*Piano Technique* Dial Press

Homicide detective Levi Abrams is barely holding his life together. He's reeling from the fallout of a fatal shooting, and his relationship with his boyfriend is crumbling. The last thing he's prepared for is a serial killer stalking the streets of Las Vegas. Or how he keeps getting thrown into the path of annoyingly charming bounty hunter Dominic Russo. Dominic likes his life free of complications. That means no tangling with cops -- especially prickly, uptight detectives. But when he stumbles across one of the Seven of Spades's horrifying crime scenes, he can't let go, despite Levi's warnings to stay away. The Seven of Spades is ruthless and always two moves ahead. Worst of all, they've taken a dangerously personal interest in Levi and Dominic. Forced to trust each other, the two men race to discover the killer's identity, revealing hidden truths along the way and sparking a bond neither man expected. But that may not be enough to protect them. This killer likes to play games, and the deck is not stacked in Levi and Dominic's favor.

*Dementia Care Mapping* JHU Press

Reaching from biblical times to the present day, Esther Benbassa's prize-winning exploration of Jewish identity is both epic and comprehensive. She shows how in the Jewish world, the representation and ritualization of suffering have shaped the history of both the people and the religion. Benbassa argues that the nineteenth century gave rise to a Jewish 'lachrymose' historiography, and that Jewish history was increasingly seen to be a 'vale of tears'—a development

that has become even more pronounced since the Holocaust. The treatment of the Holocaust in the State of Israel now has the form of a civil religion. In principle within reach of everyone, the 'duty of memory' and the uniqueness of the genocide have mitigated for many Jews the loss of other traditions. The Israeli government invokes the memory of the Holocaust to neutralize threats to its interests—ensuring that suffering continues to be a central part of Jewish identity and positioning the State of Israeli as a redemptive force.

*Nowhere Ending Sky* Cambridge University Press

People with mental illness are often painfully familiar with overt prejudice or more subtle forms of mistreatment. The stigma and discrimination associated with their disorders can have effects in several areas of life: in social interactions, in work and healthcare settings, in the legal system and the media. Many withdraw due to shame and do not seek help. In turn, stigma can prove to be a more serious problem than the disorder itself. Yet too little is done to reduce stigma and its impact. The Stigma of Mental Illness: Strategies Against Discrimination and Social Exclusion offers up the knowledge necessary to understand and fight against stigma and discrimination. It will be invaluable to all health professionals, social workers, healthcare managers and policy makers with an involvement or interest in mental illness. Broad coverage of the forms and consequences of stigma Specific treatment of stigma in relation to diagnoses such as dementia and autism Perspectives and strategies of a service user and a relative Up-to-date concepts regarding exclusion and discrimination Practical strategies for service users, relatives, healthcare professionals and policy makers

*Caribbean* Columbia University Press

Two books, bound together, by one of the greatest pianists of all time and his famed teacher: *The Shortest Way to Pianistic Perfection and Rhythmics, Dynamics, Pedal and Other Problems of Piano Playing*.

**Pflegekraft Mit Herz und Seele Bei der Arbeit** Michigan State University Press

Meta opens her eyes wide, and the blue seeps into them. She keeps them open until she is fat and swollen with colour and the sky is drained pale. It is a slightly scary game: it could easily be that the sky doesn't like having its colour taken away. So she closes her eyes and sends the blue back to where it came from.

*Altenpfleger Mit Leib Und Seele Notizbuch* Simon and Schuster

The Brown Sisters presents a photographic project as compelling in effect as it is simple in conception: four women, 25 years. Each year since 1975 photographer Nicholas Nixon has made a group portrait of his wife and her three sisters facing the camera in the same order: Heather, Mimi, Bebe, and Laurie. The series now measures a quarter century in the lives of the sisters, who in 1975 ranged in age from 15 to 25; each picture is dense with allusions to the year of experience that separates it from the one before.

*The Return of Holy Russia* Ariadne Press (CA)

*Prosthetic Memory* Routledge

Although the reputation of the great German scholar Ernst Robert Curtius was firmly established for English and American readers by the translation of *European Literature and the Latin Middle Ages*, much of his work is still unknown to them. These twenty-four essays, written over a period of nearly thirty years, range widely in time and scope and consider some of the greatest figures in European literature, among them Virgil, Goethe, Balzac, Joyce, Eliot, Ortega y Gasset, and Hesse. The essays show the qualities that made Curtius one of the great critics of our age: his lucid, penetrating mind, his comprehensive erudition, his cosmopolitan outlook, and above all his passionate concern for European culture. Like T. S. Eliot, the subject of one of his finest essays, Curtius believed in an ideal order, a cultural unity of the West. The unifying element in all these essays is a concern to insure the conservation and continuance of European humanistic culture. For him this culture consisted of the literary heritage of Greece and Rome, developed and enriched by the Christian civilization of the Middle Ages. Consequently he selected for discussion those poets and writers who have been conscious of the unity of these two European currents and who have striven to maintain it in our time. As he ranged freely through the languages and literatures of all Western cultures, Curtius himself did much to preserve this tradition, to demonstrate its relevance, and insure its continuity. Originally published in 1973. The Princeton Legacy Library uses the latest print-on-demand

technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

**The Stigma of Mental Illness** Verso Books

*Prosthetic Memory* argues that mass cultural forms such as cinema and television in fact contain the still-unrealized potential for a progressive politics based on empathy for the historical experiences of others. The technologies of mass culture make it possible for anyone, regardless of race, ethnicity, or gender, to share collective memories--to assimilate as deeply felt personal experiences historical events through which they themselves did not live.

