MOHAMMED PHELPS

Contributions to a Historical Study of Jewish Music

Oxford University Press
In this landmark of musical scholarship, the leading 20th-century authority on Jewish music describes and analyzes its elements and characteristics, and chronicles its development from the earliest appearance of Semitic song 2000 years ago to the early 20th century. Liberally illustrating every type of music discussed, the book examines the music as a tonal expression of Judaism, Jewish life and the spiritual aspects of Jewish

culture.

◆Shalom Aleichem◆ - Piano Sheet Music Collection - Jewish Songs and Dances Arranged for Piano Part 1 represents Klezmer (instrumental) tunes, which will not leave indifferent neither the performers, not the audience. The song of each nation - is the most demonstrative miniature portrait and the most important particle of the nation's nature. According to the folk melody one can quite exact judge the culture and history of the nation, the customs and living conditions, moral principles. And Jewish folk song is not an exception, it only confirms what was just said. Jewish songs have already become the property of the whole world, they are performed with great pleasure as by ordinary people, and so by internationally recognized soloists and ensembles. This music will enrich everyone, who touches it, because nothing is more valuable than the recognition of another nation's culture, promoting respect and trust in nation with centuries-long spiritual traditions! Jewish songs and dances borrowed many features from Ukrainian, Romanian, Polish and Hungarian folklore: and the result was the

art of deep national Jewish character. As D. Shostakovitch said: "... Jewish folk music influenced me the most. I can't stop admire it. It is so versatile. It may seem happy, and in fact be deeply tragic ... Each real folk music is beautiful, but Jewish - one of a kind. "The authors seek to recover some unjustly forgotten, but endlessly expressive melodies. They wish these songs can help people be happy and always have humoristic and optimistic attitude towards life!

Experiencing Jewish Music in America: A Listener's Companion offers an easy-to-read and new perspective on the remarkably diverse landscape that comprises Jewish music in the United States. This much-needed survey on the art of listening to and enjoying this dynamic and diverse musical culture invites listeners curious about the many types of music in its connection to Jewish life. *Experiencing Jewish Music in America* is intended to encourage further reading about, listening to, and viewing of this portion of America's musical heritage, and provide listeners with the tools to understand and appreciate this body of

work. This volume is designed to appeal to listeners of all stripes, regardless of ability to read music, and of religious or cultural background. *Experiencing Jewish Music in America* offers insights into an extensive range of musical genres and styles that have been central to the Jewish experience, beginning with the arrival of the first Jewish immigrants in the sixteenth century and the chanting of the Torah, to the sounds of pop today. It lays the groundwork for the listener's understanding of music in its relation to Jewish studies by exploring the wide range of venues in which this music has appeared, from synagogue to street to stage to screen. Each chapter offers selected case studies where these unique forms of music were—and still can be—heard, seen, and experienced. This book gives readers unique insights into the challenges of classifying Jewish music, while it traces its history and development on American soil and outlines “ways of listening” so readers can draw clear connections to Jewish culture. The volume thus brings together American Jewish history, the story of American and Jewish music, and the roles of the individuals

important to both. It offers the reader tools to identify, evaluate, and appreciate the musical genres, and reflect the growing interest of the past decade in the academic study of Jewish music.

Fun with 5 Finger Jewish Holiday Songs
KTAV Publishing House, Inc.

The Oxford Handbook of Jewish Music Studies is the most comprehensive and expansive critical handbook of Jewish music published to date. It is the first endeavor to address the diverse range of sounds, texts, archives, traditions, histories, geographic and political contexts, and critical discourses in the field. The thirty-one experts from thirteen countries who prepared the thirty original and groundbreaking chapters in this handbook are leaders in the disciplines of musicology and Jewish studies as well as adjacent fields. Chapters in the handbook provide a broad coverage of the subject area with considerable expansion of the topics that are normally covered in a resource of this type. Designed around eight distinct sections -- Land, City, Ghetto, Stage, Sacred and Ritual Spaces, Destruction / Remembrance, and Spirit -- the range and scope of The Oxford

Handbook of Jewish Music Studies most significantly suggests a new framework for the study of Jewish music centered on spatiality and taking into consideration temporality and collectivity. Within each chapter, authors have selected what they consider to be the most important material relevant to their topic and, drawing on the most authoritative insights from historical and ethnomusicology, Jewish studies, history, anthropology, philology, religious studies, and the visual arts, have taken a genuinely inter- or transdisciplinary approach. Integrated chapter bibliographies provide material for further reading. Together the chapters form a first truly global look at Jewish music, incorporating studies from Central and East Asia, Europe, Australia, the Americas, and the Arab world. Together they span world history, from antiquity until the present day. As such, the Handbook provides a resource that researchers, scholars, and educators will use as the most important and authoritative overview of work within music and Jewish studies. *The Oxford Handbook of Jewish Music Studies* Turner Publishing Company

Jewish Songs for Children Ashley (Tara Books). Noted musicologist Velvel Pasternak has worked to capture and transmit the musical traditions of world Jewish communities. The Jewish Music Companion is dedicated to those topics that represent the broad panorama of Jewish music. Written in an easily understandable manner, the book is comprised of four sections: An Historical Overview; Jewish Music Artists; Annotated Folksongs; and an Appendix. Transcriptions of music with chords are included, as well as a CD with 14 selections representing the spectrum of Jewish folksongs.

Experiencing Jewish Music in America Mel Bay Publications

The wide-ranging portrayal of modern Jewishness in artistic terms invites scrutiny into the relationship between creativity and the formation of Jewish identity and

into the complex issue of what makes a work of art uniquely Jewish. Whether it is the provenance of the artist, as in the case of popular Israeli singer Zehava Ben, the intention of the iconography, as in Ben Shahn's antifascist paintings, or the utopian ideals of the Jewish Palestine Pavilion at the 1939 New York World's Fair, clearly no single formula for defining Jewish art in the diaspora will suffice. The Art of Being Jewish in Modern Times is the first work to analyze modern Jewry's engagement with the arts as a whole, including music, theater, dance, film, museums, architecture, painting, sculpture, and more. Working with a broad conception of what counts as art, the book asks the following questions: What roles have commerce and politics played in shaping Jewish artistic agendas? Who determines the Jewishness of art and for what purposes? What role has aesthetics played in reshaping religious traditions and rituals? This richly illustrated volume illuminates how the arts have helped Jews confront the various challenges of modernity, including cultural adaptation and self-preservation, economic diversification, and ritual transformation.

There truly is an art to being Jewish in the modern world—or, alternatively, an art to being modern in the Jewish world—and this collection fully captures its range, diversity, and historical significance.

Famous and Fun Jewish Songs, Bk 4

Famous & Fun

This collection of Jewish songs has developed through the years as my Jewish students wanted to play the songs of their heritage. (My non-Jewish students have also enjoyed and appreciated learning them!) The songs are arranged in

chronological order, except for Shabbat, which is every week and the most important day for us, except for Yom Kippur, the Sabbath of Sabbath. These are songs of joy. There is singing and dancing and merry-making. Enjoy!
