TOBY BROOKLYN

*How to Shit in the
Woods, 3rd Edition* MIT
Press

It's the feisty third edition of How to Shit in the Woods, jam-packed with new information for outdoor enthusiasts of every stripe. Hailed in its first edition as "the most

important environmental book of the decade” by Books of the Southwest, and in its second as “the real shit” by the late, great, outdoor photographer Galen Rowell, this bestselling guide is often called the “backpacker’s bible” and has sold more than 2.5 million copies in eight languages. Author Kathleen Meyer continues to pioneer the way with her inimitable voice—at once humorous, irreverent, and direct—examining the latest techniques for graceful backcountry elimination, and answering a desperate cry from nature concerning environmental precautions in our ever-shrinking wilds. World changes come

fast and furious, and in the backcountry it is no different. The practice of “packing-it-out,” adopted to protect high use areas and fragile eco-systems, is here to stay. We are now often urged to haul our poop home. Or with increasing frequency, the whole business is mandatory. To assist with all this responsible human waste disposal, Meyer’s new edition features the latest in product innovations, from classy high-tech to inexpensive do-it-yourself. She covers the most current solutions to the health risks of drinking straight from wilderness waterways; presents a raft of natural substitutes for the purist swearing off toilet tissue; and offers a wealth of new recommendations for

ladies who must make do without a loo. This down-to-earth guide has been employed as a training aid for scout troops, outdoor schools, and wilderness programs for inner-city youth; for rangers with the U.S. Forest Service, National Park Service, and Bureau of Land Management; as well as for whitewater rafting guides, backcountry outfitters, and members of the military. In rowing hundreds of urbanites down whitewater rivers, Meyer honed her squatting skills and found she “wasn’t alone in the klutz department.” Her delightfully shameless discussion of a once-shameful activity, her erudite examination of its associated vocabulary, and her

unapologetic promotion of its colorful vernacular make *How to Shit in the Woods* essential and vastly entertaining reading for anyone who’s ever paused at the edge of the forest and pondered: “Where do I go to go?” [How to Shit in the Woods](#) Lulu.com
In a few short pages, you will learn how to use shit correctly in all social situations; how to introduce shit to toddlers and school kids; how to build shit into your everyday speech; how to include shit in all forms of writing, including business letters; how to measure shit; and how to make shit work for you and the entire family. More shit than you ever could fit in your brain. [History of Shit](#)

Chronicle Books LLC
THIS IS A VERY FUNNY
AND ENTERTAINING,
YET INFORMATIVE AND
EDUCATIONAL BOOK
ON A SERIOUS
SUBJECT. The book
discusses the often
ignored subject of how
to do your duty when
you are far away from
civilization and there is
no toilet around. It
carefully explains (in a
step-by-step manner)
WHAT to do if you find
yourself in such a
situation, and HOW to
do it properly and
safely. And the book
addresses the subject
as it affects both men
and women. This book
is practical, direct, and
to the point. It is not
unnecessarily wordy.
This is quite possibly
the best practical book
on this subject matter
(how to dunk in the
woods). This book is a
great asset for

backpackers, hikers,
hunters, people who
enjoy trail riding,
trekking, camping, etc.
But overall, it is a very
funny and informative
book, recommended
for everyone, including
all outdoor enthusiasts,
and anyone
considering spending
time outdoors away
from civilization and
toilets, including casual
campers, day trippers,
and adventurers. This
book also makes a
great gag gift, a
wonderful novelty gift
for your adult friends,
colleagues and family
members. They'll laugh
so hard, like you've
never seen them laugh
before. You'll hear
them laughing and
snickering over and
over and over. The
book is also a great
coffee table book and
an instant conversation
starter. One thing,

though, you'll find it pretty difficult to keep up with the number of people who'll want to borrow this book from you as soon as they see the book. That's what happens the moment people set their eyes on this book. BUY THIS BOOK NOW AND GET YOU AND YOUR FOLKS LAUGHING LIKE CRAZY!

