Pablo Escobar: mi vida y mi cárcel Macmillan

"¿Cómo hizo para dormir con ese monstruo?", me preguntó una de las víctimas de mi marido, Pablo Escobar. "¿Era cómplice o víctima? ¿Por qué no hizo nada? ¿Por qué no lo dejó? ¿Por qué no lo denunció?". Esas preguntas, probablemente, son las mismas que miles de personas se hacen sobre mí. La respuesta es porque

lo amaba; y aunque a muchos les parezca insuficiente, la verdad es que esa fue la razón por la que estuve a su lado hasta el último día de su vida, a pesar de que infinidad de veces no estuve de acuerdo con sus acciones y sus decisiones. Este es el trasfondo de la confesión que hace en este libro Victoria Eugenia Henao, nombre original de la viuda de Pablo escobar, conocida ahora como María Isabel Santos.

The Japanese Yakuza. The Chinese Triads. The Sicilian Cosa Nostra. The Calabrian N'Drangheta. The New York Mafia. The Russian Vory -v -Vakone. Today, mafias operate across the globe, with hundreds of thousands of members and billions of dollars in revenue. From Hong Kong to New York, these vast organizations spread their tentacles into politics, finance and everyday life. But

what is it like to belong to the Mafia? How do you join? What does it do to your loved ones? How do you make it to the top? And what happens if you break the rules? Criminologist Federico Varese draws on a lifetime's research to give us access to some of the world's most secretive societies. Mixing reportage with case studies and historical insights, this is the story of mafia as it really is: filled with boredom and drama, death and disaster, ambition and betrayal. Infiltrating initiation ceremonies from Russia to England, visiting exclusive gambling clubs in Macau and Mafia summits in Dubai luxury hotels, Varese builds up a unique picture of life in the mafia from the inside.

Pablo Escobar was the most notorious drug lord the world has ever seen. He became one of the ten richest men on the planet and controlled 80 per cent of the global cocaine trade before he was shot dead in 1993. This is the long-awaited autobiography of his eldest son, Roberto Sendoya Escobar. His story opens with two helicopter gunships, filled with heavily armed Colombian Special forces personnel led by an MI6 agent, flying into a small village on the outskirts of Bogota in Colombia. The secret mission to recover a stolen cash hoard, culminates in a bloody shoot-out with a group of young Pablo Escobar's violent gangsters. Several of the men escape, including the young Escobar. As the dust settles in the house, only a little baby is left alive. His distressing cries can be heard as his young mother lies dead beside him. That baby is the author, Roberto Sendoya Escobar. In a bizarre twist of fate, the top MI6 agent who led the mission, takes pity on the child and, eventually, ends up adopting him. Over the years, during his rise to prominence as the most powerful drug lord the

world has ever known, Pablo Escobar tries, repeatedly, to kidnap his son. Flanked by his trusty bodyguards, the child, unaware of his true identity, is allowed regular meetings with Escobar and it becomes apparent that the British government is working covertly with the gangster in an attempt to control the money laundering and drug trades. Life becomes so dangerous, however, that the author is packed off from the family mansion in Bogota to an English public school. Many years later in England, as Roberto's adopted father lies dying in hospital, he hands his son a coded piece of paper which, he says, reveals the secret hiding place of the 'Escobar Missing millions' the world has been searching for! The code is published in this book for the first time.

The explosive memoir of the two legendary drug enforcement agents responsible for taking down Pablo Escobar and the subject of the hit Netflix series 'Narcos'. Javier Peña and Steve Murphy risked their lives hunting large and small drug traffickers in the decades they spent working for the US Drug Enforcement Administration. But their biggest challenge was the hunt for Pablo Escobar in Colombia. The partners, who began their careers as small-town cops, have been immortalised in Netflix's 'Narcos', a fictionalised account of their hunt for Escobar. Now, for the first time, they tell the real story of how they brought down the world's first narco-terrorist and ended the reign of terror of the world's most wanted criminal. Manhunters takes you deep inside the inner workings of the Search Bloc, the joint Colombian-US task force that resulted in an intensive 18-month operation that tracked Escobar. Between July 1992 and December 1993, Peña and Murphy lived on the edge, setting up camp in Medellin at the

