#1 NEW YORK TIMES BESTSELLER • A “stunning” (America Ferrera) YA novel about a teenager coming to terms with losing her sister and finding herself amid the pressures, expectations, and stereotypes of growing up in a Mexican American home. “Alive and crackling—a gritty tale wrapped in a page-turner.”—The New York Times Perfect Mexican daughters do not go away to college. And they do not move out of their parents’ house after high school graduation. Perfect Mexican daughters never abandon their family. But Julia is not your perfect Mexican daughter. That was Olga’s role. Then a tragic accident on the busiest street in Chicago leaves Olga dead and Julia left behind to reassemble the shattered pieces of her family. And no one seems to acknowledge that Julia is broken, too. Instead, her mother seems to channel her grief into pointing out every possible way Julia has failed. But it’s not long before Julia discovers that Olga might not have been as perfect as everyone thought. With the help of her best friend Lorena, and her first love, first everything boyfriend Connor, Julia is determined to find out. Was Olga really what she seemed? Or was there more to her sister’s story? And either way, how can Julia even attempt to live up to a seemingly impossible ideal?

Remember that we’re in the U.S., Dante Celestino is told when his daughter Emmita runs away. Friends and neighbors warn him that in the United States it’s not considered so unusual for a fifteen-year-old girl to run away. But Dante had counseled Emmita to date only Spanish-speaking Hispanic boys, and never anyone who joins gangs or deals drugs. Yet she ignores her father’s advice and—right in the middle of her quinceañera—runs away with a tattooed Latino who doesn’t speak Spanish and rides a lowrider motorcycle. And to complicate matters, Dante is in the U.S. illegally, making it difficult to report the girl’s disappearance to the police. So begins Dante’s odyssey. Accompanied by a lame donkey named Virgilio and the voice of his dead wife, he sets out for Las Vegas, where Emmita’s boyfriend—or abductor, as Dante considers him—supposedly lives. On a journey filled with the joy of music and the pain of flashbacks from his small-town life and marital bliss in Mexico, Dante encounters a series of eccentric characters: Josefino and Mariana, known to radio listeners as the Noble Couple, who change their listeners’ luck in an instant; Juan Pablo, a young man who uses his computer genius to rob a Las Vegas casino so he can pay for his college education; and the Pilgrim, a famous balladeer who has crossed the border via underground tunnels so many times that even years later he smells faintly of dirt and death. In this bittersweet tour de force originally published in Spanish as *El Corrido de Dante*, the First and Third Worlds join hands, and Mexican pueblo life and Internet post-modernity dance together in one of the most memorable fables to shed light on issues such as immigration, cultural assimilation, and the future of the United States with its ever-increasing Latino population.

NOUVEAU DICTIONNAIRE DE SOBRINO, FRANÇOIS, ESPAGNOL ET LATIN Simon and Schuster Alfonso de Valdés has long been recognized as one of the major proponents of Renaissance values in Spain, especially for his role in espousing the thinking of Erasmus, the Dutch humanist and philosopher. His *Dialogo de Mercurio y Caron*, a major work of both literary and historical significance, has never before been available in English. The dialogue provides a lively, satirical commentary on the thought, politics, religious arguments, and court intrigues of early sixteenth-century Spain. It is a mark of Valdés’s talent that he was able not only to describe the period, a time of great turmoil and complexity, but to do so in a humorous and critical manner. Professor Ricapito has brilliantly rendered the lively human quality in his fine translation. A must for all students of Spain and the Reformation.

From revered Colombian writer Laura Restrepo comes the smart, thrilling story of a young woman trying to outrun a nightmare. María Paz is a young Latin American woman who, like many others, has come to America chasing a dream. When she is accused of murdering her husband and sentenced to life behind bars, she must struggle to keep hope alive as she works to prove her innocence. But the dangers of prison are not her only obstacles: gaining freedom would mean facing an even greater horror lying in wait outside the prison gates, one that will stop at nothing to get her back. Can María Paz survive this double threat in a land where danger and desperation are always one step behind, and safety and happiness seem just out of reach?

Poetry. Latino/Latina Studies. Bilingual Edition. Translated from the Spanish by Daniel Borzutzky. "I sang the song of the old concrete sheds. It was filled with hundreds of niches, one over the other. There is a country in each one; they're like boys, they're dead." In this landmark poem, written at the height of the Pinochet dictatorship, major Chilean poet Raul Zurita protests with ferocious invention the extinguishment of a generation and the brutalization of a nation. Of the role of poetry and of his own treatment by the military under this regime, Zurita has said, "You see, the only thing that told me that I wasn't crazy, that I wasn't living in a nightmare, was this file of poems, and then when they threw them into the sea, then I understood exactly what was happening." This elegy refuses to be an elegy, refuses to let the Disappeared disappear.

"First published in 1981, ""The Sulu Zone"" has become a classic in the field of Southeast Asian History. The book deals with a fascinating geographical, cultural and historical ""border zone"" centred on the Sulu and Celebes Seas between 1768 and 1898, and its complex interactions with China and the West. The author examines the social and cultural forces generated within the Sulu Sultanate by the China trade, namely the advent of organized, long distance maritime slave raiding and the assimilation of captives on a hitherto unprecedented scale into a traditional Malayo-Muslim social system. How entangled commodities, trajectories of tastes, and patterns of consumption and desire that span continents linked to slavery and slave raiding, the manipulation of diverse ethnic groups, the meaning and constitution of ""culture,"" and state formation? James Warren responds to this question by reconstructing the social, economic, and political relationships of diverse peoples in a multi-ethnic zone of which the Sulu Sultanate was the centre, and by problematizing important categories like ""piracy,"" ""slavery,"" ""culture,"" ""ethnicity,"" and the ""state"". His work analyzes the dynamics of the last autonomous Malayo-Muslim maritime state over a long historical period and describes its stunning response to the world capitalist economy and the rapid ""forward movement"" of colonialism and modernity. It also shows how the changing world of global cultural flows and economic interactions caused by cross-cultural trade and European dominance affected men and women who were forest dwellers, highlanders, and slaves, people who worked in everyday jobs as

fishers, raiders, divers or traders. Often neglected by historians, the response of these members of society are a crucial part of the history of Southeast Asia."--

More than just an expression of religious authority or an instrument of social control, the Inquisition was an arena where cultures met and clashed on both shores of the Atlantic. This pioneering volume examines how cultural identities were maintained despite oppression. Persecuted groups were able to survive the Inquisition by means of diverse strategies—whether Christianized Jews in Spain preserving their experiences in literature, or native American folk healers practicing medical care. These investigations of social resistance and cultural persistence will reinforce the cultural significance of the Inquisition. Contributors: Jaime Contreras, Anne J. Cruz, Jesús M. Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

This volume demonstrates that the study of language and ethnic identity is a dynamic and rigorous research area within the study of the social psychology of language. The research presented here demonstrates that social and ethnolinguistic identity theories have the scope necessary to explain the influence of ethnic identity on such diverse processes as language attitudes, second language competence, sociolinguistic stereotypes, perceived ethnolinguistic vitality, and speech accommodation.
