international community in recent decades, and maps out new approaches to monitoring and shaping the changes that are taking place. It highlights, in particular, the interrelated challenges of cultural diversity and intercultural dialogue and the way in which strong homogenizing forces are matched by persistent diversifying trends. The report proposes a series of ten policy-oriented

recommendations, to the attention of States, intergovernmental and non-governmental organizations, international and regional bodies, national institutions and the private sector on how to invest in cultural diversity. Emphasizing the importance of cultural diversity in different areas (languages, education, communication and new media development, and creativity

and the marketplace) based on data and examples collected from around the world, the report is also intended for the general public. It proposes a coherent vision of cultural diversity and clarifies how, far from being a threat, it can become beneficial to the action of the international community. **My Mother's Loves** Manic D Press Sixteen-year-old Anna should not have been

Bali, Java, in My Dreams Routledge Private Peaceful relives the life of Private Tommo Peaceful, a young First World War soldier awaiting the firing squad at dawn. Winner of the Blue Peter Book of the Year, Private Peaceful is by the third Children's Laureate, Michael Morpurgo, award-winning author of War Horse.  The kids at school call her rag girl because she hides under layers of oversized clothing, but she calls herself Ophelia. She hardly speaks to anyone — until one day a visiting

author comes to give a talk in the school library. The writer speaks about what it means to create art, and at the end of her talk, she thanks Ophelia for asking the first question by giving her a blue notebook with her address on it. Ophelia starts to write to the author in the notebook — letters that become a kind of lifeline. The idea that someone, somewhere, might care, is enough for her to keep

writing, an escape from her real life. By day she goes to school and works at the dollar store before returning home to her mother, a former addict who once had to put her daughter in care. At night she creates graffiti around town, leaving little broken hearts as her tag. One night she finds an abandoned building that she decides to use as her workshop, where she can make larger-than-life art. When she

finds that a classmate, an overweight boy named Ulysses, is also using the space to repair an old van, the two form an uneasy truce, with a chalk line drawn down the middle to mark their separate territories. As time passes, Ophelia and Ulysses forge a fraught but growing friendship, but their cocooned existence cannot last forever. One night, intruders invade their

sanctuary, and their shared bond and individual strength are sorely tested. The true-life adventure of a Western woman who found happiness in Bali, then stayed on in Indonesia to help in the struggle for freedom. The great-granddaughter of a witch from the Isle of Man, the adopted daughter of a Balinese rajah, hostess of one of the most glamorous

hotels in the Far East, a prisoner of the Japanese for two horror-packed years and, as Surabaya Sue, an ardent supporter of the Indonesian revolution, K'tut Tantri is well acquainted with the unexpected. Adventure and courage run strong in her blood. It was in a Hollywood movie theater that she first discovered Bali and knew it for the place where she belonged. She had hoped to live and paint there quietly

among the island's simple people, but destiny, in the form of a stalled car and a delightful young prince, took a hand and revised her plans. She was formally adopted by the prince's father, and...though she came to know the peasants of the Balinese kampongs, she knew also, and intimately, the life of a Balinese palace with all its ritual and tradition. This world lasted for only a few years. With

war come the Japanese, presumably as deliverers overthrowing Dutch rule but in reality as tyrants. K'tut Tantri stayed on to join the underground movement agitating for Indonesian independence, and was eventually captured, imprisoned, tortured. Then with the end of hostilities she chose once again to ally herself with the Indonesians—t his time in their resistance against the British and the

returning Dutch. A friend of the leaders around Sukarno, she was instrumental in getting the Indonesian story to the outside world, and on several occasions she lent herself to enterprises requiring the combined talents of Mata Hari and T E. Lawrence. K'tut Tantri has an observant eye, an understanding knowledge, and she writes with spirit. Her story is a deeply moving personal

drama and a vivid commentary on a period of crucial change in an ancient, romantic country.

comes a picture book about a magical drum, an emerald forest, and the little frog who dares to make her own music. The biggest mistake Pokko's parents ever made was giving her the drum. When

Pokko takes the drum deep into the forest it is so quiet, so very quiet that Pokko decides to play. And before she knows it she is joined by a band of animals —first the raccoon, then the rabbit, then the wolf—and

soon the entire forest is following her. Will Pokko hear her father's voice when he calls her home? Pokko and the Drum is a story about art, persistence, and a family of frogs living in a mushroom.