Carlos Holguin Military Academy. There, they lived and worked with the Colombian authorities, hunting down a man thought to be untouchable. Their terrifying first-hand experience coupled with stories from the DEA's de-classified files on the search for Escobar forms the beating heart of *Manhunters*, a gripping account of how two determined and courageous agents risked everything to capture the world's most wanted man. Praise for *Manhunters* 'A riveting account of two brave DEA Agents who put their lives, along with their families' lives, on the line to fight the war on drugs. A must read on the take down of Pablo Escobar.' Joe Pistone, a.k.a. Donnie Brasco 'A fast-paced tale by two agents who had the inside track on bringing down the most wanted man in recent US history.' Bruce Porter, New York Times bestselling author of *Blow* 'Steve and Javier's experience on the front lines of the war on drugs over the last thirty years made them an invaluable source of information for a narrative of one of the most complex, poorly reported, and misunderstood chapters in our recent past.' Eric Newman, Executive Producer, 'Narcos' 'Manhunters grabs you from the first page and gives you a front-row seat into the harrowing hunt for the brutal narco trafficker Pablo Escobar. Two unlikely heroes recount their stories in a way that is both compelling and captivating.' Congresswoman Mary Bono 'A compelling read about the adventures of two true American law enforcement heroes who ultimately took on the world's first narco-terrorist, the world's most wanted criminal, the world's largest cocaine baron, Pablo Escobar, and won!' Tras el éxito de *Pablo Escobar, mi padre*, el libro en el que Juan Pablo Escobar pasaba revista, a partir de su propia experiencia, a la vida del narcotraficante más famoso de todos los tiempos, llega la otra cara de la moneda: el libro en el que el hijo de Pablo Escobar va en busca del recuerdo que de su progenitor guardan otros, incluso aquellos a los que más perjudicó a lo largo de su carrera criminal, y recopila anécdotas y datos inéditos hasta ahora. Juan Pablo Escobar revela dónde estaba su padre el día en que sus sicarios asesinaron al ministro de Justicia, Rodrigo Lara; la verdadera relación que mantenía con el grupo rebelde M-19 y su participación en el secuestro de la hermana de uno de sus mejores amigos. Habla con los hijos de algunos de los archienemigos de Pablo Escobar y explica cómo consiguió su padre hacerse inmensamente rico; incluso describe las macabras alianzas de Escobar con la corrupción internacional, mucho mayores de lo que él mismo creía. "Este libro forma parte de un ejercicio muy personal, profundo y sincero que lo único que pretende es contar una historia para que nadie la repita; quiero compartir mis experiencias de vida al lado de mi padre, Pablo Escobar, y las profundas heridas por las cuales decidí no convertirme en él."

"In this exploration of Colombian drug lord Pablo Escobar's impact on popular culture, Aldona Bialowas Pobutsky shows how Escobar's legacy inspired the development of narcocultura-television, music, literature, and fashion representing the drug-

trafficking lifestyle-in Colombia and around the world"--

Cuando conoció a Pablo Escobar, con solo trece años, Victoria Eugenia Henao ignoraba que su vida estaba a punto de convertirse en una pesadilla terrible, y que jamás dejarían de señalarla con el dedo por ser la mujer con la que se casó y tuvo dos hijos el mayor narcotraficante de todos los tiempos. Para este libro, y durante dos años, la viuda de Escobar se ha sumergido en su memoria y ha recordado cada uno de los horribles episodios que vivió con quien, a partir de 1982, asoló a Colombia con una estrategia de terror en la que ca-bían asesinatos de políticos, periodistas y defensores de derechos humanos, mientras seguía inundando el mundo de cocaína. Nunca hasta ahora un testigo tan cercano de la vida de Escobar había examinado sus actuaciones en diversos frentes. ¿Cómo fue la guerra que lo enfrentó al cartel de Cali y al Estado colombiano? ¿Hasta qué punto se relacionó con los paramilitares? ¿Cómo vivió ella las continuas infidelidades de su marido? ¿De qué forma convirtió el arte en su vía de escape? ¿Cómo fueron los últimos años de Escobar, desde estuvo encerrado en La Catedral hasta su asesinato? Y sobre todo: ¿qué fue de su familia tras la muerte del narco?

"I have many scars. Some of them are physical, but many more are scars on my soul. A bomb sent to kill me while I was in a maximum security prison has made me blind, yet now I see the world more clearly than I have ever seen it before. I have lived an incredible adventure. I watched as my brother, Pablo Escobar,

