PALMER WILLIAMSON		The collection Croatian Tales of Long Ago is considered to be a masterpiece and features a series of newly written fairy tales heavily inspired by motifs taken from ancient Slavic mythology of pre-Christian Croatia. Croatian Tales of Long Ago are seen as one of the most typical examples of the writing style of Ivana Brlić-Mažuranić. The book has been compared by literary critics to Hans Christian Andersen and J. R. R. Tolkien due to the way it combines original fantasy plots with folk mythology.

This book describes how to change the way in which educators conduct business in the classroom. Our current educational systems lack ways to reach today's learners in relevant, meaningful ways. The five approaches in this book inspire and motivate students to learn. The authors provide in-depth descriptions into these overlapping approaches for experiential learning: active learning, problem-based learning, project-based learning, service learning, and place-based education. Each of these five approaches includes an element of student involvement and attempts to engage students in solving problems. The chapters are presented in a consistent, easy-to-read format that provides descriptions, history, research, ways to use the approach, and resources. This book will help educators transform their classrooms into dynamic learning environments.		Students Will Learn About The Fiercest Predator In The Ocean. The novel Ruta Tannenbaum is by prolific, award-winning Croatian author Miljenko Jergović. First published in 2006, the story illuminates life and society in Yugoslavia between the world wars. The title character was inspired by real-life figure Lea Deutsch, the now-forgotten Shirley Temple of Yugoslavia, who was murdered in the Holocaust. Using their shared Jewish heritage as a starting point, Jergovic constructs a fictional family history populated by historical figures with the precocious Ruta at the center. Stephen Dickey's translation masterfully captures Jergovic's colloquial yet deeply observed style, which animates the tangled and troubled history of persecution and war in Croatia.		NEW YORK TIMES BESTSELLER • Jude Deveraux, the bestselling author of unforgettable romance, returns with a breathtaking first book in a fantastic series—the Nantucket Brides trilogy. Set on the magical Massachusetts island, True Love introduces characters from a new generation of Montgomery-Taggerts, the beloved family from Deveraux's classic novels. Just as Alix Madsen is finishing up architectural school, Adelaide Kingsley dies and wills her, for one year, the use of a charming nineteenth-century Nantucket house. The elderly woman's relationship to the Madsen family is a mystery to the spirited Alix—fresh from a romantic breakup—but for reasons of her own Alix accepts the quirky bequest, in part because it gives her time to plan her best friend's storybook wedding. But unseen forces move behind the scenes, creaking Kingsley House's ancient floorboards. It seems that Adelaide Kingsley had a rather specific task for Alix: to solve the strange disappearance of one of the Kingsley women, Valentina, more than two hundred years ago. If that wasn't troubling enough, Alix must deal with the arrogant (and extremely good-looking) architect Jared Montgomery, who is living in the property's guesthouse. Unbeknown to Alix, Jared has been charged with looking after her while she lives on the island—an easy task for him, considering the undeniable chemistry between the two. But Jared harbors secrets of his own, which, if revealed, may drive a wedge between the pair. With a glorious Nantucket wedding on the horizon, sparks fly, and the ghosts of the past begin to reveal themselves—some of them literally. Finding their lives inextricably entwined with the turbulent fortunes of their ancestors, Alix and Jared discover that only by righting the wrongs of the past can they hope to be together.
