Have you ever encountered a noblewoman who was so beautiful that every

time she walked by a body of water, the divine being who lived there kidnapped her? Or a mole who wanted to marry his beloved daughter to the wind? You will get to meet both of them in this book. Long ago, Korea was divided into the three kingdoms of Koguryo, Silla, and Paekche. Each kingdom had its own culture, myths, and legends. Many of these myths were first written down in a collection called Samguk yusa, or "Memorabilia of the Three Kingdoms," which was compiled by a Buddhist monk named Iryeon in the late thirteenth century. Changes in religious belief across the centuries came to have an important impact on Korean mythology. The

earliest religion was a form of shamanism, and the belief in gods and spirits who inhabit animals and mountains come to the fore in several of these tales. Buddhism was introduced in the fourth century, and several Korean myths have Buddhist monks or priests as their protagonists. Confucianism, which gained traction in Korea starting at the end of the fourteenth century, contributed to the concept of filial piety that informs the plots of several of the stories in this volume. Some of these myths involve high-status people such as kings and government officials, or else tell of the activities of divine beings such as heavenly maidens or dragons, while others

are amusing tales about the doings of cats and dogs and other animals. Myths such as "The Legend of Tangun" explain how kingdoms were founded, while "Kot'aji and the God of the Western Sea" tell the tale of how the archer Kot'aji saved a dragon and his family from the predations of a malicious demon, while other dragon stories are about people needing to be rescued from their long, scaly hosts who, despite having snatched people away from their families, are largely benignant beings who treat their guests well. Here are just a few of the other amazing things you will encounter in this collection of Korean myths and legends: The story of how King

Tongmyong hatched out of an egg The legend of how the dragon Ch'oyong became a protector against smallpox A Korean frog prince and a Korean Cinderella A Buddhist monk who is befriended by a spirit The good brother whom the King of the Swallows rewards for his kindness, and the bad brother who learns a hard lesson about selfishness Why cats and dogs are enemies And more! Scroll up and click the "add to cart" button to learn more about Korean myths and legends.

If you're looking for a captivating collection of Aztec myths then keep reading... The Aztecs believed that offerings of human blood and human lives were necessary to the continued running of the universe. Indeed, in Aztec myths the gods themselves make sacrifices of their own blood and even of their entire bodies in order to create a universe humans can live in and, in one story, to create humans themselves; humans

therefore must make blood sacrifices in turn to feed the gods and to keep the universe in existence. To the ancient Aztecs, these practices seemed fitting, necessary, and honorable, helping to connect the world of humans to the divine world of the gods, a universe that in Aztec myth took shape in cycles of creation, destruction, and rebirth. Aztec Mythology: Captivating Aztec Myths of Gods, Goddesses, and Legendary Creatures invites you to go on a startling journey to discover stories such as: The Legend of the Suns The Deeds of Mixcoatl The Origin of Maize and the Creation of Pulque The Fall of Xochiquetzal The Fate of Souls Huitzilopochtli and the Founding of

Tenochtitlan Huemac Plays the Ball Game And many more! So if you want a captivating collection of Aztec myths, click the "add to cart" button!

Explore Captivating Hindu Myths of Hindu Gods and Goddesses The stories in Hindu myth stem from traditions within Hinduism, drawing on stories from ancient texts, like the Ramayana and the Mahabharata. Keep in mind that because different versions of Hinduism inspire different people, many different versions of the stories float through the jungle and over the stones of temples and traditions. The stories in this volume are my version,

though I've stuck as closely to the original myths and legends as imagination allows. At the end of this book, you'll find a short bibliography for further research and reading. Within this book, you'll find the following Hindu myths covered Lord Brahma, Lord Vishnu, and the Beginning of the World The Birth of Lord Shiva Saraswati & Brahma's Fifth Head Shiva Tests Parvati Shiva Snares a Whale Ganesha Loses His Head Ganesha Spills a River Kubera's Pride Ganesha Injures a Goddess Ganesha Wins a Race Shiva Skips Success Ravana's Ten Heads The Birth of Rama Urmila's Slumber Deer of Deception Hanuman's Torch Suvannamachha Steals a Bridge Hanuman Moves a Mountain The

