Key Stage 3 English Anthology: Myths and Legends Ginn

This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again - worldwide. At tredition we believe that a great book never goes out of style. Several mostly non-profit literature projects provide content to tredition. To support their good work, tredition donates a portion of the proceeds from each sold copy. As a reader of a TREDITION CLASSICS book, you support our mission to save many of the amazing works of world literature from oblivion.

The Odyssey Biblio & Tannen Publishers

Inspire your teaching with Key Stage 3 English Anthology: Myths and Legends, a themed anthology for Year 7. Featuring myths such as The Odyssey and legends such as King Arthur, this Anthology guides students through fiction, non-fiction and poetry, encouraging them to connect with a variety of texts to gain a thorough understanding of the context and literary techniques underpinning each piece. Each extract is supported by Teaching and Learning Resources, including quizzes, lesson plans and PowerPoint slides to help you implement the content of the book. Each extract includes: - A context panel to provide key information to set the scene of each myth - Glossaries and annotations to help students work through each extract confidently - Look closer: key questions for students to consider as they work through the extracts - Now try this: writing and speaking activities to encourage students to get creative and actively engage with the text - Fast finisher tasks to support students who race ahead - A practice question to familiarise students with the command words they will see at GCSE

Odyssey, Book 9 Canelo

"Reviews, goal setting, what to teach, learning styles, how to teach, planning and record keeping, resource addresses"--Cover.

Books 1-12 Oxford University Press, USA

Since their composition almost 3,000 years ago the Homeric epics have lost none of their power to grip audiences and fire the imagination: with their stories of life and death, love and loss, war and peace they continue to speak to us at the deepest level about who we are across the span of generations. That being said, the world of Homer is in many ways distant from that in which we live today, with fundamental differences not only in language, social order, and religion, but in basic assumptions about the world and human nature. This volume offers a detailed yet accessible introduction to ancient Greek culture through the lens of Book One of the Odyssey, covering all of these aspects and more in a comprehensive Introduction designed to orient students in their studies of Greek literature and history. The full Greek text is included alongside a facing English translation which aims to reproduce as far as feasible the word order and sound play of the Greek original and is supplemented by a Glossary of Technical Terms and a full vocabulary keyed to the specific ways that words are used in Odyssey I. At the heart of the volume is a full-length line-by-line commentary, the first in English since the 1980s and updated to bring the latest scholarship to bear on the text: focusing on philological and linguistic issues, its close engagement with the original Greek yields insights that will be of use to scholars and advanced students as well as to those coming to the text for the first time.

Christian Home Educators' Curriculum Manual Oxford University Press

When an essay is due and dreaded exams loom, this book offers students what they need to succeed. It provides chapter-by-chapter analysis, explanations of key themes, motifs and symbols, a review quiz, and essay topics. It is suitable for late-night studying and paper writing.

Waiting for Odysseus Knopf

This volume explores innovative ways of expanding classical languages and cultures to educational and museum audiences. It shows that classical subjects have an important role to play within society and can enrich individuals' lives in many different, and perhaps surprising, ways. Chapters present projects covering literacy and engagement with reading, empowering students to understand and use new types of vocabulary, discovering the personal relevance of ancient history and the resonance of ancient material culture and stories. Contributors demonstrate that classical subjects can be taught cost-effectively and inclusively by non-specialist teachers and in non-traditional settings. In their various ways, they highlight the need to rethink the role of Classics in twenty-first-century classrooms and communities. Recommendations are made for further development, including ways to improve research, policy and practice in the field of Classics education. Expanding Classics presents an important series of case studies on classical learning, of interest to museum educators, teacher trainers, school leaders and curriculum designers, as well as those teaching in primary, secondary and further education settings in the UK and worldwide.

The Journal of Education Legare Street Press

A brilliant, exhilarating debut novel that retells The Odyssey during the 1965 Watts Riots—like

nothing you've ever read before It's August 1965 and Los Angeles is scorching. Americo Monk, a street-haunting aficionado of graffiti, is frantically trying to return home to the makeshift harbor community (assembled from old shipping containers) where he lives with his girlfriend, Karmann. But this is during the Watts Riots, and although his status as a chronicler of all things underground garners him free passage through the territories fiercely controlled by gangs, his trek is nevertheless diverted. Embarking on an exhilarating, dangerous, and at times paranormal journey, Monk crosses paths with a dizzying array of representatives from Los Angeles subcultures, including Chinese gangsters, graffiti bombers, witches, the Nation of Islam leader Elijah Muhammad, and others. Graffiti Palace is the story of a city transmogrified by the upsurge of its citizens, and Monk is our tour guide, cataloging and preserving the communities that, though surreptitious and unseen, nevertheless formed the backbone of 1960s Los Angeles. With an astounding generosity of imagery and imagination, Graffiti Palace heralds the birth of a major voice in fiction. A. G. Lombardo sees the writings on our walls, and with Graffiti Palace he has provided an allegorical paean to a city in revolt.