How to Shit in the Woods, 3rd Edition

Independently

Published

Poop is a normal kid, with normal problems— you know, parents, homework, bullies. He used to have a normal name, too. But then he moved to a new school, and everything went down the toilet. That's the bad news. The good news: Turns out some names are special. Some names come

with powers. Turns out those bullies really stepped in it.

SOMETIMES BEING A KID CAN REALLY STINK.

Will Poupé becomes the new target of bullies at his middle school. All day long, they call him Poop. However, when Icky the Janitor reveals himself to be a wizard in disguise, Will learns that there are Names of Power – if you are given one of these names, you gain certain abilities. Poop is one of those names. He now has powers that he could use to get back at the bullies! But power – even poop power – is exactly what can turn someone into a bully. With some help from his friends, Will must find a way to use his fantastic farting magic for good.

In this book the traveler is inspired to be adventurous when dealing with foreign toilets and to understand the cultural lessons learned from using a foreign bathroom.

Have a Great Shit
Chronicle Books
The Great Big Poop Party is writer Samantha Berger and illustrator Manny Galán's hilarious picture book about a little boy who wants a special theme for his birthday party—and the poop-centric silliness that ensues. Julian's birthday is fast approaching. For his party, his parents promise he can have any theme he wants. Maybe superheroes or skateboards? Dinosaurs or dogs? But

Julian has another idea. He wants a poop party. With his family's help, Julian throws the biggest, brownest, most creative poop party ever!

It Hurts when I Poop! Summersdale
"Know Your Shit" is a complete course in Shittology to make you the shitspert you've always wanted to become! If you prefer "poopfessional" or "ashitcionado", we don't discriminate. Everything you've ever wanted to know about the word and how to use it is here. From fun stories about Lenny Bruce, George Carlin, 2 Live Crew and my life, to academic research on swearing, and "shit" in general, to a complex history of phrase and expression origin stories, "Know Your Shit" has you

covered. It also explains every possible use of "shit", with detailed examples. No bathroom is complete until this shit is in it.

Shit Trafford Publishing

(Sesame Street) by Naomi Kleinberg, Potty by Leslie Patricelli, The Potty Train by David Hochman and Ruth Kennison.

How to Shit Money!
Travelers' Tales

Is 'shit' the most versatile word in the English language? Quite possibly! This little book presents some of the best uses of our favourite expletive. From doctors (Take two shits and call me in the morning) to waiters (You want fries with that shit?), and whether you're a Darwinist (It's survival of the shittest) or a Catholic (If shit happens, we deserve it), there's enough shit for everyone!

How to shit in the woods Little, Brown

"A brilliant account of the politics of shit. It will leave you speechless." Written in Paris after the heady days of student revolt in May 1968 and before the devastation of the AIDS epidemic, History of Shit is emblematic of a wild

and adventurous strain of 1970s' theoretical writing that attempted to marry theory, politics, sexuality, pleasure, experimentation, and humor. Radically redefining dialectical thought and post-Marxist politics, it takes an important—and irreverent—position alongside the works of such postmodern thinkers as Foucault, Deleuze, Guattari, and Lyotard. Laporte's eccentric style and ironic sensibility combine in an inquiry that is provocative, humorous, and intellectually exhilarating. Debunking all humanist mythology about the grandeur of civilization, *History of Shit* suggests instead that the management of human waste is

crucial to our identities as modern individuals—including the organization of the city, the rise of the nation-state, the development of capitalism, and the mandate for clean and proper language. Far from rising above the muck, Laporte argues, we are thoroughly mired in it, particularly when we appear our most clean and hygienic. Laporte's style of writing is itself an attack on our desire for "clean language." Littered with lengthy quotations and obscure allusions, and adamantly refusing to follow a linear argument, *History of Shit* breaks the rules and challenges the conventions of "proper" academic discourse.

