The novel behind the new Danish TV series starring The Killing's Sofie Gråbøl, available on All 4 / Walter Presents Two young men from very different backgrounds. Christian is the son of Danish expats; Marcus works as a house boy for a Swedish family, hoping they will eventually take him back to Europe with them. Their friendship defines a divided continent. When they decide to go into business together - a teenage dream of playing at discos - they unwittingly set a collision course. But will it be love or money that tears the two apart? Spanning a decade from the dawn of the 1980s, the story of Marcus and Christian's dissolving friendship plays out amid a vast cast of characters, all fighting to make their way in a country defined by corruption. As the Tanzanian authorities and European aid agencies compete to line their own pockets, the rise of 'the disease' threatens to lay waste to an already stricken continent.

*Getting Things Done* Harvard University Press

In a tense and riveting narrative, *The ISIS Hostage* details freelance photographer Daniel Rye's 13-month ordeal at the hands of the Islamic State after he was captured in Syria, and the misery inflicted upon him, and 19 other hostages, by their guards. This compelling account also follows Daniel's family and the nerve-wracking negotiations with his kidnappers. It traces their horrifying journey through impossible dilemmas, and offers a rare glimpse into the secret world of the investigation launched to locate and free not only Daniel, but also the American freelance journalist and fellow hostage James Foley. Written with Daniel's full cooperation and based on interviews with former fellow prisoners, jihadists, and key figures who worked behind the scenes to secure his release, *The ISIS Hostage* reveals for the first time the torment suffered by the captives and tells a moving and terrifying story of friendship, torture, and survival.

*The Little Book of Life Skills* U of Nebraska Press

Three years have passed since Squid McCrae last saw her parents and the remote island where she grew up. She returns now at seventeen, a young woman with a daughter in tow. The visit, she knows, will be rough. Lizzie Island—paradise to some, a stifling prison to others—brings an onslaught of memories. It is the place of Squid's idyllic childhood, where she and her brother, Alastair, blossomed into precocious adolescents. But Lizzie Island is also the place where Alastair died. Now the past collides with the present as Squid's homecoming unleashes bittersweet recollections, revelations, and accusations. But nothing is what it appears to be. No one possesses the complete truth, and no one is without blame. From the Hardcover edition.

*Families in the 21st Century* Ten Speed Press

Cristina Archetti started researching childlessness after being diagnosed with "unexplained infertility". She soon discovered that, although involuntary childlessness affects an increasing number of women and men across the world, this topic is shrouded taboo and shame. This book is both a first-person reflection about the existential questions posed by involuntary childlessness and a readable account of the way the silence surrounding this topic is socially and politically constructed. Revealing the invisible mechanisms that, from the microscopic details of everyday life to policy, make up the structure of silence around childlessness, Archetti demonstrates what it means not to have children in a society that is organized around families. Through a prose that mixes analysis, excerpts of interviews, media fragments, and evocative writing, she develops a new language of feeling-in-the-body fit for the twenty-first century and exposes the devastating effects infertility has on relationships, identity, health and well-being, in societies that fetishize parenthood. Childlessness in the Age of Communication draws upon a range of disciplines and fields including sociology, health, gender and sexuality studies, communication, politics and anthropology. It is a book for all those interested in childlessness and innovative qualitative research methodologies.

*Home Cheese Making* Routledge

The family has been a fundamental social institution throughout the history of mankind. But in recent decades it seemed to be eroding on virtually all fronts: fewer marriages and children and also far greater instability. But quite unexpectedly, the family seems now to be on the rebound. In some societies, the reversal is very clear: the number of children citizens have is approaching the number that they actually desire, the propensity to marry is rising, and partnerships are becoming more stable. The return-to-family trend is very much driven by the well-educated, and less stable partnerships are increasingly concentrated among the less educated. There are indeed strong indications that the world of families is becoming ever more polarized. How can we explain the (uneven) turnaround? This book presents a new theoretical framework for understanding the dynamics of contemporary family life. The key lies in how and to what extent both partnerships and society at large manage to adapt successfully to the altered economic role of women. The analyses which follow demonstrate that the more successful is the adaptation, the more we shall see a return to stronger and more stable families. And this will in turn have positive effects for children's life chances and social mobility prospects. --

