GWENDOLYN MCMAHON

The Most Holy Trinosophia Hachette UK
There was a card party at the rooms of Narumoff, a lieutenant in the Horse Guards. A long winter night had passed unnoticed, and it was five o'clock in the morning when supper was served. The winners sat down to table with an excellent appetite; the losers let their plates remain empty before them. Little by little, however, with the assistance of the champagne, the conversation became animated, and was shared by all. "How did you get on this evening, Surin?" said the host to one of his friends. "Oh, I lost, as usual. I really have no luck. I play mirandole. You know that I keep cool. Nothing moves me; I never change my play, and yet I always lose." "Do you mean to say that all the evening you did not once back the red? Your firmness of character surprises me." "What do you think of Hermann?" said one of the party, pointing to a young Engineer officer. "That fellow never

made a bet or touched a card in his life, and yet he watches us playing until five in the morning." "It interests me," said Hermann; "but I am not disposed to risk the necessary in view of the superfluous." "Hermann is a German, and economical; that is the whole of the secret," cried Tomski. "But what is really astonishing is the Countess Anna Fedotovna!" "How so?" asked several voices. "Have you not remarked," said Tomski, "that she never plays?" "Yes," said Narumoff, "a woman of eighty, who never touches a card; that is indeed something extraordinary!" "You do not know why?" "No; is there a reason for it?" "Just listen. My grandmother, you know, some sixty years ago, went to Paris, and became the rage there. People ran after her in the streets, and called her the 'Muscovite Venus.' Richelieu made love to her, and my grandmother makes out that, by her rigorous demeanour, she almost drove him to suicide. In those days women used to play at faro. One evening at the court she lost, on parole, to the Duke of Orleans, a very considerable sum. When

she got home, my grandmother removed her beauty spots, took off her hoops, and in this tragic costume went to my grandfather, told him of her misfortune, and asked him for the money she had to pay. My grandfather, now no more, was, so to say, his wife's steward. He feared her like fire; but the sum she named made him leap into the air. He flew into a rage, made a brief calculation, and proved to my grandmother that in six months she had got through half a million rubles. He told her plainly that he had no villages to sell in Paris, his domains being situated in the neighbourhood of Moscow and of Saratoff; and finally refused point blank. You may imagine the fury of my grandmother. She boxed his ears, and passed the night in another room.

Secret Societies and the French Revolution Hassell Street Press

The acclaimed author of *The Outsider* explores occult ideas, practices and figures from Kabbalah to Aleister Crowley in this "fascinating history of magic" (The Washington Post). Colin Wilson is widely regarded as one of the world's foremost experts on occultism. His classic historical study on the subject is an essential guide to the mind-expanding experiences and discoveries made by occultists through the centuries—from Heinrich Cornelius Agrippa to Giacomo Casanova, Helena Blavatsky, Grigori Rasputin, and many others. More than a chronicle of people and events, however, Wilson has produced a synthesis of the available material, presenting the occult in the light of reason—and reason in the light of the mystical and paranormal. The result is a wide-ranging survey of the subject that provides a comprehensive history of magic, an insightful exploration of our latent powers, and a

revelatory journey of enlightenment. "This most interesting, informative and thought-provoking book on the subject I have read." —Arthur Calder-Marshall, *The Sunday Telegraph*

Hotel Transylvania Springer Nature

Memoirs of Extraordinary Popular Delusions and the Madness of Crowds by Charles Mackay, first published in 1852, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Ruby Red Trilogy Library of Alexandria

The harrowing adventures of a 16th century alchemist's apprentice who murders his master to possess a potion rumoured to confer immortality.

Historical Mysteries Diversion Books

An accompaniment to the Egyptian Museum of Berlin's special exhibition celebrating the discovery of the Nefertiti bust in 1912, this catalog presents never-before-seen artifacts and objects from the Amarna period of Egyptian history. The book also explores religion, craftsmanship, daily life, and sculpture in Amarna and the world famous Nefertiti bust.

