A Fool's Hope Dresden Files

Set in a caged habitat, where supernatural beings have been trapped by humans, the dark fantasy Habitat series follows Lanore as she solves mysteries while struggling for equality in the face of prejudice among supernaturals. Since the 1970s humans have forced supernaturals to live in caged cities. Silver brands embedded in their foreheads identify them by species: a full moon for Vampires, a crescent moon for Shifters, a pair of wings for Fairies—each supernatural species has been tagged and categorized by humans. Lanore Vesta is marked with a silver X, the brand of Mixbreeds; shunned by society. She stays to herself, revealing her ability to create fire only during emergencies. All she wants to do is graduate college and stop having to steal to survive. But when she stumbles upon a murder in progress, she catches the attention of a supernatural killer. Now all she wants is to stop finding dead bodies in her apartment. Enlisting help from her Were-cheetah ex-boyfriend Meshack and a new mysterious friend named Zulu, she is steered through the habitat's raunchy nightlife. But their presence sometimes proves to be more burden than help as they fight for her attention. While the corpses pile up, and the scent of blood fills the air, Lanore is left wondering: will she find the psycho or die trying?

Summary of Skin Game (Dresden Files) Vintage

#1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band—and meeting the man who would become her husband—her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.
