Lunar Calendar 2021

How to change your life with the power of the moon! The moon affects the universe. This can be seen especially at the seas (ebb and flow). Our body consists of at least 60% water. Don't you think that is why the moon has an effect on us? Why should you use a simple calendar when you have the possibility to use the daily power of the moon for yourself? This calendar shows you not only the daily phases of the moon, but also the corresponding daily forms of the moon, according to which you can determine when it is best to cut hair, lose weight or travel. In addition, it is indicated daily which parts of the body you should pay attention to, because the constellation of the stars has an effect on our well-being! What you can expect: daily moon phases (the respective moon phase is shown to you 366 days for the year 2020) what are fruit and fire days and how can they affect your life? Root and earth days are designed to give your plants their time Avoid ravenous attacks on flowering and air days! Be prepared for emotional outbursts on leaf and water days When can you lose weight and when does your body simply store water? Which body part is sensitive on which days? (The stars affect different parts of the body) This book will positively change your year 2020! You can adjust to the respective phases of the moon and thereby steer your life. If you want to make the year 2020 a positive one, don't hesitate and secure this copy and learn to use the power of the moon for yourself. No risk - money back guarantee!

2020

Celebrate the 2020 Happy Chinese New Year (甲子年 / 庚子年) (鼠年 / 猪年) (鼠年 / 猪年) with this Chinese zodiac daiy planner. Year of the Rat - best spring festival gift idea. Learn to speak the Chinese

language? Enjoy Chinese restaurants & food? The Chinese New Year is the most important of the holidays for the Chinese. It is defined to be the first day of the first month in the traditional Chinese calendar. The Chinese New Year is the first day of the first month in the traditional Chinese calendar. Unlike the Christian New Year which is based on a solar calendar the Chinese New Year is based on a traditional Chinese lunisolar calendar whose date indicates both the moon phase and the time of the solar year. A lunar month is around 2 days shorter than a solar month. In order to "catch up" with the solar calendar an extra month is inserted every few years. This is why according to the solar calendar the Chinese New Year falls on a different date each year. Get the 2020 Year of the Rat 366 page, 8 inch by 10 inch, daily planner/organizer - makes a great Chinese New Year gift.

You won't find another calendar like this on Amazon. This planner is a unique one. As one of the few on the market (if not the only one!) it takes into account the operation of less obvious forces that affect our efficiency and life. Such a power is undoubtedly the energy of the Moon, with which we women are particularly connected. In this calendar, the beginning of the month is the New Moon. The week of the New Moon is preceded by a page with its symbol and date. This will let you know that a new lunar month is coming and it's time to reflect on your plans. You can start using the calendar as early as December 2020. Due to the fact that the new lunar month does not coincide with the beginning of the New Year, the first monthly period included in this calendar begins in December. The calendar is universal. It doesn't matter if you live in the USA or Great Britain. Only the main phases of the moon are marked in the calendar. Its moonrise and moonset times are not marked because the calendar can be used by women living in different countries. For this reason, these hours could differ depending on the user's place of residence. Everybody knows Full Moon is a unique, highly energetic time. It is especially emphasised every month. In the week it is performing, you will find a brief description and reflection to read for this special moment of the month. In every week you will find a "Workout for this week" field. It contains 7 fields to fill in and it is about physical exercises. You can enter your exercise plan for each day there. In the planner you will also find pages for planning your goals and controlling your personal development. Features: convenient 6"x9" size introduction to lunar phases energy weekly 2021 year planner each page contains patterns to color standard calendar overview circle of life exercise place to write down your goals, important dates and notes short reflection for each Full Moon time beautiful and artistic design This book will be your best companion for 2021.

#### *Moon Magick Planner 2020-2021*

2020 Lunisolar Calendar and Lunar Phases Planner Harmonize the rhythm of your life with the natural cycle of the lunar phases. This planner includes room for practicing full moon and new moon lunar rituals. Each moon phase brings with it unique magickal energy that exerts its pull on our mind and body. Practicing moon rituals allows you to connect with this celestial energy and gives you the opportunity to take time to become mindful of your physical and spiritual state. This planner is ideal for both those curious about lunar rituals that need prompts and guidance, and those experienced in practicing lunar rituals looking for a dairy to record details of their rituals. This lunisolar planner combines a weekly planner with a lunar phase planner 8.5" x 11" convenient desktop size 2020 solar calendar at the front 2020 lunar calendar with dates of the moon's phases - new moon, first quarter, full moon and last quarter Dates of monthly full moons with room for notes to track your body's natural rhythm Overview of lunar phases and their meaning New Moon and Full Moon rituals introduction Monthly planning pages for New Moon and Full Moon rituals: Plan your rituals Record the details of your rituals Monthly planning pages with to-do list and goals tracker Weekly planner with week to view format, conveniently spread across two pages for a lay-flat view of the week at a glance Daily time-blocking grid, divided in 1-hour increments (from 6am to 11pm), ideal for blocking out chunks of time for: appointments, projects, meetings and tasks Schedule separate blocks of time for each task and visualize your time-use quickly Each day of the week gets equal space, so you can plan out your weekend activities with ease Daily notes and weekly priorities Week starts on Monday Printed on eco-friendly cream paper Lightweight, with a soft glossy cover
