Life Is A Game tracks the fascinating life and successful career of legendary game developer Mev Dinc. The story begins in a mountainous Black Sea village; his father left him

and his mother when Mev was only six months old, and with no home and thrown into poverty, they were left to survive the harsh winters alone. By the time he'd arrived in the UK in 1979, he had an English wife but couldn't speak a word of English. He then bought a ZX Spectrum in 1983 without any desire to use it. But through his resilience and ingrained will to overcome any obstacles, he learned to speak English, and taught himself programming and game development - all in two

years! The rest, as they say, is history! This incredible story shows how Mev Dinc came from these humble beginnings and ended up becoming an award-winning developer, a member of BAFTA and the founding father of the Turkish Gaming Sector. This intriguing rags-to-riches tale will inspire as much as it entertains. "Mev is a legend!" - Jon Dean. "A fantastic career" - Steve Merrett "I'm proud of Mev's achievements" - Jon Hare. "I both admire and hold Mev as a dear

friend." - Charles Cecil "A true Turkish Gaming Legend" - Ulas Karademir

 A comedic romp through one man's life in the Loire Valley, France  
 Comedian, mod, and professional grump  
 Ian Moore has had enough. Tired of being unable to park anywhere near his cramped house in a noisy town he doesn't like, he hatches a plan to move his wife and young son to a remote corner of

the Loire Valley in search of serenity and space. Several years later, Ian finds himself up to his neck in bilingual offspring, feral cats, promiscuous horses, dysfunctional spaniels, and needy hens; he's wrestling with electric fences, a foreign language, a mountain of animal waste, and a wife who collects livestock like there's a biblical flood on the horizon, all while trying not to dirty his loafers. But despite the ups, downs, and increasing demands of Ian's showbiz career, the

Moore family persevere to create a unique, colorful, and ultimately rewarding life in their new home—à la campagne and à la mod!

Winner of the 2018 New Academy Prize in Literature In this collection of autobiographical essays, Maryse Condé vividly evokes the relationships and events that gave her childhood meaning: discovering her parents' feelings of alienation; her first crush; a falling out

with her best friend; the death of her beloved grandmother; her first encounter with racism. These gemlike vignettes capture the spirit of Condé's fiction: haunting, powerful, poignant, and leavened with a streak of humor.

He must choose to save himself, or save the world... Dr. Michael Jones, director of the old races refugee camp in Spain, is pressured to return to

England for his own good. Life in Toledo, with Magorian, the first and only wizard of this century, and the old races who live in an uneasy truce with humans, is not good for him. Besides, the siren Aurelius has clearly abandoned his quest to summon the old gods to avenge himself upon the human race. When Magorian translates the invocation to summon Agrona, goddess of death and carnage, found on a fifth century Celtic shield, Jones realizes Aurelius hasn't given up his quest

at all. Aurelius is looking for the Triumph of Felix—one of the keys needed to summon Agrona, and is weeks ahead of them. The race to find the Triumph and keep it out of Aurelius' hands begins... The Triumph of Felix is part of the urban fantasy series, Magorian & Jones, by Taylen Carver. 1.0: The Memory of Water 2.0: The Triumph of Felix 3.0: The Shield of Agrona 4.0: The Rivers Ran Red 5.0: The Divine and Deadly ...and more to come. Urban Fantasy Novel \_\_\_\_

Canadian author Taylen Carver writes edgy urban fantasy, doesn't pull punches, and would rather be writing unless otherwise notified. When not writing, Taylen can usually be found inside speculative fiction of other authors. Favourites include Jim Butcher, Lev Grossman, Kevin Hearne, Benedict Jacka, and Shayne Silvers.