*Langenscheidt Sprachkalender Englisch 2022* Nordic Council of Ministers

Many regard the ways in which paid work can be combined or 'balanced' with other parts of life as an individual concern and a small, rather self-indulgent problem in today's world. Some feel that worrying about a lack of time or energy for family relationships or friendships is a luxury or secondary issue when compared with economic growth or development. In the business world and among many Governments around the world, the importance of paid work and the primacy of economic competitiveness, whatever the personal costs, is almost accepted wisdom. Profits and short term efficiency gains are often placed before social issues of care or human dignity. But what about the impact this has on men and women's well being, or the long-term sustainability of people, families, society or even the economy? Drawing from interviews and group meetings in seven diverse countries - India, Japan, the Netherlands, Norway, South Africa, the UK and USA - this book explores the multiple difficulties in combining paid work with other parts of life and the frustrations people experience in diverse settings. There is a myth that 'work-life balance' can be achieved through quick fixes rather than challenging the place of paid work in people's lives and the way work actually gets done. As well as exploring contemporary problems, this book attempts to seed hope and new ways of thinking about one of the key challenges of our time.

*Helter Skelter: The True Story of the Manson Murders* German List

The star of HGTV's *Flip or Flop* Christina Anstead partners with celebrity nutritionist Cara Clark to

help women remodel their lives—in mind, body and spirit. Christina Anstead, star of HGTV's *Flip or Flop* and Christina on the Coast, is known for her boundless energy, positive attitude, and radiant looks. But what was hidden from fans of her popular television shows was a very real health crisis, including a diagnosis of autoimmune disease, infertility, and the emotional and physical exhaustion of going through a divorce with two young children—all in the public eye. The stress of managing it all wreaked even more havoc on her already strained body. It wasn't until Christina met nutritionist Cara Clark that she discovered a path that allowed her to regain her health and heal in body and mind. In *The Wellness Remodel*, Christina chronicles her health journey and shares what she's learned about the importance of creating balance and prioritizing physical and mental self-care. Divided into three parts—"Gut Rehab" (food and nutrition); "Building a Strong Foundation" (exercise); and "The Rewire" (mindfulness)—the book will be an accessible guide to full-body wellness, offering simple strategies anyone can put into action for immediate results. Christina and Cara will also share their simple cooking strategies built for the real world of working parents and busy weeknights, including sixty of their favorite recipes, complete with beautiful photos and easy-to-follow instructions. Inspiring, informative, fun, and empowering, *The Wellness Remodel* will give readers everything they need to nourish the body, keep it strong, and help their spirit flourish.

**Big World, Small Screen** Delacorte Books for Young Readers

James Lee Burke's most beloved character, Dave Robicheaux, returns in this New York Times bestselling mystery set in the towns and backwoods of Louisiana: an "enthralled yet grim novel that...will captivate, start to finish" (Publishers Weekly). Dave Robicheaux is a haunted man. From the acts he committed in Vietnam, to his battles with alcoholism, to the sudden loss of his beloved wife, Molly, his thoughts drift from one irreconcilable memory to the next. Images of ghosts pepper his reality. Robicheaux's only beacon remains serving as a detective in New Iberia, Louisiana. It's in that capacity that Robicheaux crosses paths with powerful mob boss, Tony Nemo. Tony has a Civil War sword he'd like to give to Levon Broussard, a popular local author whose books have been adapted into major Hollywood films. Then there's Jimmy Nightengale, the young poster boy of New Orleans wealth and glamour. Jimmy's fond of Levon's work, and even fonder of his beautiful, enigmatic wife, Rowena. Tony thinks Jimmy can be a US Senator someday, and has the resources and clout to make it happen. There's something off about the relationship among these three men, and after a vicious assault, it's up to Robicheaux to uncover the truth "in the barn-burner of a climax" (Booklist, starred review). Complicating matters is the sudden death of the New Iberian local responsible for Molly's death; namely that Robicheaux's colleague thinks Robicheaux had something to do with it. As Robicheaux works to clear his name and make sense of the murder, a harrowing study of America emerges: this nation's abiding conflict between a sense of past grandeur and a legacy of shame, its easy seduction by demagogues and wealth, and its predilection for violence and revenge. "It has been almost five years since James Lee Burke's last Dave Robicheaux novel, and it was absolutely worth the wait" (Associated Press).

