Imagine a life filled with only love and happiness. A life filled with wonderful friends and undying support. A life where all your dreams come true. In a life such as this, you can never have...too much love!

Women Who Love Too Much Turtleback Books

Finalist for the Amazon Canada First Novel Award A Globe and Mail Best Book A Quill & Quire Best Book of the Year Olive Kitteridge meets Room and The Lovely Bones in this stunning first novel about the unexpected reverberations the abduction of a young woman has on a small community. When Catherine Reindeer

mysteriously vanishes from the parking lot outside the restaurant where she works, an entire community is shattered. Her fellow waitress now sees danger all around her. Her mother desperately seeks comfort in saying her name over and over again. Her professor thinks of her obsessively. Her husband refuses to give up hope that she will one day come home. As we move back and forth between those who knew Catherine intimately and those who barely knew her at all, So Much Love reveals how an unexpected disappearance can overturn everything for those left behind. But at the heart of the novel is Catherine's

own surprising journey of resilience and recovery. When, after months of unimaginable horror, a final devastating loss forces her to make a bold decision, she is unprepared for everything that follows. Woven throughout Catherine's story are glimpses of a local poet who was murdered decades earlier, a woman whose work becomes a lifeline for Catherine during her darkest hours. A riveting novel that explores the complexity of love and the power of stories to shape our lives, *So Much Love* confirms Rebecca Rosenblum's reputation as one of the most gifted and distinctive writers of her generation.  
*Mothers Who Love Too Much* Mango Media

Is love best when it is fresh? For many, the answer is a resounding “yes.” The intense experiences that characterize new love are impossible to replicate, leading to wistful reflection and even a repeated pursuit of such ecstatic beginnings. Aaron Ben-Ze’ev takes these experiences seriously, but he’s also here to remind us of the benefits of profound love—an emotion that can only develop with time. In *The Arc of Love*, he provides an in-depth, philosophical account of the experiences that arise in early, intense love—sexual passion, novelty, change—as well as the benefits of cultivating long-term, profound love—stability, development,

calmness. Ben-Ze'ev analyzes the core of emotions many experience in early love and the challenges they encounter, and he offers pointers for weathering these challenges. Deploying the rigorous analysis of a philosopher, but writing clearly and in an often humorous style with an eye to lived experience, he takes on topics like compromise, commitment, polyamory, choosing a partner, online dating, and when to say "I love you." Ultimately, Ben-Ze'ev assures us, while love is indeed best when fresh, if we tend to it carefully, it can become more delicious and nourishing even as time marches on.

**The Boy Who Loved Too Much** Bantam

We yearn to experience the idealized love depicted in so many novels, movies, poems, and popular songs. Ironically, it is the idealization of love that arms it with its destructive power. Popular media consistently remind us that love is all we need, but statistics concerning the rate of depression and suicides after divorce or romantic break up remind us what might have happened if "all that we need" is taken away. This book is about our ideals of love, our experiences, of love, the actual disparity between the two, and the manners of coping with this disparity. A major study case of the book concerns men who have murdered their

wives or partners allegedly 'out of love'. It is estimated that over 30% of all female murder victims in the United States die at the hands of a former or present spouse or boyfriend. How can murdering a loved one be associated with the assumed moral and altruistic love? Not only is love intrinsically ambivalent, but it can also give rise to dangerous consequences. Some of the worst evils have been committed in the name of love (as in the name of God). A unique collaboration between a leading philosopher in the field of emotions and a social scientist, *In the Name of Love* presents fascinating insights into romantic love and its future in modern society.

**Letters from Women  
Who Love Too Much**  
Baker Books

A “provocative and seductive debut” of desire and doubleness that follows the life of a young Palestinian American woman caught between cultural, religious, and sexual identities as she endeavors to lead an authentic life (O, The Oprah Magazine). On a hot day in Bethlehem, a 12-year-old Palestinian-American girl is yelled at by a group of men outside the Church of the Nativity. She has exposed her legs in a biblical city, an act they deem forbidden, and their judgement will echo on through her adolescence. When our narrator finally admits to her mother that she is queer, her mother’s response only

