CASSIDY LONDON

The War and the Fox University of Oklahoma Press

NATIONAL BESTSELLER • The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. FINALIST FOR THE EDGAR® AWARD • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR • “Fox unspools Jones and Hill’s delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine.”—The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for “the Great War,” Jones, the Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her “nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality” (Kathryn Schulz, New York) to this tale of psychological strategy that is rife with cunning, danger, and moments of high farce that rival anything in *Catch-22*.

Gray Fox: Robert E. Lee and the Civil War Bridgeworks

Here is Aunt Carrie's fascinating account of a nine-year battle in hearing rooms, the news media, and sometimes even the streets, to stop Black Fox's construction. Before it was over, this war would cost her and her husband Robert their entire savings, their nursing home, and almost the family farm. When the money ran out, she took up quilting to raise more.

A Defence of the war against France. [Ironical. By W. Fox.] Copper Canyon Press

From the bestselling author of *Charlie and the Chocolate Factory* and *The BFG!* Someone's been stealing from the three meanest farmers around, and they know the identity of the thief--it's Fantastic Mr. Fox! Working alone they could never catch him, but now Boggis, Bunce, and Bean have joined forces, and they've concocted a cunning plan to dig him out of his hole once and for all. What they don't know is they're not dealing with just any fox. Mr. Fox would rather die than surrender, and he just happens to have a fantastic plan of his own . . . This special edition of Roald Dahl's beloved story has a beautiful full-color interior and large trim to feature Quentin Blake's iconic art.

The Swamp Fox of the Revolution 24 Carat Words

The American Revolution of 1817 has begun, and Kip Penfold's talents as a fire sorcerer make him a valuable weapon. He and his friends are swept into the conflict, taking the side of the rebels because they hope to win a better life in the new country. But an old enemy of Kip's pursues him through the war, taking greater and greater steps to capture his power. It takes all the fox's cunning to stay one step ahead—and then the rebellion betrays the Calatian people. Now Kip must decide which war he wants to win.

Prince of Foxes London : Methuen

One of the greatest characters of medieval literature, the trickster Reynard the Fox, comes to life in this rollicking new translation. What do a weak lion king, a grief-stricken rooster, a dim-witted bear, and one really angry wolf have in common? The answer is they've all been had by one sly fox named Reynard. Originally bursting forth from Europe in the twelfth century, Reynard the Fox—a classic trickster narrative centered on a wily and gleefully amoral fox and his numerous victims in the animal kingdom—anticipated both *Tex Avery* and *The Prince* by showing that it's better to be clever than virtuous. However, where *The Prince* taught kings how to manipulate their subjects, Reynard the Fox demonstrated how, in a world of ruthless competition, clever subjects could outwit both their rulers and enemies alike. In these riotous pages, Reynard lies, cheats, or eats anyone and anything that he crosses paths with, conning the likes of Tybert the Cat, Bruin the Bear, and Bellin the Ram, among others. Reynard's rapacious nature and constant "stealing and roving" eventually bring him into conflict with the court of the less-than-perceptive Noble the Lion and the brutal Isengrim the Wolf, pitting cunning trickery against brute force. Unlike the animal fables of Aesop, which use small narratives to teach schoolboy morality, Reynard the Fox employs a dark and outrageous sense of

humor to puncture the hypocritical authority figures of the “civilized” order, as the rhetorically brilliant fox outwits all comers by manipulating their bottomless greed. As James Simpson, one of the world’s leading scholars of medieval literature, notes in his introduction, with translations in every major European language and twenty-three separate editions between 1481 and 1700 in England alone, the Reynard tales were ubiquitous. However, despite its immense popularity at the time, this brains-over-brawn parable largely disappeared. Now, for the first time in over a century, the fifteenth-century version of Reynard the Fox reemerges in this rollicking translation. Readers both young and old will be delighted by Reynard’s exploits, as he excels at stitching up the vain, pompous, and crooked and escapes punishment no matter how tight the noose. Highlighted by new illustrations by Edith E. Newman, Simpson’s translation of the late Middle English Caxton edition restores this classic as a part of a vital tradition that extends all the way to Br’er Rabbit, Bugs Bunny, and even Itchy & Scratchy. As Stephen Greenblatt writes in his foreword, Reynard is the “animal fable’s version of Homer’s Odysseus, the man of many wiles,” proving that in a dog-eat-dog world the fox reigns supreme.