Tom Bryce does what any decent person would do. He picks up a CD left behind on the train seat next to him, and attempts to return it to its owner. But he soon becomes the sole witness to a vicious murder. His young family is threatened with their lives if he goes to the police. Supported by his wife, Kellie, he bravely makes a statement to the murder enquiry team headed by Detective Superintendent Roy Grace, a man with demons of his own—including his missing wife—to contend with. And from that moment, the killing of the Bryce family becomes a mere formality—and a grisly attraction. Kellie and Tom's deaths have already been posted on the internet. You can log on and see them on a website. They are looking good dead. *Looking Good Dead* is another chilling page-turner in Peter James' bestselling mystery series.

*Out of Time* Penguin

From the bestselling author of *Still Alice* comes a heartfelt novel about friendship and a mother coping with the loss of her autistic son Olivia Donatelli's dream of a 'normal' life was shattered when her son, Anthony, was diagnosed with autism at age three. He didn't speak. He hated to be touched. He almost never made eye contact. And just as Olivia was starting to realise that happiness and autism could coexist, Anthony died. Now she's alone in a cottage on Nantucket, separated from her husband, desperate to understand the meaning of her son's short life, when a chance encounter with another woman facing her own loss brings Anthony alive again for Olivia in a most unexpected way. In a piercing story about motherhood, love and female friendship, Lisa Genova offers us two unforgettable women on the verge of change who discover the small but exuberant voice that helps them both find the answers they need. Fans of *The Reason I Jump* and *The Curious Incident of the Dog in the Night-time* will love Lisa Genova's story: always authentic and utterly moving.

The book thus codifies the method of one of the country's most successful practitioners.

**School, Family, and Community Partnerships** John Wiley & Sons

The New York Times Best Seller! Now with an excerpt of Michelle's new book, *I'll See You in Paris!* Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words "dust" or "rats" or "decrepit." She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. It's about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career she's been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky pâtisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied by croissants or champagne, this delectable debut novel depicts the Paris of the Belle Epoque and the present day with vibrant and stunning allure. Based on historical events, Michelle Gable's *A Paris Apartment* will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women.

*Equality in Isolated Labour Markets: Equal opportunities for men and women in geographically isolated labour markets in Læsø (DK), Suðuroy (FO), and Narsaq (GL)* Simon and Schuster

The Fletchers' beautiful new house is everything they dreamed it would be. Built between two churches in Heptonclough, a small village on the moors that time forgot, it ought to be paradise for this young family of five, but they barely have a chance to settle in before they find that they're anything but welcome. Someone seems to be trying to drive them away--at first with silly pranks but then with threats that become increasingly dangerous, especially to the oldest child, ten-year-old Tom Fletcher, who begins to believe that someone is always watching him. The adults in Tom's life are trying to help, including his parents; the vicar next door, younger and more dashing than you'd expect a vicar to be; and a therapist, Evi Oliver, who believes him more than she wants to. But there are other clues that something isn't quite right in Heptonclough, including the mysterious accidental deaths of three toddlers over the last ten years. It is not until Tom's siblings, two-year-old Milly and five-year-old Joe Fletcher, go missing in turn that the little village's evil secret turns the Fletchers' dreams into a nightmare. With *Sacrifice*, *Awakening*, and now *Blood Harvest*, S. J. Bolton displays time and time again her remarkable talent as a beguiling storyteller, a master of thrills, and the mistress of her own brand of modern Gothic tale.