Final Battle Sita's Purity Krishna Steals Butter Krishna Trades for Jewels Krishna Swallows the Flames Agni Spreads a Curse Vayu Humbles the Silk Cotton Tree Savitri Chooses a Husband Savitri's Fidelity And more! Get the book now and learn more about Hindu mythology [The Celtic Myths That Shape the Way We Think](#) Createspace Independent Publishing Platform A fresh and revealing look at the stories at the heart of Celtic mythology, exploring their cultural impact throughout history up to the present day. [The Celtic Myths That Shape the Way We Think](#) explores a fascinating question: how do myths that were deeply embedded in the customs and

beliefs of their original culture find themselves retold and reinterpreted across the world, centuries or even millennia later? Focusing on the myths that have had the greatest cultural impact, Mark Williams reveals the lasting influence of Celtic mythology, from medieval literature to the modern fantasy genre. An elegantly written retelling, Williams captures the splendor of the original myths while also delving deeper into the history of their meanings, offering readers an intelligent and engaging take on these powerful stories. Beautiful illustrations of the artworks these myths have inspired over the centuries are presented in a color plates section and in

black and white within the text. Ten chapters recount the myths and explore the lasting influence of legendary figures, including King Arthur, the Celtic figure who paradoxically became the archetypal English national hero; the Irish and Scottish hero Finn MacCool, who as “Fingal” caught the imagination of Napoleon Bonaparte, Johann Wolfgang von Goethe, and Felix Mendelssohn; and the Welsh mythical figure Blodeuwedd, magically created from flowers of the oak, who inspired W. B. Yeats. Williams’s mythological expertise and captivating writing style make this volume essential reading for anyone seeking a greater appreciation of the myths that have shaped our artistic and literary canons and

continue to inspire today.

### Norse Mythology

Explore Captivating Myths of the Norse Gods and Heroes The Norse people lived over 1000 years ago and their mythology exists today. Mythology tells us how people in the past understood the world. Even though the Vikings and Norse people have been gone for a long time, the stories they came up with are still important. Who doesn't love tales about Thor fighting giants, Odin leading warriors into battle, and Loki playing tricks? Norse mythology is about a lot more than just gods fighting, though. A lot of the stories the Vikings came up with are based on real life or real events. Let

Dinobibi guide you through a discovery of stories of powerful gods and goddesses, scary beasts, and lessons on how to live in the tough wilderness the Norse called home, and how Norse mythology impacts our world today. Download the book now and learn more about Norse mythology

It is true that the Vikings were, without a doubt, brutal men living in a brutal age. They did use their skills as warriors to relentlessly attack Europe and the British Isles to increase their wealth and territory, but that is not all the Vikings were, and their contribution to world history is far more than warmongering.

**World War 2: A Captivating Guide from Beginning to End** Createspace

A full, authoritative, and wholly engaging account of these endlessly fascinating tales and of the ancient society in which they were created. Greek myths are among the most complex and influential

stories ever told. From the first millennium BC until today, the myths have been repeated in an inexhaustible series of variations and reinterpretations. They can be found in the latest movies and television shows and in software for interactive computer games. This book combines a retelling of Greek myths with a comprehensive account of the world in which they developed—their themes, their relevance to Greek religion and society, and their relationship to the landscape. "Contexts, Sources, Meanings" describes the main literary and artistic sources for Greek myths, and their contexts, such as ritual and theater. "Myths of Origin" includes stories

about the beginning of the cosmos, the origins of the gods, the first humans, and the founding of communities. "The Olympians: Power, Honor, Sexuality" examines the activities of all the main divinities. "Heroic exploits" concentrates on the adventures of Perseus, Jason, Herakles, and other heroes. "Family sagas" explores the dramas and catastrophes that befall heroes and heroines. "A Landscape of Myths" sets the stories within the context of the mountains, caves, seas, and rivers of Greece, Crete, Troy, and the Underworld. "Greek Myths after the Greeks" describes the rich tradition of retelling, from the Romans, through the

Renaissance, to the twenty-first century. Complemented by lavish illustrations, genealogical tables, box features, and specially commissioned

drawings, this will be an essential book for anyone interested in these classic tales and in the world of the ancient Greeks.