A Bathroom Book for

People Not Pooping or Peeing but Using the Bathroom as an Escape Independently Published

Here is an illustrated guide to understanding our poo! There's no denying it, the way our bowel movements look tells us quite a bit about our diets and gastrointestinal health. Know Your Shit.
How Do You Poo? Gary Marinin

Organizer & Notebook for Passwords and Shit

We Poop on the Potty Trafford Publishing

There's no way to be subtle about it--diarrhea, parasites, and other gastrointestinal unpleasanties can be part of the price travelers pay for trying to see the world.

Fortunately, this frank, witty guide by a noted travel writer lets world-explorers fight back against their invisible assailants.

Shit I Can't Remember
Ten Speed Press

Ryan is scared to use the potty. He's afraid to have a poop because he's afraid it's going to hurt. When Ryan's parents take him to visit Dr. Gold,

she engages his imagination with the story of Bill the Coyote's messy house. She also shows him what happens inside the body, and explains how different foods make using the potty easy or hard. This story, along with Ryan's "poop program," will help young children gain the confidence they need to overcome this common problem and establish healthy habits.

Runner's World How to Make Yourself

Poop Ten Speed Press
Chances are you have read a book or two about getting rich. And chances are you haven't gotten rich. If you were doing exactly what the books told you, there might be another reason why you aren't rich. It might

have nothing to do with what you are doing and everything to do with how you feel about money and what you believe to be true about money. This thought provoking book will allow you bring forth the beliefs that you created as a child regarding money. It's those beliefs that subconsciously control the flow of money in your life.

Everyone Poops

Independently

"Most outdoor books available in English fall prey to Victorian sensibilities and fail to mention one of the most serious issues encountered in trekking around the countryside. Kathleen Meyer, river-runner and longtime outdoorswoman, corrects this oversight

in *How to Shit in the Woods*. What was once instinct now needs to be learned. "Until roughly ten years ago, no one ever considered it unsafe to drink directly from mountain streams. You could stretch out on the bank of a high mountain meadow creek and just push your face into the water to drink...no longer can we drink even a drop before purifying it without running the risk of getting sick." With more people in the outdoors than ever, it is important that each of us know how to take care of our own waste."

[Oh Crap! Potty Training](#)
National Geographic Books

This hilarious and equally helpful guidebook teaches you everything you need to know for making and

taking great shits like what foods, postures, and techniques will help you go like a pro. You will also learn valuable life-saving tips, such as how to improvise without toilet paper, avoiding germs in public restrooms, effectively unclogging the toilet, and even how to shit in the woods. With tons of useful information, fun cartoons, and plenty of potty humor, this fun little book will leave you laughing and learning from start to finish!

The Origin of Feces

"With universal appeal (everyone poops, after all), this witty, illustrated description of over two dozen dookies (each with a medical explanation written by a doctor)

details what one can learn about health and well-being by studying what's in the bowl. A floater? It's probably due to a buildup of gas. Now think back on last night's dinner, a burrito perhaps? . . .All the greatest hits are here: The Log Jam, The Glass Shard, The Deja Poo, The Hanging Chad ... the list goes on. Sidebars, trivia, over 60 euphemisms for number 2, and unusual case histories all make this the ultimate bathroom reader. Who knew you could learn so much from your poo?"--Publisher website (October 2007) *Where Do You Poop?* Vault Comics
This book is about shit. Not the shit you have in your closet or those lying around the house

or the shit in your car, but it is about shit. The stuff that comes out of your body when you have to go to the bathroom. Not the stuff that comes out the front side but the stuff that comes out of your butt. It doesn't matter how poor you are, how rich you are, how ugly you are, or how beautiful you are. It doesn't matter if you are skinny or overweight. And no matter what you may think, your shit does stink sometimes. This book is for all of you who have ever admired your dirty deed. For those of you whose brother made you run to the bathroom because you thought someone had died only to see the longest turd ever in the stool.
