MIYA RAFAEL

Egg & Spoon Penguin
A modern-day adventure and classic in the making, in the vein of *The Call of the Wild*, *Hatchet*, and *The Cay*, by award-winning author Iain Lawrence. A Junior Library Guild Selection Less than forty-eight hours after twelve-year-old Chris sets off on a sailing trip down the Alaskan coast with his uncle, their boat sinks. The only survivors are Chris and a boy named Frank, who hates Chris immediately. Chris and Frank have no radio, no flares, no food. Suddenly, they've got to forage, fish, and scavenge the shore for supplies. Chris likes the company of a curious, friendly raven more than he likes the prickly Frank.

But the boys have to get along if they want to survive. Because as the days get colder and the salmon migration ends, survival will take more than sheer force of will. Eventually, in the wilderness of Alaska, the boys discover an improbable bond—and the compassion that might truly be the path to rescue.

Legacy and the Double

Simon and Schuster

From the #1

internationally bestselling author of the “lush, evocative Gothic” (*The New York Times Book Review*) *The Doll Factory* comes an atmospheric and spectacular novel about a woman transformed by the arrival of a Victorian circus of wonders—“as moving as it is deeply entertaining” (Daniel Mason, *New York Times* bestselling author). Step up, step up! In 1860s England, circus mania is sweeping the nation. Crowds jostle for a glimpse of the lion-tamers, the dazzling trapeze artists and, most thrilling of all, the so-called “human wonders.” When Jasper Jupiter’s Circus of Wonders pitches its tent in a poor coastal town, the life of one

young girl changes forever. Sold to the ringmaster as a “leopard girl” because of the birthmarks that cover her body, Nell is utterly devastated. But as she grows close to the other performers, she finds herself enchanted by the glittering freedom of the circus, and by her own role as the Queen of the Moon and Stars. Before long, Nell’s fame spreads across the world—and with it, a chance for Jasper Jupiter to grow his own name and fortune. But what happens when her fame begins to eclipse his own, when even Jasper’s loyal brother Toby becomes captivated by Nell? No longer the quiet flower-picker, Nell knows her own place in the world, and she will fight for it. *Circus of Wonders* is a beautiful story about the “complex dance between exploitation and empowerment, and the question of what it really means to have control over your own life” (Naomi Ishiguro, author of *Escape Routes*). [The Fog Diver](#) Granity Studios
Inside Out and Back Again meets *One Crazy Summer* and *Brown Girl Dreaming* in this novel-in-verse about fitting in and

standing up for what’s right. It’s 1969, and the Apollo 11 mission is getting ready to go to the moon. But for half-black, half-Japanese Mimi, moving to a predominantly white Vermont town is enough to make her feel alien. Suddenly, Mimi’s appearance is all anyone notices. She struggles to fit in with her classmates, even as she fights for her right to stand out by entering science competitions and joining Shop Class instead of Home Ec. And even though teachers and neighbors balk at her mixed-race family and her refusals to conform, Mimi’s dreams of becoming an astronaut never fade—no matter how many times she’s told no. This historical middle-grade novel is told in poems from Mimi’s perspective over the course of one year in her new town, and shows readers that positive change can start with just one person speaking up. Winner of the 2015-2016 APALA Literature Award in the Children’s category! * “Readers will be moved by the empathetic lyricism of Mimi’s maturing voice.”--Kirkus Reviews, starred review * “This novel stands out

with it's thoughtful portrayal of race and its embrace of girls in science and technical fields. The verse, though spare, is powerful and evocative, perfectly capturing Mimi's emotional journey."-- School Library Journal, starred review