The Memoirs of Jacques Casanova Doubleday Canada

Three book editors, jaded by reading far too many crackpot manuscripts on the mystic and the occult, are inspired by an

extraordinary conspiracy story told to them by a strange colonel to have some fun. They start feeding random bits of information into a powerful computer capable of inventing connections between the entries, thinking they are creating nothing more than an amusing game, but then their game starts to take over, the deaths start mounting, and they are forced into a frantic search for the truth

In the Light of Amarna University of Pennsylvania Press

The Ruby Red Trilogy: Ruby Red, Sapphire Blue, and Emerald Green This internationally bestselling series follows Gwyneth Shepherd, a girl with a time-traveling secret. Traipsing through past centuries, juggling a potential romance, and unlocking her destiny, Gwen has her work cut out for her. Ruby Red: Gwen has always known that her family is different—the women, in particular. As time travelers, they are no strangers to the possibility of the impossible. But even they aren't expecting it when Gwen shows signs of being a time traveler rather than her cousin Charlotte. Thrust into a world she should have been excluded from, Gwen is introduced to Gideon, a fellow traveler. Although the two don't get along, something other than annoyance might be brewing under the surface. As Gwen masters her new ability, she learns more about herself than she ever could have imagined. Sapphire Blue: Gwen has joined the ranks of the Circle of Twelve, a secret society of chosen time travelers. As the Ruby, Gwen is tasked with finding travelers in the past, all while delving into prophecies and trying to read the mixed signals that Gideon, the Diamond of the Circle, has been sending. With the help of her best friend, a ghost, and a gargoye demon, Gwen seeks to unearth

the truth behind the Circle—a truth that has been actively hidden from her. Emerald Green: Crushed to learn that Gideon may have been deceiving her all along, Gwen has to move forward nonetheless. She has more than enough on her plate: her distrust of Count Saint-Germain, founder of the Circle of Twelve, who wants Gwen to finish collecting blood from the other chosen travelers; the chronograph, a device which will close the Circle if she succeeds; and the resistance she meets at every turn as she seeks more knowledge. With much more to be revealed, Gwen must race against the clock to fulfill her destiny—before it's too late. Includes bonus chapters from Kerstin Gier Dream a Little Dream!

Deutsche Nationalbibliographie und Bibliographie der im Ausland erschienenen deutschsprachigen Veröffentlichungen Prestel Publishing

Social coexistence is made possible and regulated by norms. Which actions are labeled and sanctioned as transgressions of norms is the result of social negotiation processes. Transgression and norm deviance can both stabilize and undermine the existing norm system. The contributions to this anthology aim to provide some impulses on the relationship between norm and deviance in ancient societies by means of selected case studies from the Greek classical period to the Roman imperial period and to investigate the role of transgressive acts for the dynamics of social systems. In 8 contributions, among others on the cult of Artemis, on the tragedian Agathon, on Cicero, Lucan and Tacitus, the topic is treated in a model-like manner.

Memoirs of Extraordinary Popular Delusions and the Madness of Crowds Hirmer Verlag GmbH

With "Historical Mysteries," Andrew Lang has ratched up some of the most puzzling historical mysteries of Europe - primarily dealing with Scottish and French incidents. Some of these mysteries involve the assassinations of famous people, while others deal with regular people who have been involved in mysterious events. The table of contents is as follows: The Case of Elizabeth Canning, The Murder of Escovedo, The Campden Mystery, The Case of Allan Breck, The Cardinal's Necklace, The Mystery of Kaspar Hauser - the Child of Europe, The Gowrie Conspiracy, The Strange Case of Daniel Douglas Home, The Case of Captain Green, Queen Oglethorpe, The Chevalier D'Eon, Saint-Germain the Deathless, The Mystery of the Kirks, The End of Jeanne de la Motte.

Dictionary of Gnosis & Western Esotericism Random House

This is the first comprehensive reference work to cover the entire domain of "Gnosis and Western Esotericism" from Late Antiquity to the present. It contains critical discussions of all its major authors, currents and manifestations, from Gnosticism to the New Age. This one volume edition is an unabridged version of the two volume edition published in 2005.

The Comte de St Germain Library of Alexandria

This book is published on the occasion of a comprehensive exhibition of works by the British sculptor Antony Gormley (b. 1950 in London). The central theme of his artistic work is the body and its relationship to space. Starting with his own body, the artist presents works in various positions: They crouch, hang, or expand into the space, lean against the wall, or lie on the floor. Gormley's preferred working materials include lead,

iron, and steel. Antony Gormley.

Learning to Be provides an overview of the artist's oeuvre.

Lytton has presented a wicked and malicious persona that fulfills all demonic characteristics. This It is a fantastic epic romance is referred to as a ghost story as it is written in gothic style. The mysterious, exciting actions and shadowy atmosphere successfully ensnare reader's attention.