**Rocking Horse Road** Princeton University Press

In this acclaimed classic novel, James A. Michener sweeps readers off to the Caribbean, bringing to life the eternal allure and tumultuous history of this glittering string of islands. From the 1310 conquest of the Arawaks by cannibals to the decline of the Mayan empire, from Columbus's arrival to buccaneer Henry Morgan's notorious reign, from the bloody slave revolt on Haiti to the rise of Cuba's Fidel Castro, Caribbean packs seven hundred dramatic years into a tale teeming with revolution and romance, authentic characters and thunderous destinies. Through absorbing, magnificent prose, Michener captures the essence of the islands in all of their awe-inspiring scope and wonder. BONUS: This edition includes an excerpt from James A. Michener's *Hawaii*. Praise for Caribbean "Michener is a master."—*Boston Herald* "A grand epic . . . [James A. Michener] sympathizes with the struggles of the region's most oppressed, and succeeds in presenting the Caribbean in its rich diversity."—*The Plain Dealer* "Remarkable and praiseworthy . . . utterly engaging."—*The Washington Post Book World* "Even American tourists familiar with some of the serene islands will find themselves enlightened. . . . In Caribbean, there appears to be a strong aura of truth behind the storytelling."—*The New York Times*

*Altenpflegerin Mit Herz* Penguin UK

Difficult assignments are nothing new to the Hardy boys and this one that takes them to the Deep South is particularly challenging. Their mission: to vindicate a long-dead Confederate general, disgraced during the Civil War because he was accused of stealing hidden gold belonging to a bank. Skillfully avoiding booby traps and flying bullets, the boys persevere in their perilous quest. The arduous search is full of surprises that will thrill all fans of the Hardy boys.

**Altenpflegerin mit Herz & Seele Notizbuch** Elsevier

The International Bestseller *Maybe Esther* is the inventive, unique, and extraordinarily moving debut memoir that pieces together the fascinating story of one woman's family across twentieth-century Russia, Ukraine, Poland, and Germany. Katja Petrowskaja wanted to create a kind of family tree, charting relatives who had scattered across multiple countries and continents. Her idea blossomed into this striking and highly original work of narrative nonfiction, an account of her search for meaning within the stories of her ancestors. In a series of short meditations, Petrowskaja delves into family legends, introducing a remarkable cast of characters: Judas Stern, her great-uncle, who shot a German diplomatic attaché in 1932 and was sentenced to death; her grandfather Semyon, who went underground with a new name during the Bolshevik Revolution in Russia, forever splitting their branch of the family from the rest; her grandmother Rosa, who ran an orphanage in the Urals for deaf-mute Jewish children; her Ukrainian grandfather Vasily, who disappeared during World War II and reappeared without explanation forty-one years later—and settled back into the family as if he'd never been gone; and her great-grandmother, whose name may have been Esther, who alone remained in Kiev and was killed by the Nazis. How do you talk about what you can't know, how do you bring the past to life? To answer this complex question, Petrowskaja visits the scenes of these events, reflecting on a fragmented and traumatized century and bringing to light family figures who threaten to drift into obscurity. A true search for the past reminiscent of Jonathan Safran Foer's *Everything Is Illuminated*, Daniel Mendelsohn's *The Lost*, and Michael Chabon's *Moonglow*, *Maybe Esther* is a poignant, haunting investigation of the effects of history on one family.

*Eat Right Exercise Die Anyway* W. W. Norton & Company

Notizbuch für Altenpfleger, Krankenpfleger und Pflegepersonal, die für ihren Beruf geboren sind! Das Buch umfasst 120 Seiten mit linierten Papier und ist für zeichnen, schreiben und scribbeln perfekt geeignet. Ideales Geschenk für Pflegekräfte.

*Maybe Esther* Cornell University Press

Much more than a murder mystery, this powerful novel is about coming of age and loss of innocence. The body of a teenage girl is found on the beach in the days leading up to Christmas, 1980. It's an event that makes a huge impact on all those who live along Rocking Horse Road, which

runs through the Spit, a long 'finger of bone-dry sand' between the ocean and the estuary. It's an event that for one hot summer brings together a group of fifteen-year-old boys and then keeps them linked for the rest of their lives. Evolving from Nixon's celebrated short story, this compelling novel shows New Zealand turning upon itself during the 1981 Springbok Tour. It examines how early events can influence the rest of our lives, and probes ideas of community, collective memory and story-telling.

**Kill Game** Courier Corporation

In this novel the protagonist struggles with almost solipsistic isolation, alternating with a delight in solitude and routine. In narrative form punctuated by diary entries, the author describes in plain, almost prosaic detail these struggles and the ultimately futile attempt Annette makes to escape their cycle. To read Haushofer well requires and enables courage, for her realities are banal and cold, her consolations bleak, hardworn -- and paradoxical, but one is left with a vital sense of affirmation.
