2 Nails qualifications, each chapter will guide you through what you need to know and how to prepare for assessment. General topics such as health and safety, client care and promoting products and services are all covered in the

context of nail services. The practical skills required to provide manicure and pedicure treatments, nail art and nail enhancement are also explored in detail and illustrated with easy-to-follow step-by-step photos." -back cover.

Glam Nail Studio Penguin

This book reveals the secrets of communication with clients and describes original solutions of tough situations. You will not find practical training except for some gems you would have to spend countless years of practice to acquire. First of all it is a philosophy that provides and arm you with understanding of the filed, the philosophy that when applied enables you to become the best of the best. Illustrator: Liutsiia Ulimaeva. Female Chauvinist Pigs Spalding Publishing

Now readers don't have to go to a salon to enjoy a spa-worthy manicure or pedicure. Baek, the stylish, high-energy queen of nail care; the go-to expert for fashion designers, actors, and fashionistas; and owner of New Yorks hottest nail salons presents the definitive guide to beautiful hands and feet.

Nail Care Nightmares Lisa Ann Bowles

This book was written to educate, inform and empower anyone who cares about their own health, safety and well being or that of a loved one. When receiving any type of nail care service, it is imperative you know what to look for and what to be aware of. Unsuspecting clients around the globe have experienced severe allergic reactions to nail care products, infections from dirty manicure tools, amputations, of fingers, toes, limbs, and worse, death. The information in this book will help keep you from being the next victim of a corner cutting, careless, ill trained nail technician. It will also show you how certain chemicals used to create acrylic nails CAN harm your unborn baby, how you CAN contract Hepatitis B and C from dirty manicure/pedicure tools, how you CAN become overexposed to certain nail product chemicals and much, much more. The information found in this book could quite literally save your life or that of someone you know and love.

Linguistic Landscape in the Spanish-speaking World Shambhala Publications

Celebrity manicurist Amber Elizabeth Stores brings the salon straight to your living room in this graphic, information-packed guidebook, working from the inside out, Stores starts with

research-supported advice on which foods to eat and products to use for optimal nail health. Next up she gives a basic introduction to the kinds of equipment you'll want to have on hand, explaining how and why each tool is used. She'll then delve into the vast world of nail polishes, illuminating the differences between base coats, ridge fillers, strengtheners, sealers, and more. Included in her polish tips is a unique guide to selecting the perfect colors based on your skin tone, style, and the season. Polishes are followed by a chapter on nail shapes—what they “say” and how to attain them. A chapter on the “Not-So-Basics” takes the salon experience to the next level, with tips for electric manicures, hot oil manicures, paraffin waxes, and more. The “Queen of Shellac” goes on to share her top secret tips for acrylics, gels, and myriad effects (marbling, dotting, fading color, glitter dust, to name a few) in the second to last chapter. The book's grand finale is a

collection of stunning, fashionable photography showing how artful and fashionable nails can be—and inspiring an infinite array of ideas in the reader.

Rescue Your Nails Spalding Publishing

A riveting and unexpected novel that questions whether a peaceful and non-violent community can survive when civilization falls apart. Again, all are asleep, but I am not. I need sleep, but though I read and I pray, I feel too awake. My mind paces the floor. There are shots now and again, bursts here and there, far away, and I cannot sleep. I think of this man in his hunger, shot like a rabbit raiding a garden. For what, Lord? For stealing corn intended for pigs and cattle, like the hungry prodigal helpless in a strange land. I can hear his voice. When a catastrophic solar storm brings about the collapse of modern

civilization, an Amish community is caught up in the devastating aftermath. With their stocked larders and stores of supplies, the Amish are unaffected at first. But as the English (the Amish name for all non-Amish people) in the cities become increasingly desperate, they begin to invade nearby farms, taking whatever they want and unleashing unthinkable violence on the gentle communities. Written as the diary of an Amish farmer named Jacob who tries to protect his family and his way of life, *When the English Fall* examines the idea of peace in the face of deadly chaos. Should members of a nonviolent society defy their beliefs and take up arms to defend themselves? And if they do, can they survive? David Williams's debut novel is a thoroughly engrossing look into the closed world of the Amish, as well as a thought-provoking examination of how we live today and what remains if the center cannot hold.