became the most successful criminal in history, but also a hero to many of the people of Colombia. My brother was loved and he was feared. Hundreds of thousands of people marched in his funeral procession, and certainly as many people celebrated his death." These are the words of Roberto Escobar-the top accountant for the notorious and deadly Medellín Cartel, and brother of Pablo Escobar, the most famous drug lord in history. At the height of his reign, Pablo's multibillion-dollar operation smuggled tons of cocaine each week into countries all over the world. Roberto and his ten accountants kept track of all the money. Only Pablo and Roberto knew where it was stashed-and what it bought. And the amounts of money were simply staggering. According to Roberto, it cost \$2,500 every month just to purchase the rubber bands needed to wrap the stacks of cash. The biggest problem was finding a place to store it: from secret compartments in walls and beneath swimming pools to banks and warehouses everywhere. There was so much money that Roberto would sometimes write off ten percent as "spoilage," meaning either rats had chewed up the bills or dampness had ruined the cash. Roberto writes about the incredible violence of the cartel, but he also writes of the humanitarian side of his brother. Pablo built entire towns, gave away thousands of houses, paid people's medical expenses, and built schools and hospitals. Yet he was responsible for the horrible deaths of thousands of people. In short, this is the story of a world of riches almost beyond mortal imagination, and in his own words, Roberto Escobar tells all: building a magnificent zoo at Pablo's opulent home, the brothers' many escapes into the jungles of Colombia, devising ingenious methods to smuggle tons of cocaine into the

United States, bribing officials with literally millions of dollars-and building a personal army to protect the Escobar family against an array of enemies sworn to kill them. Few men in history have been more beloved-or despised-than Pablo Escobar. Now, for the first time, his story is told by the man who knew him best: his brother, Roberto.

Los ensayos del libro analizan el éxito de la serie Narcos desde una perspectiva crítica. Explican la popularización de la misma, su estrategia de publicidad retorcida o su poco éxito en Colombia. Y también su juego entre el realismo mágico y los «retazos» de la realidad colombiana. El libro se cierra con una entrevista realizada a Sebastián Marroquín (Juan Pablo Escobar Henao) en la que el hijo de Pablo Escobar comparte su visión sobre Narcos como serie de ficción, sobre el problema de las drogas en Colombia y sobre su lucha constante en contra de la heroización de su padre. Es el cierre perfecto para un libro crítico sobre el fenómeno de la narcoficción en el siglo XXI.

THE POPULAR SERIES NARCOS CAPTURES ONLY HALF THE TRUTH. HERE, AT LAST, IS THE FULL STORY. THE INTERNATIONAL BEST SELLER! Until now, we believed that everything had been said about the rise and fall of Pablo Escobar, the most infamous drug kingpin of all time, but these versions have always been told from the outside, never from the intimacy of his own home. More than two decades after the full-fledged manhunt finally caught up with the king of cocaine, Juan Pablo Escobar travels to the past to reveal an unabridged version of his father—a man capable of committing the most extreme acts of cruelty while

simultaneously professing infinite love for his family. This is not the story of a child seeking redemption for his father, but a shocking look at the consequences of violence and the overwhelming need for peace and forgiveness.

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major

challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

Ce que la série Narcos ne vous a pas dit... Entre la myriade de livres écrits, et la série déjà culte « Narcos », nous pensions que tout avait déjà été dit sur l'ascension fulgurante et la descente aux enfers de Pablo Escobar, le plus grand trafiquant de stupéfiants de tous les temps. Mais ces versions ont toujours été racontées d'un point de vu extérieur, incapables de dévoiler la véritable intimité du personnage, occultant bien souvent une partie de la vérité. Aujourd'hui, vingt ans après une chasse à l'homme acharnée, son fils lève le voile sur un des personnages les plus marquants du vingtième siècle. Découvrez le portrait d'un homme tout en contradiction, généreux avec les autres, père de famille aimant, et également capable d'actes d'une violence et d'une cruauté inouïe. À travers les yeux de son fils, plongez dans l'univers intérieur d'un homme célébré par certains comme un Robin des Bois à la main généreuse, et craint par

d'autres comme le chef impitoyable de la plus grande mafia de l'histoire de l'humanité. À la mort d'Escobar, son fils, encore adolescent, jura de le venger. Mais Escobar Junior réalisa vite qu'il s'agissait pour cela de suivre les traces de son père - quelque chose qu'aucun des deux n'avaient jamais souhaité. Une fois le coeur apaisé, il décida de dénoncer l'héritage de Pablo Escobar. Il ne s'agit pas là de l'histoire d'un fils en quête de rédemption, mais de son regard éclairé sur les conséquences de la violence, et sa tentative d'y mettre un terme.

