An "outrageous, profane, hilarious, sexy and all kinds of wacky" romantic comedy from the New York Times bestselling author of *Size Matters* (Michelle Rowen, national bestselling author). What happens when an accountant decides to grab life by the horns and try something new? Apparently a pirate named Dave, a lot of pastel fleece, and blackmail—just to start with . . . Visualize and succeed, Oprah said. I was sure as hell trying, even if my campaign to score a job as the local weather girl had ended in a restraining order. Okay, TV was not my strength. But a lack of talent has never stopped me before. Which is why I've embarked on a writing career. I mean, how hard can it be to come up with a sexy romance? Leave it to me to wind up in a group of porno writing grannies who discuss sex toys and apple cobbler in the same breath. Also leave it to me to leak an outlandish plot idea to a bestselling author with the morals of a rabid squirrel. And only I could get arrested for a jewelry heist I didn't commit—by a hunky cop whose handcuffs just might tempt me to sign up for a life of crime. Maybe I've found my calling after all . . . "A zany over-the-top rompfest."—Lexi George, author of *Demon Hunting with a Sexy Ex* "The most f\*cked-

up bag of wonderful crazy ever."—Dear Author "If readers are in the mood for hilarious kinkiness woven through a fun romance, then this is the book to try."—Long and Short Reviews (4 stars) *The Nordman* Maureen Child No heart, no heartache Brier Cavanaugh ran the night her older brother's best friend told the other quintuplets that he was in love with her. It should have been all the proof Drew needed she'd use her reckless and wild streak to keep him at bay. No man, no matter how hot or much southern charm he has, would hold Brier back from her dreams. And she wasn't handing over her trust fund to anyone who thought she was better off barefoot and pregnant. Call him a hopeless romantic, yet Drew Newhouse still believes he and Brier are meant to be. After all, the feisty blonde is the one who taught him to never back down from a challenge and, this time, Drew's determined on playing for keeps. He knows it will take more than teaming up with Brier's brothers to convince her to put her heart on the line. However, the last move Drew anticipates is Brier risking her life for love. A second chance romance for secret childhood sweethearts.

The blustery south-easterly flung the salty spray over the starboard bow as the Daring Class destroyer, DO4 pitched headlong into the five metre swell, dousing the crew members scurrying to secure the foredeck. The Tasman Sea was living up to her reputation. Down below, off-duty sailors were either busying themselves with ablutions, losing their pays at poker or flopped on their bunks (or the deck) reading unmentionable titles. But most were in the mid-ships mess trusting their luck and hoping the numbers would fall their way in the twice-weekly ritual of Tombola. At this very moment it was hard to imagine that within a week, the lives of all 330 men aboard would be changed forever. This is a story based on real life naval experiences during the 1960s. It takes you on the journey of a young sailor's often chaotic life, punctuated by misadventure and unpredictable, sometimes tragic circumstance. The names of characters and details of some events have been fictionalised to protect the innocent, the not-so innocent and those who are totally oblivious to their inclusion in this story. This is the first book in what is intended as a three book series, with book 2 completion anticipated by December 2018
