Packed full of interactive activities, this print and digital Course Book pack has been developed directly with the IB to fully reflect all aspects of the new language acquisition syllabus, for first teaching in September 2018.

Practice Makes Perfect: Spanish Vocabulary McGraw Hill Professional

Twilight of the Avant-Garde addresses the central problem of contemporary Spanish poetry: the attempt to preserve the scope and ambition of modernist poetry at the end of the twentieth century. Offering a critical analysis of Luis García Montero's "poetry of experience," and the work of José Angel Valente and Antonio Gamoneda, among others, Mayhew challenges received notions about the value of poetic language in relation to the society and culture at large. Ultimately championing the survival of more challenging and ambitious modes of poetic writing in the postmodern age, this volume argues that the cultural ambition of modernist poetics remains alive and well in our age of cynicism.

Help your students connect to the language and cultures of the Spanish-speaking world with the completely integrated print and digital components that comprise the 2nd Edition of the NEXOS program. High-interest cultural themes and related activities encourage students to engage in meaningful communication using interpersonal, interpretive, and presentational modes. NEXOS' realistic pacing of material, easy-to-use grammar,

practical vocabulary, and an engaging storyline video--which contextualizes grammar and vocabulary--all work together to help students gain confidence and move quickly toward proficiency. Whether you teach a traditional classroom course, a hybrid course (combination of classroom and online), or an online distance-learning course, the 2nd Edition of NEXOS offers solutions through carefully integrated resources that can be combined in any way, giving you the freedom to easily use the NEXOS program to teach your course your way.

Don Quixote McGraw Hill Professional

The marriage of philosophy and fiction in the first third of Spain's twentieth century was a fertile one. It produced some truly notable offspring—novels that cross genre boundaries to find innovative forms, and treatises that fuse literature and philosophy in new ways. In her illuminating interdisciplinary study of Spanish fiction of the "Silver Age," Roberta Johnson places this important body of Spanish literature in context through a synthesis of social, literary, and philosophical history. Her examination of the work of Miguel de Unamuno, Pio Baroja, Azorin, Ramon Perez de Ayala, Juan Ramon Jimenez, Gabriel Miro, Pedro Salinas, Rosa Chacel, and Benjamin Jarnes brings to light philosophical frictions and debates and opens new interpersonal and intertextual perspectives on many of the period's most canonical novels. Johnson reformulates the traditional discussion of generations and "isms" by viewing the period as an intergenerational complex in which writers with similar philosophical and personal interests constituted dynamic groupings that interacted and constantly defined and redefined one another. Current narratological theories, including those of Todorov, Genette, Bakhtin, and Martinez Bonati, assist in teasing out the intertextual maneuvers and philosophical conflicts embedded in the novels of the period, while the sociological and biographical material bridges the philosophical and literary analyses. The result, solidly grounded in original archival research, is a convincingly complete picture of Spain's intellectual world in the first thirty years of this century. Crossfire should revolutionize thinking about the Generation of '98 and the Generation of '14 by identifying the heterogeneous philosophical sources of each and the writers' reactions to them in fiction.

Constructing Inequality in Multilingual Classrooms First Avenue Editions

Mundos en palabras offers advanced students of Spanish a challenging yet practical course in translation from English into Spanish. The course provides students with a well-structured, step-by-step guide to Spanish translation which will enhance and refine their language skills while introducing them to some of the key concepts and debates in translation theory and practice. Each chapter presents a rich variety of practical tasks, supported by concise, focused discussion of key points relating to a particular translation issue or text type. Shorter targeted activities are combined with lengthier translation practice. Throughout the book, learners will find a wealth of material from a range of genres and text types, including literary, expository, persuasive and audiovisual texts. An answer key to activities, as well as supplementary material and Teachers' Notes are provided in the companion website. The book covers common areas of

difficulty including: frequent grammatical errors calques and loan words denotation and connotation idioms linguistic varieties cultural references style and register Suitable both for classroom use and self-study, *Mundos en palabras* is ideal for advanced undergraduate students of Spanish, and for any advanced learners wishing to acquire translation competence while enhancing their linguistic skills.

