[My First Serbian Alphabets Picture Book with English Translations](#) Penguin

Ulrich Hargenau testifies against fellow members of a German terrorist group in order to save himself and his wife, Paula, and contemplates the nature of his German heritage. The question How German Is It underlies the conduct and actions of the characters in Walter Abish's novel, an icy panorama of contemporary Germany, in which the tradition of order and obedience, the patrimony of the saber and the castle on the Rhine, give way to the present, indiscriminate fascination with all things American. On his return from Paris to his home city of Württemberg, Ulrich Hargenau, whose father was executed for his involvement in the 1944 plot against Hitler, is compelled to ask himself, "How German am I?"--as he compares his own recent attempt to save his life, and his wife Paula's, by testifying against fellow members of a terrorist group, with his father's selfless heroism. Through Ulrich--privileged, upper class--we confront the incongruities of the new democratic Germany, in particular the flourishing community of Brumholdstein, named after the country's greatest thinker, Brumhold, and built on the former site of a concentration camp. Paula's participation in the destruction of a police station; the State's cynical response to crush the terrorists; two attempts on Ulrich's life; the discovery in Brumholdstein of a mass grave of death camp inmates--all these, with subtle

irony, are presented as pieces of a puzzle spelling out the turmoil of a society's endeavor to avoid the implications of its menacing heritage. Hands of My Father KidKiddos Books Ltd. Did you ever want to teach your kids the basics of Italian ? Learning Italian can be fun with this picture book. In this book you will find the following features: Italian Alphabets. Italian Words. Buonanotte tesoro! Goodnight, My Love! Planetoh Concepts

How can Americans make our country stronger, kinder, smarter? By marshaling our enviable can-do ethic and learning another language. We can do it, no matter what our age: author Steve Leveen chose Spanish as his adopted language in midlife. America's Bilingual Century is filled with tips for learning a language, some mechanical--like changing your phone and laptop settings to your adopted language--and some philosophical. For instance, start by having a place in your life where you'll use the language, Steve says. The "where" makes the "how" more attainable. And recognize that, as with any adoption, you do it for love, and for life--so don't fret when you're not fluent in five months. If you have kids, start them young. You'll be glad you did when you read about the explosive growth of dual language schools across the country and the significant, measurable advantages they give our young people. Steve also takes us to the top summer language immersion camps, for both children and adults. And he shares his findings from leading language scholars, teachers, sociolinguists, app creators, and bilinguals of all stripes that he discovered during his dozen years of research. Then he topples 12 myths about Americans and languages that no

longer hold in this century. Like thinking the whole world speaks English (it doesn't), that being monolingual is natural (it isn't), and that Americans suck at language (quite the opposite, as he demonstrates). Here and now in the 21st century, America is embracing its many ethnic and cultural heritages. How natural, then, that we enfold the many languages that these heritages thrive on as part of that quintessentially American pursuit of happiness. If you've never thought of bilingualism as being a patriotic act, America's Bilingual Century may persuade you otherwise. Knowing a second language changes the way we perceive the world, and the way the world perceives us. "English is what unites us," Steve says. "Our other languages are what define and strengthen us." And even if becoming bilingual leans more toward aspiration than arrival, that's okay. The journey is as rewarding as the destination.

Translations Kidkiddos Books Limited

By turns heart-tugging and hilarious, Myron Uhlberg's memoir tells the story of growing up as the hearing son of deaf parents—and his life in a world that he found unaccountably beautiful, even as he longed to escape it. "Does sound have rhythm?" my father asked. "Does it rise and fall like the ocean? Does it come and go like the wind?" Such were the kinds of questions that Myron Uhlberg's deaf father asked him from earliest childhood, in his eternal quest to

decipher, and to understand, the elusive nature of sound. Quite a challenge for a young boy, and one of many he would face. Uhlberg's first language was American Sign Language, the first sign he learned: "I love you." But his second language was spoken English—and no sooner did he learn it than he was called upon to act as his father's ears and mouth in the stores and streets of the neighborhood beyond their silent apartment in Brooklyn. Resentful as he sometimes was of the heavy burdens heaped on his small shoulders, he nonetheless adored his parents, who passed on to him their own passionate engagement with life. These two remarkable people married and had children at the absolute bottom of the Great Depression—an expression of extraordinary optimism, and typical of the joy and resilience they were able to summon at even the darkest of times. From the beaches of Coney Island to Ebbets Field, where he watches his father's hero Jackie Robinson play ball, from the branch library above the local Chinese restaurant where the odor of chow mein rose from the pages of the books he devoured to the hospital ward where he visits his polio-afflicted friend, this is a memoir filled with stories about growing up not just as the child of two deaf people but as a book-loving, mischief-making, tree-climbing kid during the remarkably eventful period that spanned the Depression, the War, and the early fifties. From the Hardcover edition.

 My Mom is the best: English-German Children's picture book (Bilingual Edition)
 Bilingual English German Picture book for children
 Gift this Bilingual German book on mother's birthday. A lovely book (German - English) for Mother's day!
 Spoken from a child's perspective, this beautifully illustrated dual book highlights the many things mothers do for their family, everyday. Children across the world offer to help their mothers with good intentions. But the help sometimes end up with disastrous or hilarious results! Still, it's the thought of helping that counts ... Some of the pictures are humorous because children sometimes cause more mess when they help ... Bright and cheerful illustrations will have your children (ages 3 - 7) asking for more ... Beginning readers (German) will be able to read this book by themselves. Don't be surprised if they ask to help out in the house!
 A must have in every mother's collection of books. Happy Mother's Day, every day!!