Die Lehre vom neuen Bauen Penguin UK

The first translation of The Countess von Rudolstadt in more than a century brings to contemporary readers one of George Sand's most ambitious and engaging novels, hailed by many scholars of French literature as her masterpiece.

Consuelo, or the Countess von Rudolstadt, born the penniless daughter of a Spanish gypsy, is transformed into an opera star by the great maestro Porpora. Her peregrinations throughout Europe (especially Vienna, Berlin, and the Bohemian forest), become a quest undertaken on a number of levels: as a singer, as a woman, and as an unwilling subject of alienation and oppression. Sand's heroine moves through a mid-eighteenth-century Europe where absolute rulers mingle with Enlightenment philosophers and gender-bending members of secret societies plot moral and political revolution. As the old order breaks down, she undergoes a series of grueling initiations into radically redefined notions of marriage and social organization. In a novel by equal measures philosophical and lurid, nothing is what it seems. Written some fifty years after the French Revolution, the book taps into many of the political and religious currents that contributed to

that social upheaval—and aims to channel their potential for future change. Fed by Sand's rich imagination and bold aspirations for social reform, *The Countess von Rudolstadt* is a sinuous novel of initiation, continuing the coming of age tale of the titular heroine of Sand's earlier *Consuelo* and drawing on such diverse models as Ann Radcliffe's Gothic tales and Goethe's *Wilhelm Meister*.

Scholars around the world are

researching the degree to which colour

was employed in classical and medieval

sculpture. Their numerous activities and

projects were most recently presented

and debated at an international

colloquium held in the Liebieghaus

Skulpturensammlung in Frankfurt. The

current contributions of 20

internationally known scholars are

brought together in this richly illustrated

book in English. Among specialists, the

educated layperson's ideal of an antiquity in shining white marble has long since been dismissed as an historical error. The classical and medieval reality of coloured sculpture is now regarded as an incontrovertible fact. As long ago as the early 19th century, statues with remains of their original paint were not only discovered in Greece, but news of them was published. In the 20th century, these discoveries were at first neglected. However the work done by a team under the archeologist Vinzenz Brinkmann, resulting in an exhibition shown worldwide since 2003 entitled "Gods in Colour", has put new life into this research and literally changed the way we see Antiquity. The extent of this revolution is graphically captured by the present volume with articles ranging from the controversial history of this research to the current state of the art of reconstructing historical painting techniques and the latest scientific methods of analyzing material residues. It culminates in the changes in the perception and significance of sculpture brought about by colour. With illustrations and commentary on numerous examples of ancient and medieval works, this volume unfolds a rich panorama of polychrome statuary on the basis of the latest research results.

The Red Lion

Exploring an intriguing aspect of the artist's work, this book examines Gustav Klimt's fascination with the ancient world. Gustav Klimt's 1907 publication of his illustrated edition of Lucian's ancient work *Dialogues of the Courtesans* was the first time he exhibited his erotic art to the public, and it led to his

denouncement by censors disturbed by the work's graphic content. This volume revives Klimt's masterful book, which pairs his erotic drawings with Wiener Werkstätte design, and which arguably resulted in the Art Nouveau era's most beautiful book. *Klimt and Antiquity* also compares the red- and black figure Attic vases dating from the 5th century with Klimt's art. It presents Klimt's antiquity-inspired art as a dialogue between contemporary and ancient art, between genders, and between women's roles in times of antiquity and modernity. Essays explore Klimt's interest in ancient art; the ancient role of the courtesan; and the phenomenon of the Greek symposium as fertile ground for Greek art.

The Comte de Saint-Germain

From the author of *Outlander*... a magnificent epic that once again sweeps us back in time to the drama and passion of 18th-century Scotland... For twenty years Claire Randall has kept her secrets. But now she is returning with her grown daughter to Scotland's majestic mist-shrouded hills. Here Claire plans to reveal a truth as stunning as the events that gave it birth: about the mystery of an ancient circle of standing stones ...about a love that transcends the boundaries of time ...and about James Fraser, a Scottish warrior whose gallantry once drew a young Claire from the security of her century to the dangers of his Now a legacy of blood and desire will test her beautiful copper-haired daughter, Brianna, as Claire's spellbinding journey of self-discovery continues in the intrigue-ridden Paris court of Charles Stuart ...in a race to thwart a doomed Highlands uprising ...and in a desperate fight to save both the child and the man she loves....