"Hello beautiful. I am Popeye." In 1998 I met Jhon Jairo Velásquez Vásquez—alias "Popeye"—lieutenant to the Medellín Cartel's leader, Pablo Escobar Gaviria. Our first encounter was at the high security yard of the Modelo Prison in Bogotá, Colombia. I visited the prison frequently as a journalist for RCN TV. I was always conducting interviews and speaking to the inmates, uncovering news about what was really happening inside the prison. At that time, stories about confrontations between guerrilla and paramilitary factions were everyday news. You could often hear shots inside the prison as the different sides fought for control. I had always wanted to meet one of the members of the Medellín Cartel. I was curious to know who they were, what they looked like, and what these men, who belonged to the most powerful drug cartel that has ever existed in Colombia, were thinking. At the high security yard I was able to talk with two of them. The most notorious was Jhon Jairo Velásquez Vásquez. "Hello beautiful. I am Popeye." The man who sat in front of me stared at me. His pale skin reflected the six years he had been in prison; in fact, it looked as if he had never once stepped outside. Popeye

smiled at me with curiosity while his cold eyes examined me from head to toe. We were introduced by another inmate, Ángel Gaitán Mahecha, a man accused of paramilitarism and homicide. My first impression was surprise and curiosity; I also examined him from head to toe. He wasn't quite six feet tall. His slim body and the smile on his face almost put me at ease. I thought this man couldn't possibly frighten anyone, and yet I couldn't forget the number of homicides in which he had been involved. I wanted to see into the mind of the man who planned and participated in the most horrible homicides that the cartel had carried out in their war against the state.

Questo è l'unico libro che racconta chi era veramente Pablo Escobar La vera storia del più grande narcotrafficante del mondo raccontata da suo figlio Credevamo che fosse già stato detto tutto su Pablo Escobar, il più sanguinario e potente narcotrafficante di tutti i tempi, che all'apice del suo successo fu il settimo uomo più ricco del mondo, ma nel leggere queste pagine scioccanti ci si rende conto che le cose di cui eravamo a conoscenza finora erano soltanto storie narrate dall'esterno, mai dall'intimità del suo focolare. Le storie familiari sono fatte di silenzi, e solo il trascorrere del tempo può concedere uno spazio. Ventitré anni dopo la morte del capo del cartello colombiano di Medellín, Juan Pablo Escobar, figlio di Pablo Escobar, torna nel passato per raccontare una versione inedita del padre, un uomo

che era capace di compiere crudeltà indicibili e, allo stesso tempo, di amare molto la sua famiglia. Questo non è un libro scritto da un figlio che cerca di redimere suo padre, ma piuttosto il racconto straziante delle conseguenze della violenza. Droga, dollari e politica La vera storia del narcotrafficante più potente del mondo I commenti dei lettori: «Questo è l'unico libro che racconta chi era veramente Pablo Escobar.» «Un libro su Pablo padre e marito, ma anche la triste storia di due bambini e della loro madre, che hanno sperimentato tutto l'orrore di una vita fatta di sotterfugi.» «Chiunque abbia sofferto per gli errori del proprio padre sa che non è facile confrontarsi con il mondo. È giunta l'ora che i morti riposino in pace e che gli altri continuino a sopravvivere.» Juan Pablo Escobar Figlio del capo del cartello di Medellín, Pablo Escobar, vive in Argentina ed è architetto, designer, docente universitario e scrittore. È stato protagonista del pluripremiato documentario *Los pecados de mi padre. Pablo Escobar: mi vida y mi cárcel (Edición española)* Harper Collins

Cambio de carátulas, nuevas fotografías inéditas en cada uno de los títulos, precio cómodo, cambio de formato. Esas son las características del pack que contiene los tres exitosos libros publicados por Planeta con las historias de la viuda y el hijo del capo Pablo Escobar. *Mi vida y mi cárcel con Pablo Escobar*, de Victoria Eugenia Henao; *Pablo Escobar, mi padre y Pablo Escobar In Fraganti*, de Juan Pablo Escobar Henao, narran los horrores que vivió Colombia en los años 80 y comienzos de los 90, cuando el jefe del cartel de Medellín desafió al Estado y en su alocada carrera criminal arrastró a su familia.

The mind-blowing true story of Pablo Escobar and the Medellin Cartel beyond their portrayal on Netflix. Colombian drug lord Pablo Escobar was a devoted family man and a psychopathic killer; a terrible enemy, yet a wonderful friend. While donating millions to the poor, he bombed and tortured his enemies - some had their eyeballs removed with hot spoons. Through ruthless cunning and America's insatiable appetite for cocaine, he became a multi-billionaire, who lived in a \$100-million house with its own

zoo. Pablo Escobar: Beyond Narcos demolishes the standard good versus evil telling of his story. The authorities were not hunting Pablo down to stop his cocaine business. They were taking over it. Shaun Attwood's War on Drugs trilogy - Pablo Escobar, American Made, and We Are Being Lied To - is a series of harrowing, action-packed and interlinked true stories that demonstrate the catastrophic consequences of drug prohibition."