The Odyssey of Homer Tredition Classics

Fresh from his triumphs in the Trojan War, Odysseus, King of Ithaca, wants nothing more than to return home to his family. Instead, he offends the sea god, Poseidon, who dooms him to years of shipwreck and wandering. Battling man-eating monsters, violent storms, and the supernatural seductions of sirens and sorceresses, Odysseus will need all his strength and cunning--and a little help from Mount Olympus--to make his way home and seize his kingdom from the schemers who seek to wed his queen and usurp his throne. Award-winning graphic artist Gareth Hinds masterfully reinterprets a story of heroism, adventure, and high action that has been told and retold for more than 2,500 years--though never quite like this. With bold imagery and an ear tuned to the music of Homer's epic poem, Gareth Hinds reinterprets the ancient classic as it's never been told before.

Publishers' Uniform Trade List Directory SparkNotes

Historical fantasy full of "suspense, treachery, and bone-crunching action . . . will leave fans of the genre eagerly awaiting the rest of the series" (The Times Literary Supplement). It was a time of myth and mystery. A time when Gods walked among men. It was a time of heroes. Greece is a country in turmoil, divided by feuding kingdoms desiring wealth, power and revenge. When Eperitus, a young exiled soldier, comes to the aid of a group of warriors in battle, little does he know that it will be the start of an incredible adventure. For he is about to join the charismatic Odysseus, Prince of Ithaca, on a vital quest to save his homeland. Odysseus travels to Sparta to join the most famous heroes of the time in paying suit to the sensuous Helen. Armed with nothing but his wits and intelligence, he must enter a treacherous world of warfare and politics to compete for the greatest prize in Greece. But few care for the problems of an impoverished prince when war with Troy is beckoning. An epic saga set in one of the most dramatic periods of history, King of Ithaca is a voyage of discovery of one man's journey to become a King—and a legend. "A must read for those who enjoy good old epic battles, chilling death scenes and the extravagance of ancient Greece." —Lifestyle Magazine "The reader does not need to be classicist to enjoy this epic and stirring tale. It makes a great novel." —Historical Novels Review

The American Bookseller Skill Builders in Focus for SA

An exciting series that provides students with direct access to the ancient world by offering new translations of extracts from its key texts.

The Way of the Linguist Random House

Aprender un idioma es uno de los grandes retos a los que una persona se puede enfrentar a lo largo de su vida. El éxito depende de uno mismo, pero contar con un buen método, y conocer todo lo que realmente significa llevar a cabo ese sueño, puede marcar la diferencia entre lograrlo o no. Además, de nosotros depende que nuestros hijos puedan ser bilingües, y para ello es importante contar con unos conocimientos básicos. "¡Más idiomas, más vidas!" te da la información práctica, fruto de la experiencia de muchos políglotas y la mía personal, para que tú mismo elabores tu plan de trabajo con las mayores garantías, siempre con el imprescindible apoyo de la tecnología. La lectura de "¡Más idiomas, más vidas!" te resolverá muchas de las dudas que puedas tener respecto a lo que supone aprender una nueva lengua, y te aportará toda la motivación que necesitas para conseguirlo.

Teaching Passionately Punto Rojo Libros

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book The Way of The Linguist, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a

language learning system available online at: www.thelinguist.com.

Odyssey Atheneum Books for Young Readers

Four women. Four stories. One man's journey. Odysseus. His epic tale has been told countless times, but rarely is it heard through the voices of the women who loved and served him. Penelope, Circe, Athena, Euryclia: Theirs are the silent voices, the voices of longing, waiting, strength. They are the women who moved him and motivated him. And now they shed new light on his age-old journey.

Educational Times Hodder Education

#1 NEW YORK TIMES BEST SELLER • At last, a book that shows you how to build—design—a life you can thrive in, at any age or stage • “Life has questions. They have answers.” —The New York Times

Designers create worlds and solve problems using design thinking. Look around your office or home—at the tablet or smartphone you may be holding or the chair you are sitting in. Everything in our lives was designed by someone. And every design starts with a problem that a designer or team of designers seeks to solve. In this book, Bill Burnett and Dave Evans show us how design thinking can help us create a life that is both meaningful and fulfilling, regardless of who or where we are, what we do or have done for a living, or how young or old we are. The same design thinking responsible for amazing technology, products, and spaces can be used to design and build your career and your life, a life of fulfillment and joy, constantly creative and productive, one that always holds the possibility of surprise.
