 Guidebook to the Camino Inglés and Ruta do Mar camino routes through north-west Spain to Santiago de Compostela. The 116km Camino Inglés begins in Ferrol in Galicia and takes around a week to complete. It offers reliable waymarking, pilgrim facilities, and the opportunity to earn the Compostela certificate on completion. An alternative start in A Coruña gives a walk of 73km. The Ruta do Mar from Ribadeo provides a 190km coastal link between the Camino del Norte and the Camino Inglés. A newly recovered camino, its pilgrim infrastructure and waymarking is less well developed, but for those seeking solitude it offers striking scenery along a wild coastline. The book also includes an overview of a continuation route from Santiago to 'the end of the world' at Finisterre on the Atlantic coast. The guidebook presents the route in stages of a day's walking. In addition to the route description, there is full information on facilities, food and lodging, 1:100,000 scale maps of the route and town maps for key locations. With notes on preparation and planning, travel and equipment, a list of useful sources of information, and a glossary, the book is an indispensable companion for any one walking these caminos.

Walking the Camino de Santiago Wm. B. Eerdmans Publishing
 "I am about to share here a story about stars that dance. . . . If the very thought of seeing stars dance piques your curiosity at some deep level of your soul, then pay attention to what follows, for the walk to the Field of Stars, to Santiago de Compostela, is a

journey that has the power to change lives forever." -- from the introduction "Pilgrimage" is a strange notion to our modern, practical minds. How many of us have walked to a distant holy place in order to draw nearer to God? Yet the pilgrimage experience is growing these days in various parts of the world. Seeking to take stock of his life, Kevin Codd set out in July 2003 on a pilgrimage that would profoundly change his life. To the Field of Stars tells the fascinating story of his unusual spiritual and physical journey on foot across Spain to Santiago de Compostela, the traditional burial place of the apostle James the Greater. Each brief chapter chronicling Codd's thirty-five-day trek is dedicated to one or two days on the road. Codd shares tales of other pilgrims, his own changes of perspective, and his challenges and triumphs along the way -- all told with a disarming candor. Seen through the eyes of a Catholic priest who honors the religious worldview that originally gave rise to these medieval odysseys, "pilgrimage" comes to life and takes on new meaning in these pages.

 2018 ECPA Christian Book Award Winner 2018 Christopher Award Winner Two best friends, 500 miles, one wheelchair, and the challenge of a lifetime. Friendship takes on new meaning in this true story of Justin and Patrick, born less than two days apart in the same hospital. Best friends their whole lives, they grew up together, went to school together, and were best man in each other's weddings. When Justin was diagnosed with a neuromuscular disease that robbed him of the use of his arms and legs, Patrick was there, helping to feed and care for him in ways he'd never imagined. Determined to live life to the fullest,

the friends refused to give into despair or let physical limitations control what was possible for Justin. So when Justin heard about the Camino de Santiago, a 500-mile trek through Spain, he wondered aloud to Patrick whether the two of them could ever do it. Patrick's immediate response was: "I'll push you." **I'll Push You** is the real-life story of this incredible journey. A travel adventure full of love, humor, and spiritual truth, it exemplifies what every friendship is meant to be and shows what it means to never find yourself alone. You'll discover how love and faith can push past all limits—and make us the best versions of ourselves.

A Pilgrim's Guide to Northern Spain Vol. 2 Lonely Planet
 "I'd never done anything crazy like this before - a pilgrimage walk. I was not a hiker, and I wasn't a Catholic. In fact, I wasn't even sure I was a Christian. On the last government census when I had to state my religion, I'd said I was a Buddhist, mainly because they've had such a hard time in Tibet and I felt they needed my statistical support. I was also not an adventure traveller. For me, adventure travel was flying coach. All this backpacking and wearing of heavy boots and flying off to France to walk ancient pilgrimage routes was a new experience, and not one that made me feel entirely comfortable." And so Bill Bennett, an Australian based film director, set off on an 800 kilometre walk across Spain to Santiago de Compostela, not sure why he was doing it, and not feeling entirely comfortable. His discomfort increased markedly a few days later when his knee gave out - so the rest of the walk was a "pain management pilgrimage." But he kept his sense of humour, and his memoir is at times hilarious but also deeply moving, and insightful. In the vein of Bill Bryson and Eric Newby, **The Way, My Way** takes you on a unique spiritual journey, and

gives you a hearty laugh along the way.

The Camino Provides is the ideal companion for one of the world's most unique and accessible travel adventures, highlighting the significance of the inner journey while providing a dynamic and unconventional account of life on pilgrimage in Spain walking 840 km on the ancient Camino del Norte. Part memoir, part guidebook, this deeply insightful account combines with first-hand, carefully researched and practical advice for anyone considering walking even part of the Camino de Santiago's northern route. Numbed by trauma, Cassie Childers, former coach of the Tibetan women's soccer team, drags husband James on the seven week, 830 kilometer journey because standing still might actually cause her to feel something. Social anxiety and personal demons lead an increasingly sleep-deprived James from one awkward interaction to another, until he is ready to throttle the next pilgrim he encounters. Locals whisper that the intensity experienced on the Camino is ignited by the magic of ancient ley lines pulsing across the land. Will a series of disappearances and inconceivable meetings along The Way destroy their new marriage?

The Way of St Francis Bradt Travel Guides

The Camino de Santiago has been a holy pilgrimage across northern Spain for more than a thousand years. When retired journalist Mike Gardner began walking from St. Jean-Pied-de-Port, in April, 2018, he didn't know if he would make it. The Camino is an extraordinary physical challenge of 800 kilometres, taking pilgrims around five weeks to complete - though the majority fail along the way. Mike believes he was accompanied on his pilgrimage by powerful, supernatural forces. He made friends from all over the world and, he says, they were touched by the hand of God. He met cocaine addicts, alcoholics, reformed alcoholics, pilgrims with millions of pounds, one walker who was so poor his budget was five euros a day, airline pilots, plumbers and one amazing lady from New Zealand, who overcame a lifetime of mental anguish, in one divine moment. Mike says he witnessed four miracles, and enjoyed dozens of experiences that were either the result of mystic forces or coincidences that stretch the laws of statistics way, way beyond breaking point. He acquired two sons, three daughters, three sisters and brothers too numerous to put a figure on. His pilgrimage is the essence of everything that is so wonderful about this unique place - there is nowhere like it on Earth. He originally posted his story every day on the internet, as a blog, where he would record his journey on a mobile phone, late at night, and without notes, exhausted but invigorated and keen to put on record his incredible experiences, while everything was fresh in his mind. It was shared all over the world and by the time he reached Santiago, it was being read by thousands of people. This is his story, updated and improved, with more than 70 photographs - it is entirely truthful, uplifting, poignant and ultimately triumphant.

Kevin A. Codd's previous book, *To the Field of Stars*, has been hailed as a contemporary classic of pilgrim literature and introduced a fresh voice to the world of both travel and spiritual writing. In *Beyond Even the Stars*, the reader is invited to join this peripatetic American priest as he takes up the Way to Compostela, this time in Leuven, Belgium, and follows it south through much of France. His vivid descriptions of the natural world and the people he meets along the way are delightful, just as his profound reflections on life and death, love and faith, God and grace, are inspiring.
