Witchcraft is far more than just spellcraft and celebrations. It is about honouring the ancient tradition and all the witch tools and fellowship that kept the tradition alive through the burning times before it was reawakened in the twentieth century. The Witches' Coven will help you discover the secrets, the origins,

and the symbolism behind every tool of the witch. Each tool has a magickal purpose as a key within our magick circle, which is the temple of the Goddess and the God of Nature. Each tool is also a sacred key to a specific magickal power that acts as a conduit for either electrical, magnetic, electromagnetic, or alchemical change with one's will. Many modern witches are not aware of these ancient tools, which are as important today as they were thousands of years ago, both for solitary witches and for full working covens. The coven fellowship is a committed working spiritual family and is more important now in the twenty-first century

than it was in the past, since we need the fellowship of a spiritual and magickal family to commit to a way of life that is as ancient as life itself. In *The Witches' Coven*, you can work with the tools and enjoy the activities of fellowship, becoming one with the Goddess and God and all of Nature.

An oracular Surrealism: the debut presentation of Leonora Carrington's recently discovered tarot deck The British-born artist Leonora Carrington is one of the more fascinating figures to emerge from the Surrealist movement. As both a writer and painter, she was championed early by André Breton and joined the exiled Surrealists in New York, before settling in Mexico in 1943. The magical themes of Carrington's otherworldly paintings are well known, but the recent discovery of a suite of tarot designs she created for the Major Arcana was a revelation for scholars and fans of Carrington

alike. Drawing inspiration from the Tarot of Marseille and the popular Waite-Smith deck, Carrington brings her own approach and style to this timeless subject, creating a series of iconic images. Executed on thick board, brightly colored and squarish in format, Carrington's Major Arcana shines with gold and silver leaf, exploring tarot themes through what Gabriel Weisz Carrington describes as a "surrealist object." This tantalizing discovery, made by the curator Tere Arcq and scholar Susan Aberth, has placed greater emphasis upon the role of the tarot in Carrington's creative life and has led to fresh research in this area. The Tarot of Leonora

Carrington is the first book dedicated to this important aspect of the artist's work. It includes a full-size facsimile of her newly discovered Major Arcana; an introduction from her son, Gabriel Weisz Carrington; and a richly illustrated essay from Tere Arcq and Susan Aberth that offers new insights--exploring the significance of tarot imagery within Carrington's wider work, her many inspirations and mysterious occult sources. Leonora Carrington (1917-2011) was born in Lancashire, England. In 1936, she saw Max Ernst's work at the International Surrealist Exhibition in London, and met the artist the following year. They became a couple almost

immediately. When the outbreak of World War II separated them, Carrington fled to Spain, then Lisbon, where she married Renato Leduc, a Mexican diplomat, and escaped to Mexico, where she became close with Remedios Varo and other expat Surrealists.