intensifies a sense of shame: “You exist too much,” she tells her daughter. Told in vignettes that flash between the U.S. and the Middle East—from New York to Jordan, Lebanon, and Palestine—Zaina Arafat’s debut novel traces her protagonist’s progress from blushing teen to sought-after DJ and aspiring writer. In Brooklyn, she moves into an apartment with her first serious girlfriend and tries to content herself with their comfortable relationship. But soon her longings, so closely hidden during her teenage years, explode out into reckless romantic encounters and obsessions with other people. Her desire to thwart her own destructive

impulses will eventually lead her to The Ledge, an unconventional treatment center that identifies her affliction as “love addiction.” In this strange, enclosed society she will start to consider the unnerving similarities between her own internal traumas and divisions and those of the places that have formed her. Opening up the fantasies and desires of one young woman caught between cultural, religious, and sexual identities, *You Exist Too Much* is a captivating story charting two of our most intense longings—for love, and a place to call home.

[Guide to Robin Norwood’s Women Who Love Too Much by Instaread](#) Little, Brown

When her mom walks

out, Keleeja sees her dream of finding someone special slipping away. She's left to raise four younger sisters, all under five. When she takes a chance on dating, the night turns into a nightmare. But that's when she meets Daniel, and later Daniel's best friend Colin. Now, Keleeja is stuck between two men, both who seem to be emotionally unavailable. Tragedy draws her closer to Colin, but a relationship with Daniel, who's open to a big family, could be just right. The question is, will she get the chance at forever in the middle of the chaos that comes with four little girls a surprise baby boy.

**Too Much to Love**  
Doubleday Books for

Young Readers  
Robin Norwood revolutionized the way we look at love, with a compassionate, intimate book offering a recovery program for women who love too much—women who are attracted to troubled men, who neglect their own interests and friends, and who are unable to leave tormented relationships for fear of being “empty without him.” With multiple millions in sales throughout the world, her *Women Who Love Too Much* remains an invaluable and eagerly sought source of help to women (and men) everywhere. Norwood now enhances the practical wisdom of that book with years' worth of deep reflection and study. The result is a series of

daily meditations that promote sane loving and serene living no matter what is—or isn't—happening in your personal life.

Illuminated by Richard Torregrossa's humorous yet sensitive pen-and-ink drawings, each page of this book stimulates awareness, offers guidance, and fosters inner growth. Whether you breeze through this charming book in one sitting or savor each meditation and illustration a day at a time, the pages of *Daily Mediations for Women Who Love Too Much* offer fresh inspiration and insights with every reading.

*You Exist Too Much*  
Zondervan

A love letter to those in the midst of the breakdown or a reckoning or a rise. A love letter to the wild

ones, to the lost souls, to the free. To the seekers and the lovers of leaving and those intent on finding themselves amidst the rubble. Love letters to you. And always, in the end love letters to myself.

Parents Who Love Too Much  
Amz Jay

You can hide from your past; you can hide from your future—but can you ever hide from love? He's spent the last ten years hiding from his past. That's meant staying on the move, never settling in any place for too long, and never letting anyone get too close. Summer Lake is different. It's a place he doesn't want to move on from. His job as a pilot means he's away half the time, but when he's home, he's surrounded by good

people. People he's allowed himself to care about. He's made friends—friends who accept that he doesn't share much about who he is or where he's from. There's a girl who he wishes could be more than a friend. They almost got together when he first came to the lake, but he couldn't take the risk. His heart wanted so much more, but he had to hide his heart and be content with her friendship. She's hoped for more since the day she met him, but she, too, has had to settle for friendship. Hearts can only stay hidden for so long, but when there's too much love to hide, will the danger from his past finally track him down and destroy them both? Get your copy of this sweet and steamy

story today to find out. This book is intended for adult readers 18+  
\*\*\*\*\*  
\*\*\* Summer Lake Seasons series is sweet n steamy, small town romance with a focus on fun, friendships and happily ever afters. sexy brothers, of the Billionaire Davenport family. In their own words they are - the "Suit", the "Vet" and the "Geek." Oscar TJ Reid

