The idea of
"The Green
Book" is to
give the
Motorist and
Tourist a
Guide not only
of the Hotels
and Tourist
Homes in all
of the large
cities, but
other
classifications
that will be
found useful
wherever he
may be. Also
facts and
information
that the Negro
Motorist can
use and
depend upon.
There are
thousands of
places that
the public
doesn't know
about and
aren't listed.

Perhaps you
know of
some? If so
send in their
names and
addresses and
the kind of
business, so
that we might
pass it along
to the rest of
your fellow
Motorists. You
will find it
handy on your
travels,
whether at
home or in
some other
state, and is
up to date.
Each year we
are compiling
new lists as
some of these
places move,
or go out of
business and
new business
places are
started giving
added

employment
to members of
our race.

Think you
know the Big
Apple? Think
again! Did you

know that 25 species of shark swim off NYC's coastline? Or that astronauts can see the lights of Times Square from space? And get this: In New York, Sesame Street is a real place AND there's a library where you can visit the actual stuffed animals that inspired the characters in Winnie the Pooh! Explore 300 wacky facts and pictures from the five boroughs. You'll get a look at the

city's storied past, learn about weird stuff in New York today, and even meet a couple of goats that held up traffic on the subway. The city that never sleeps truly has something for everyone-- from giant pillow fights to epic Broadway musicals to pizza-loving rats. Whether you're an NYC native, an adventure-loving tourist, an armchair traveler, or a trivia buff, this fact-packed, fun-filled book is for you! Complete your

Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence

generations of fiction writing. *Weird But True! 3* National Geographic Books Did you hear the one about the crook who broke into a vending machine and then left a trail of cheese curls all the way to his hideout? Or the burglar who left his wallet in an apartment he robbed, and actually went back to get it? Based on the Stupid criminals busted! column in National Geographic

kids magazine, this collection of stories about stupid criminals and the ridiculous ways they give themselves away is illustrated with collage art and sprinkled with more than 150 weird-but-true facts about crime.

Somewhere out beyond the edge of the universe there is a library that contains an

infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In *The*

Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling	in life, and what makes it worth living in the first place. <u>Book Lovers</u> National Geographic Books "Funny facts and information about Halloween, for kids"-- <u>Sports</u> National Geographic Books A CLASSIC COMING-OF-AGE STORY WHICH HAS HELD GENERATIONS OF READERS SPELLBOUND Rusty, a sixteen-year-old Anglo-Indian boy, is orphaned, and has to live	with his English guardian in the claustrophobic European part in Dehra Dun.
