Deluxe Rätselbuch Band 6. XL Rätselbuch in Premium Ausgabe für ältere Leute, Senioren, Erwachsene und Rentner im DIN A4-Format mit extra großer Schrift. Harlequin

'A godsend for German literature' Ina Hartwig It's Autumn in Stuttgart, just before Halloween, and thirty-something mothers Judith and Leonie are safely ensconced in their upmarket apartments in one of the city's best neighborhoods. Judith has squeezed her life into the straitjacket of wholesome stay-at-home motherhood - no TV, no sweets, nature hikes, and, above all, routine - and marriage to staid university professor Klaus. Leonie is proud of her work at a bank and her husband Simon's career, though she worries that she's neglecting her young daughters, and that Simon's work distracts him from his family. Over the course of a few days, Judith and Leonie's apparently stable, successful lives are thrown into turmoil by the secrets they keep, the pressures they've been keeping at bay, and the waves of change lapping at the peaceful shores of their existence. Shorter Days is both an 'exorcism of women's fears' and a heartrending exploration of the joys and challenges of modern family life. Anna Katharina Hahn was born in 1970. Her other works include the collection of stories *Kavaliersdelikt* (Petty Crime), for which she was awarded the Clemens Brentano Prize in 2005, and *Am Schwarzen Berg* (The Neighbours) in 2012. In 2010, Anna

Katharina Hahn was awarded the Heimito von Doderer Literary Award. Shorter Days was longlisted for the German Book Prize in 2009. 'The focus, in particular, on the seemingly everyday quality of life, as well as the fact that the plot takes place over only a few days - which lead directly to disaster - are what make Shorter Days so captivating, as well as shocking' Frankfurter Allgemeine Zeitung 'Shorter Days begins like a family play and broadens to world-class theater ... terrific' Süddeutsche Zeitung

Deluxe Rätselbuch/Rätselblock mit extra großem Druck für Erwachsene und Senioren in DIN A4. Laurence King Publishing

Commodore 64: A Visual Compendium celebrates one of the most popular home computers of all time, taking readers on a journey through the C64's varied and colorful gaming library. In the 1980s, the C64 played host to an incredible array of genres, from shoot 'em ups to puzzlers, racing games to arcade adventures, to games that still defy categorization (The Sentinel, anyone?). Other 1980s video game titles included Jupiter Lander, Beach Head, Dropzone, Impossible Mission, Elite, Mercenary, Uridium, and The Last Ninja. By the 1990s, talented coders were making the machine do things the original hardware designers didn't think were possible: games like Turrigan, Creatures, and Lemmings showed that there was life left in the old CPU yet. Even when Commodore was no longer being manufactured, the games kept coming. This book pays homage to the developers that kept the system alive, featuring games that were completed and released a decade after the last boxed C64. Commodore 64: A Visual Compendium features more than 100 titles, represented by beautiful in-game shots or loading screens, plus a gallery of artwork by legendary Zzap!64 artist Oliver Frey. Also included are a series of features, including profiles of key

Britsoft developers, interviews with famous C64 artists, a look back at the demo scene, plus a showcase of unreleased titles and the new games being released more than 20 years after the last machine rolled off Commodore's production line. Presented in full-color throughout, printed on high quality paper, and complete with a spot-varnished protective dust cover, this book is a treat for anyone who grew up playing games or learning their craft on this most ubiquitous of home computers.

Kate Winters has won immortality. But if she wants a life with Henry in the Underworld, she'll have to fight for it. Becoming immortal wasn't supposed to be the easy part. Though Kate is about to be crowned Queen of the Underworld, she's as isolated as ever. And despite her growing love for Henry, ruler of the Underworld, he's becoming ever more distant and secretive. Then, in the midst of Kate's coronation, Henry is abducted by the only being powerful enough to kill him: the King of the Titans. As the other gods prepare for a war that could end them all, it is up to Kate to save Henry from the depths of Tartarus. But in order to navigate the endless caverns of the Underworld, Kate must enlist the help of the one person who is the greatest threat to her future. Henry's first wife, Persephone.

Pierre the Maze Detective has a new case. Mr. X has stolen the Maze Stone, which has the power to turn the whole of Opera City into a maze. Can you help Pierre and his friend Carmen find their way through the mazes - and stop Mr. X before it's too late? This beautifully illustrated book features 15 full-spread illustrations of intricate, magical mazes. Take a trip through a fantastic world of underground cities, hot-air balloons, tree-top towns, and haunted houses. Trace your way through each maze, spot the clues, and solve the extra mystery challenges along the way. Hours of puzzle fun, for all maze detectives aged 8+. A page of answers with the routes through the mazes and other solutions is included at the end of the book.