### **So Much Love**

TarcherPerigee The acclaimed, poignant story of a boy with Williams syndrome, a condition that makes people biologically incapable of distrust, a "well-researched, perceptive exploration of a rare genetic disorder seen through the eyes of a mother and son" (Kirkus Reviews). What would it be like to see everyone as a friend? Twelve-year-old Eli D'Angelo has a genetic disorder that obliterates social inhibitions, making him irrepressibly friendly, indiscriminately trusting, and

unconditionally loving toward everyone he meets. It also makes him enormously vulnerable. On the cusp of adolescence, Eli lacks the innate skepticism that will help him navigate coming-of-age more safely—and vastly more successfully. In “a thorough overview of Williams syndrome and its thought-provoking paradox” (The New York Times), journalist Jennifer Latson follows Eli over three critical years of his life, as his mother, Gayle, must decide whether to shield Eli from the world or give him the freedom to find his own way and become his own person. Watching Eli’s artless attempts to forge connections, Gayle worries that he might never make a

real friend—the one thing he wants most in life. “As the book’s perspective deliberately pans out to include teachers, counselors, family, friends, and, finally, Eli’s entire eighth-grade class, Latson delivers some unforgettable lessons about inclusion and parenthood,” (Publishers Weekly). *The Boy Who Loved Too Much* explores the way a tiny twist in a DNA strand can strip away the skepticism most of us wear as armor, and how this condition magnifies some of the risks we all face in opening our hearts to others. More than a case study of a rare disorder, *The Boy Who Loved Too Much* “is fresh and engaging...leavened with humor” (Houston

Chronicle) and a universal tale about the joys and struggles of raising a child, of growing up, and of being different.

*Daily Meditations for Women Who Love Too Much* John Wiley & Sons

Since her parents are too busy in the morning to listen to her say that she love them, Lola the hamster waits all day long for another opportunity to say the words.

The New

Codependency McGraw Hill Professional

We all come with certain extremities in our lives, but how we deal with them is a story for another day and is different for every person.

Lindangela Scott, just like every teenager on this sublunary planet, wanted to connect with

every cliché feeling, not realizing her critical history of losing people. But in the end, she discovers the missing piece to her puzzle, which not all teenagers can do.

Unravel her major secret because she could be you. "You are a survivor until you choose to be a victim."

*Always Enough, Never Too Much* Ivy Books

The New

Codependency is an owner's manual to learning to be who you are and gives you the tools necessary to reclaim your life by renouncing unhealthy practices. In

Codependent No More, Melody Beattie introduced the world to the term

codependency. Now a modern classic, this book established Beattie as a pioneer in

self-help literature and endeared her to millions of readers who longed for healthier relationships. Twenty-five years later concepts such as self-care and setting boundaries have become entrenched in mainstream culture. Now Beattie has written a followup volume, *The New Codependency*, which clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to wellness. The question remains: What is and what is not codependency? Beattie here reminds us that much of codependency is normal behavior. It's about crossing lines. There are times we do

too much, care too much, feel too little, or overly engage. Feeling resentment after giving is not the same as heartfelt generosity. Narcissism and self-love, enabling and nurturing, and controlling and setting boundaries are not interchangeable terms. In *The New Codependency*, Beattie explores these differences, effectively invoking her own inspiring story and those of others, to empower us to step out of the victim role forever. *Codependency*, she shows, is not an illness but rather a series of behaviors that once broken down and analyzed can be successfully combated. Each section offers an overview of and a series of activities

pertaining to a particular behavior—caretaking, controlling, manipulation, denial, repression, etc.—enabling us to personalize our own step-by-step guide to wellness. These sections, in conjunction with a series of tests allowing us to assess the level of our codependent behavior, demonstrate that while it may not seem possible now, we have the power to take care of ourselves, no matter what we are experiencing.

**In The Name of Love**

Instaread

“After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now...”—Carol Dweck, author of *Mindset: The New Psychology of*

Success Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. The All-or-Nothing Marriage reverse engineers fulfilling marriages—from the “traditional” to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose

revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discovery, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our expectations; and he even introduces a set of must-try “lovehacks.” This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

### **Too Much Love**

McClelland & Stewart  
How women can overcome the pressure to please others and feel free to be their true selves Are you too nice for your own good? Do family members manipulate you? Do coworkers take advantage of you? If this sounds familiar, read *The Nice Girl Syndrome*. In this breakthrough guide, renowned author and therapist Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships, can show you how to take control of your life and take care of yourself. Engel explains that women today simply cannot afford to be Nice Girls, because women who are too nice send the message that they are easy targets and are

