Daring and the Duke Hachette UK

Captain Maximus Harcourt, the unconventional tenth Duke of Alderidge, can deal with tropical storms, raging seas, and the fiercest of pirates. But he's returned home from his latest voyage to find a naked earl - quite inconveniently deceased - tied to his missing sister's bed. And he has only one place to turn. Now he's at the mercy of the captivating Miss Ivory Moore of Chegarre & Associates, known throughout London for smoothing over the most dire of scandals. Miss Moore treats the crisis as though it were no more serious than a cup of spilt tea on an expensive rug. As though this sort of thing happened on the job every day. Max has never in all his life met a woman with such nerve. Her dark eyes are too wide, her mouth is too full, her cheekbones too sharp. Yet together, she's somehow...flawless. It's just like his love for her, imperfect, unexpected - yet absolutely true.

**The Duke of Hearts** Entangled: Amara

It was only supposed to be one night. Calliope Murphy was determined to prove to her family that she was as capable as the rest of them. That she could master a priceless painting to steal from a duke who is far too arrogant and pompous for his own

good. But when Calli is discovered and mistaken for the new governess, one night of deceit becomes a much longer game -- one that Calli is not sure she can win. Jonathan Saville, the Duke of Hargreave, should be able to attain anything he desires. His fortune is as large as his entailed lands, and his title is enough to cause young women to overlook his surliness and vie for the role of his bride. But Jonathan learned long ago never to trust, and never to let anyone in too close -- most especially not his overeager niece and nephew, nor the far-too-tempting new governess. Posing as the governess to the Duke of Hargreave, Calli relishes the opportunity to spend as much time as she can with the painting she must perfect. But the more time she takes, the closer she becomes to the children -- and the duke himself, as she discovers that there is more to him than he allows most people to see. As they draw closer, she realizes she can never betray him. Betraying him, however, is the only option her brother allows her to choose. When the deception is complete, Calli isn't sure what all will be stolen -- the painting, the duke's trust, or, most at risk, her heart. For readers 18+ due to some steamy scenes.
