100 Years Steiff Teddy Bears MacMillan Publishing Company

Named one of Cosmopolitan's Best Books of 2018 From the husband and wife writing duo Jennifer Miller and Jason Feifer comes Mr. Nice Guy, a funny and all too real comedy about the pursuit of success in life--and love--in today's working world. Lucas Callahan, a man who gave up his law degree, fiancée and small-town future for a shot at making it in the Big Apple. He snags an entry-level

job at Empire magazine, believing it's only a matter of time before he becomes a famous writer. And then late one night in a downtown bar he meets a gorgeous brunette who takes him home... Carmen Kelly wanted to be a hard-hitting journalist, only to find herself cast in the role of Empire's sex columnist thanks to the boys' club mentality of Manhattan magazines. Her latest piece is about an unfortunate—and unsatisfying—encounter with an awkward and nerdy guy, who was nice enough to look at but horribly inexperienced in bed. Lucas only discovers that he's slept with the infamous Carmen Kelly—that is, his own magazine's sex columnist!—when he reads her printed take-down. Humiliated and furious, he pens a rebuttal and signs

it, "Nice Guy." Empire publishes it, and the pair of columns go viral. Readers demand more. So the magazine makes an arrangement: Each week, Carmen and Lucas will sleep together... and write dueling accounts of their sexual exploits. It's the most provocative sexual relationship any couple has had, but the columnist-lovers are soon engaging in more than a war of words: They become seduced by the city's rich and powerful, tempted by fame, and more attracted to each other than they're willing to admit. In the end, they will have to choose between ambition, love, and the consequences of total honesty. "The Devil Wears Prada meets Sex and the City—a page-turner that's part sex diary, part coming-of-age story." —Carolyn Kylstra, editor in chief, SELF "I COULD

NOT PUT THIS BOOK DOWN!!! It totally messed up my week, it messed up my deadlines, but I absolutely loved it.”

—Kevin Kwan, author of *Crazy Rich Asians*

Button in Ear Hobby House PressInc

One of the world’s foremost teddy bear experts delves into the history of the famous brand that inspired Winnie-the-Pooh. The family firm of J. K. Farnell & Co. Ltd. occupies a position of unparalleled importance in British soft toy history, firstly because it was the very first British toy company to manufacture teddy bears, and also because it created the actual bear that inspired A. A. Milne to write the Winnie-the-Pooh stories. Yet impressive as those facts undoubtedly are, they comprise just a small fraction of the fascinating

Farnell story. Founded in the nineteenth century, for decades J. K. Farnell & Co. Ltd. was the most respected and influential soft toy manufacturer in Britain. Thanks to the superior quality of its products, the company experienced enormous commercial success at national and international levels—even in Germany, home to its biggest rival. Surviving economic depression, devastating fire, the ravages of World War II, and other traumatic events, the company kept going until fundamental changes in the British toy market forced its closure in 1970. Since then, the Farnell name has been forgotten by all but a dedicated band of teddy bear enthusiasts and the true story of this pioneering British firm has fallen into obscurity. Now, thanks to Kathy Martin’s

intensive research, the facts about J. K. Farnell & Co. Ltd. and its fabulous teddy bears are revealed in this informative and entertaining book.

2nd Collector Steiff Values Mitchell Beazley

A deep dive into the history of the much-loved plush bear brand from one of the

world's foremost teddy bear experts. Merrythought was one of Britain's longest running British-made teddy bear firms with a dedicated international following for their quality, highly collectable bears whose life-size models used to dominate stores such as Harrods and Hamleys. This book—with its quality color illustrations and use of original sales material—will appeal to teddy bear collectors as well as dedicated Merrythought fans and is full of tips on collecting the popular toys. Written by leading teddy bear expert, Kathy Martin, editor of *Teddy Bear Scene* and a regular on programs such as QVC as well as a consultant to firms producing collectable bears, this is a must for collectors, dealers, and those who loved their own Merrythought teddy bears when young.

After a short-term closure, Merrythought was revived and will delight future generations. Its closure made headlines news, showing the enduring popularity of the quality bears. "This must-read book will appeal to Merrythought and teddy bear collectors and dealers, those who loved their childhood teddies and indeed anyone interested in the history of the great British toy company."