much more likely to be victimized emotionally, physically, and sexually. She identifies the seven different types of Nice Girls and helps you understand which type or types might apply to you. Engel helps you determine whether the Nice Girl Syndrome is keeping you in an abusive relationship or in manipulative situations and helps you change Nice Girl beliefs and behaviors that are holding you back. Shows you how to confront the beliefs and behaviors that keep you stuck in a Nice Girl act as you replace them with healthier, more empowering ones. Includes inspiring stories of women Engel has worked with who have found the courage and strength

to stop taking abuse and start standing up for themselves "This book will challenge, entertain, and empower its readers."-- Publishers Weekly (starred review) Written by renowned author and therapist Beverly Engel, who has helped thousands of women recognize and leave emotionally abusive relationships Filled with wise advice, powerful exercises, and practical prescriptions, The Nice Girl Syndrome shows you step by step how to take control of your life and be your own strong woman. Why Me? Why This? Why Now? Simon and Schuster Is it impossible to let go — despite the pain? • Do you yearn for someone who is not physically or

emotionally available to you? • Do you believe that if you love him enough he will have to love you? • When you feel insecure, does it drive you only to want her more? • Do you find yourself phoning repeatedly or waiting long hours for the phone to ring? Do you wish someone would let go of you? • Does an ex-lover or ex-spouse refuse to believe that it's over? • Do you receive unwanted phone calls, letters, presents, or visits? • Is this pursuit of you creating so much anxiety that it affects your physical or emotional well-being? In this invaluable self-help guide, Dr. Susan Forward presents vivid case histories as well as the real-life voices of men and women

caught in the grip of obsessive passion. Whether you're an obsessive lover or the target of such an obsession, here is a proven, step-by-step program that shows you how to recognize the "connection compulsion," what causes it, and how to break its hold on your life so that you can go on to build healthy, lasting, and pain-free relationships.

**The Gift of the Magi (Illustrated)** Penguin

*So Much to Love: So Much to Lose* explores the vibrancy of love, mottled with loss and the threat of more loss. The poetry arises from the natural world and experiences of living in personal, societal, and ecological relationships. Moore dwells on the complexities of love, as

it reveals beauty, tragedy, and deep relations among all beings of creation. The same love awakens readers to the pain of loss and evokes hope for a world in which all life flourishes and in which natural cycles of loss can be grieved and embraced, while human-made violence and destruction can be abhorred and protested. This book is an invitation to people who are searching for spiritual depths in our beautiful and tragic world. It invites readers to meditate, imagine, and ponder their own lives in the living web of the planet.

**Summary of Robin Norwood's Women Who Love Too Much by Swift Reads** Simon and Schuster  
We've all been there. One minute,

you're sprawled out on your bed, minding our own business and the next you're lying in the back seat of your best friend's car as she races you to the ER. And not the closest one either. No. You're headed to the one fifty miles farther out, because the one five minutes away is where you start your residency next week. So there you are, lying in cubicle nine, hoping like hell that the doctor about to examine you isn't young, sexy or male. Of course he's all three. Telling him about the clitmaster7000 I have lodged inside me is by far the single most embarrassing moment of my life. Discovering he's my brother's new roommate is even worse.

## How to Avoid Falling in Love with a Jerk

OUP Oxford

I knew I was in Paris, I knew that was the Seine beneath me, the sky above, but when I looked around for help, the grand apartment buildings of the Quai Voltaire stared back at me, indifferent. Alicia Drake, author of the critically acclaimed biography *The Beautiful Fall*, evokes contemporary life in the City of Lights lavishment of Edward St. Aubyn and the sophistication of Julia Pierpont's *Among Ten Thousand Things*. *I Love You Too Much* is a novel of extraordinary intelligence and heart, a devastating coming of age story told from the sidelines of Parisian perfection. In the sixth arrondissement everything is perfect

and everyone is lonely. This is the Paris of thirteen-year-old Paul. Shy and unloved, he quietly observes the lives of the self-involved grown-ups around him: his glamorous Maman, Séverine, her younger musician lover, Gabriel, and his fitness-obsessed Papa, Philippe. Always overlooked, it's only a matter of time before Paul witnesses something that he's not supposed to see... Seeking solace in an unlikely friendship with rebellious classmate Scarlett and succumbing to the temptation of the numerous patisseries in his elegant neighborhood, Paul searches for unconditional love. But what will he do if he can't find it?

*So Much for Love*  
Quattro Books  
Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a

specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated

into 38 languages. This book is a sales phenomenon, with

each year outselling the prior for 16 years running!