Teaching-and-learning Language-and-culture Viva! Edexcel GCSE Spanish

In her groundbreaking and innovative study, the author takes us on a fascinating journey through some of Madrid's multilingual and multicultural schools and reveals the role played by linguistic practices in the construction of inequality through such processes as what she calls "de-capitalization" and "ethnicization". Through a critical sociolinguistic and discourse analysis of the data collected in an ethnographic study, the book shows the exclusion caused by monolingualizing tendencies and ideologies of deficit in education and society. The book opens a timely discussion of the management of diversity in multilingual and multicultural classrooms, both for countries with a long tradition of migration flows and for those where the phenomenon is relatively new, as is the case in Spain. This study of linguistic practices in the classroom makes clear the need to rethink some key linguistic concepts, such as practice, competence, discourse, and language, and to integrate different approaches in qualitative research. The volume is essential reading for students and researchers working in sociolinguistics, education and related areas, as well as for all teachers and social workers who deal with the increasing heterogeneity of our late modern societies in their work.

**Practice Makes Perfect: Basic Spanish, Premium Third Edition** epubli

The growing practice of beginning instruction in a modern foreign language in the elementary school has created a need for many classroom teachers to become oriented to a whole new field of foreign-language teaching methodology and materials. Since teachers tend to think of language instruction in terms of the English-language arts, the language which their pupils had learned to understand and speak before starting school, they need new techniques for language habit formation when a second language is introduced. While essentially, the process by which the preschool child learned his first language is duplicated, the learning activities must be suited to the interests and abilities of the age group concerned. The purpose of this publication is to suggest procedures which will be useful to teachers who need assistance in this field. This bulletin describes a variety of teaching techniques now in use and gives examples of types of materials that have been developed for the elementary school classroom. - Foreword.

*Expresate!* University Press of Kentucky

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime.

Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a

province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

A Student Grammar of Spanish McGraw Hill Professional  
Magicians, necromancers and astrologers are assiduous characters in the European golden age theatre. This book deals with dramatic characters who act as physiognomists or palm readers in the fictional world and analyses the fictionalisation of physiognomic lore as a practice of divination in early modern Romance theatre from Pietro Aretino and Giordano Bruno to Lope de Vega, Calderón de la Barca and Thomas Corneille.

*Into the Wild* Routledge

A state-of-the-art, in-depth survey of the topics, approaches and theories in Spanish linguistics today. The language is researched from a number of different perspectives. This Handbook surveys the major advances and findings, with a special focus on recent accomplishments in the field. It provides an accurate and complete overview of research, as well as facilitating future directions. It encourages the reader to make connections between chapters and units, and promotes cross-theoretical dialogue. The contributions are by a wide range of specialists, writing on topics including corpus linguistics, phonology and phonetics, morphosyntax, pragmatics, the role of the speaker and speech context, language acquisition and grammaticalization. This is a must-have volume for researchers looking to contextualize their own research and for students seeking a one-stop resource on Spanish linguistics.

**Viva! Edexcel GCSE Spanish Higher Student Book**

Heinemann

NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. "It may be nonfiction, but *Into the Wild* is a mystery of the highest order." —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. *Into the Wild* is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this

enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

Spanish B for the IB Diploma Student's Book Anchor

Offers some theoretical innovations in teaching foreign languages and reports how they have been applied to curriculum development and experimental courses at the upper secondary and college levels. Approaches language learning as comprising several dimensions, including grammatical competence, change in attitudes, learning about another culture, and reflecting on one's own. Annotation copyright by Book News, Inc., Portland, OR Mira 3 Rojo Workbook Single Heinle & Heinle Publishers Building on the success of her prior book, *Practice Makes Perfect: Spanish Verb Tenses*, author Dorothy Devney Richmond helps learners attain a strong working vocabulary, no matter if they are absolute beginners or intermediate students of the language. She combines her proven instruction techniques and clear explanations with a plethora of engaging exercises, so students are motivated and hardly notice that they are absorbing so much Spanish. *Practice Makes Perfect: Spanish Vocabulary* also includes basic grammar and structures of the language to complement learners' newly acquired words. "Vocabulary Builders" help students add to their Spanish repertoire by using cognates, roots, suffixes, prefixes, and other "word-building" tools.

Yo Puedo Multilingual Matters

Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

The Twilight of the Avant-garde Heinemann

*A Frequency Dictionary of Spanish* has been fully revised and updated, including over 500 new entries, making it an invaluable resource for students of Spanish. Based on a new web-based corpus containing more than 2 billion words collected from 21 Spanish-speaking countries, the second edition of *A Frequency Dictionary of Spanish* provides the most expansive and up-to-date guidelines on Spanish vocabulary. Each entry is accompanied with an illustrative example and full English translation. The Dictionary provides a rich resource for language teaching and curriculum design, while a separate CD version provides the full text in a tab-delimited format ideally suited for use by corpus and computational linguistics. With entries arranged both by frequency and alphabetically, *A Frequency Dictionary of Spanish* enables students of all levels to get the most out of their study of vocabulary in an engaging and efficient way.