The Last Stand of Fox Company Open Road + Grove/Atlantic

This collection about obsession and love is the 99th volume of the Yale Series of Younger Poets Richard Siken’s *Crush*, selected as the 2004 winner of the Yale Younger Poets prize, is a powerful collection of poems driven by obsession and love. Siken writes with ferocity, and his reader hurtles unstoppably with him. His poetry is confessional, gay, savage, and charged with violent eroticism. In the world of American poetry, Siken’s voice is striking.

The Foxes of Belair Graywolf Press

Few people know that Ypres, centre of First World War remembrance, was once home to a thriving British community that played a heroic role in the Second World War. This expatriate outpost grew around the British ex-servicemen who cared for the war memorials and cemeteries of ‘Flanders Fields’. Many married local women and their children grew up multi-lingual, but attended their own school and were intensely proud to be British. When Germany invaded in 1940 the community was threatened: some children managed to escape, others were not so lucky. But, armed with their linguistic skills and local knowledge, pupils of the British Memorial School were uniquely prepared to fight Hitler in occupied territory and from Britain. Still in their teens, some risked capture, torture and death in intelligence and resistance operations in the field. An exceptional patriotism spurred them on to feats of bravery in this new conflict. Whilst their peers at home were being evacuated to the English countryside, these children were directly exposed to danger in one of the major theatres of war. James Fox was a pupil at the British Memorial School in 1940 and he has made it his mission to trace his former school friends. *The Children Who Fought Hitler* is their story: a war story about people from an unusual community, told from a fresh and human perspective.

Representative British Orations: William Pitt. Charles James Fox. Sir James Mackintosh. Lord Erskine Council Oak Books

An account of the Revolution by a Massachusetts native who joined the militia at sixteen as a substitute.

JOURNAL BESTSELLER · USA TODAY BESTSELLER “The Boy, the Mole, the Fox and the Horse is not

only a thought-provoking, discussion-worthy story, the book itself is an object of art.”- Elizabeth

Egan, The New York Times From British illustrator, artist, and author Charlie Mackesy comes a

journey for all ages that explores life’s universal lessons, featuring 100 color and black-and-white

drawings. “What do you want to be when you grow up?” asked the mole. “Kind,” said the boy.

Charlie Mackesy offers inspiration and hope in uncertain times in this beautiful book, following the

tale of a curious boy, a greedy mole, a wary fox and a wise horse who find themselves together in

sometimes difficult terrain, sharing their greatest fears and biggest discoveries about vulnerability,

kindness, hope, friendship and love. The shared adventures and important conversations between

the four friends are full of life lessons that have connected with readers of all ages.

The Game of the Foxes Yale Younger Poets

The second enthralling installment in the highly praised *Conclave of Shadows* series—an epic saga of adventure, danger, magic, and intrigue from the New York Times bestselling master *Rescued*, recruited, and trained by the mysterious *Conclave of Shadows*, Tal Hawkins, hero of *Talon of the Silver Hawk* has become one of their most effective operatives. But to destroy the nemesis who annihilated his people, the evil Duke of Olasko, Tal must sell his soul. Masquerading as a noble from the far western territory of the Kingdom of the Isles, he must insinuate himself into the duke’s confidence and carry out his most heinous and dangerous commands—even though it means betraying his own moral code. Driven to the brink, Tal eventually defies the duke—and is imprisoned and left to die in the *Fortress of Despair*. But the determined young man will not be beaten. Alone, armed only with his courage and wits, Tal makes a daring escape. Returning to Olasko, he will finally bring revenge on his hated enemy.

Civil War Routledge

A magnificent new translation of the enduring epic about the sundering of the Roman Republic.

Lucan lived from 39-65 AD at a time of great turbulence in Rome. His *Civil War* portrays two of the

most colorful and powerful figures of the age—Julius Caesar and Pompey the Great, enemies in a

vicious struggle for power that severed bloodlines and began the transformation of Roman

civilization. With Right locked in combat with Might, law and order broke down and the anarchic

violence that resulted left its mark on the Roman people forever, paving the way for the imperial

monarchy. Accessible and modern yet loyal to the rhetorical brilliance of the original, this will be the

definitive *Civil War* of our times. For more than seventy years, Penguin has been the leading

publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin

Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

King of Foxes Princeton University Press

Set in Renaissance Italy, this classic of American popular fiction is the story of Andrea Orsini, a peasant boy who rises to perform delicate political, military and romantic missions for Cesare Borgia. When first published in mid-20th century, Orson Welles was cast as Borgia in the film version. Tyrone Power as Orsini.

The Wild Fox of Yemen W. W. Norton & Company

Nobody outfoxes Fantastic Mr. Fox! Someone's been stealing from the three meanest farmers around, and they know the identity of the thief—it's Fantastic Mr. Fox! Working alone they could never catch him; but now fat Boggis, squat Bunce, and skinny Bean have joined forces, and they have Mr. Fox and his family surrounded. What they don't know is that they're not dealing with just any fox—Mr. Fox would rather die than surrender. Only the most fantastic plan can save him now.

The Adventures of Ebenezer Fox, in the Revolutionary War Dundurn

This is the saga of the Fox (or Mesquakie) Indians' struggle to maintain their identity in the face of colonial New France during the late seventeenth and early eighteenth centuries. The Foxes occupied central Wisconsin, where for a long time they had warred with the Sioux and, more recently, had opposed the extension of the French firearm-and-fur trade with their western enemies. Caught

between the Sioux anvil and the French hammer, the Foxes enlisted other tribes' support and maintained their independence until the late 1720s. Then the French treacherously offered them peace before launching a campaign of annihilation against them. The Foxes resisted valiantly, but finally were overwhelmed and took sanctuary among the Sac Indians, with whom they are closely associated to this day.

The Foxes of Harrow University Press of Kentucky

A VOGUE and Secular Times Best Book of 2022 So Far A NYLON, Chicago Review of Books, and Kirkus Best Book of the Month A Debutiful Best Debut Book of 2022 So Far “Unflinching, yet achingly humorous. . . . proving we can become the gods and goddesses this world truly needs.” —Paul Beatty An arresting coming of age, an exploration of gender, a modern folktale, a powerful portrait of a family—Katya Kazbek breaks out as a new voice to watch. When Mitya was two years old, he swallowed his grandmother’s sewing needle. For his family, it marks the beginning of the end, the promise of certain death. For Mitya, it is a small, metal treasure that guides him from within. As he grows, his life mirrors the uncertain future of his country, which is attempting to rebuild itself after the collapse of the Soviet Union, torn between its past and the promise of modern freedom. Mitya finds himself facing a different sort of ambiguity: is he a boy, as everyone keeps telling him, or is he not quite a boy, as he often feels? After suffering horrific abuse from his cousin Vovka who has returned broken from war, Mitya embarks on a journey across underground Moscow to find something better, a place to belong. His experiences are interlaced with a retelling of a foundational Russian fairytale, Koschei the Deathless, offering an element of fantasy to the brutal realities of Mitya’s everyday life. Told with deep empathy, humor, and a bit of surreality, *Little Foxes Took Up Matches* is a revelation about the life of one community in a country of turmoil and upheaval, glimpsed through the eyes of a precocious and empathetic child, whose heart and mind understand that there are often more than two choices. An arresting coming of age, an exploration of gender, a modern folktale, a comedy about family, Katya Kazbek breaks out as a new voice to watch.
