VideoYou have studied
English for years, yet you

still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he

accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: * learn to speak like a native in six months or less * learn to do that on a busy schedule * learn to speak English without translating it first * learn grammar without memorizing grammar rules * learn to build a

vocabulary that lasts * learn to pronounce English words like native American or native British * learn to speak English fluently, correctly, naturally, effectively, effortlessly * and more... to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you

want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker.

 Input a Word, Analyze the World represents current perspectives on Corpus Linguistics (CL) from a variety of linguistic subdisciplines. Corpus

Linguistics has proven itself an excellent methodology for the study of language variation and change, and is well-suited for interdisciplinary collaboration, as shown by the studies in this volume. Its title is inspired by the use of CL to assess language in different registers and with a variety of purposes. This collection contains thirty contributions by scholars in the field from across the globe, dealing with current topics on corpus production and corpus tools; lexical analysis,

phraseology and grammar; translation and contrastive linguistics; and language learning. Language specialists will find these papers inspiring, as they present new insights on aspects related to research and teaching.

Easy Learning French Complete Grammar, Verbs and Vocabulary (3 books in 1): Trusted support for learning (Collins Easy Learning)

Simon & Schuster
The Collins Robert French Unabridged Dictionary is simply the best French

dictionary you can own. Here's why: More than 820,000 entries and translations. The Collins Robert French Unabridged Dictionary gives you comprehensive coverage of both French and English and the most up-to-date business, political, and technical terms. Native French and English speakers worked side by side to create a balanced treatment of both languages and to make authentic and appropriate translations. Most consistently updated. This edition has been

extensively revised and updated to cover all the vocabulary of today's French, including new phrases and indicators. In addition, this Unabridged edition includes exhaustive coverage of key works, and full treatment of irregular forms of verbs, nouns, and adjectives to create the most complete and accurate picture of real language available today. More colloquial usage than any other French dictionary. With its emphasis on current French and English, both

written and spoken, including all areas of modern life and featuring regional usage, the dictionary gives you the edge in finding the correct translation.

That's English! es un programa de educación a distancia para aprender inglés. Fue creado, dirigido y supervisado por el Ministerio de Educación y Ciencia en 1993 y se imparte en colaboración con las administraciones educativas de las CCAA

que garantizan la atención y seguimiento tutorial de los alumnos, así como su evaluación del progreso. Desde el año 2011, bajo la dirección y supervisión del Ministerio de Educación, Cultura y Deporte se están reelaborando todos los materiales para ponerlos al día. También se ha modificado la estructura del programa, añadiendo nuevos módulos que permitirán llegar no solo a los niveles básico e intermedio, sino también al avanzado. Con esta nueva configuración

se llegará a 12 módulos, repartidos en 6 cursos (dos módulos por curso). El curso de inglés That's English! es el resultado de una adaptación a la modalidad de educación a distancia de las enseñanzas impartidas en las Escuelas Oficiales de Idiomas. Para ello el Programa ha desarrollado una serie de materiales didácticos en diferentes soportes (papel, CD, DVD) para que los alumnos alcancen los niveles exigidos en cada curso. Following the same format as the highly praised 2000-2004 edition, *Recommended Books in Spanish for Children and Young Adults*, 2004-2008 is an

outstanding reference tool that includes annotated entries for more than 1,200 books in Spanish published between 2004 and 2008 in the U.S., Spain, Mexico, Venezuela, and Argentina. Each entry includes an extensive critical annotation, title in Spanish as well as English, tentative grade level, and approximate price. The books have been selected because of their quality of art and writing, presentation of material and appeal to the intended audience, and support the informational,

educational, recreational and personal needs of Spanish speakers from preschool through the twelfth grade. Whether used for the development and support of an existing library collection or for the creation of a new library serving Spanish-speaking young readers, the books in this volume are of value to Spanish-speaking children and young adults (or those who wish to learn Spanish). This volume is arranged in four sections: Reference, Nonfiction (Philosophy, Psychology, Religion,

Social Science, Folklore, Language, Science, Technology, Health and Medicine, The Arts, Recreation and Sports, Literature, Poetry, Geography, History, and Biography), Publishers' Series, and Fiction (Easy Books, General Fiction and Graphic Novels). This volume also includes an appendix of merchants who sell books in Spanish, as well as author, title, and subject indexes. [Input a Word, Analyze the World](#) Universidad de Salamanca

The concept of intersectionality has become a hot topic in academic and activist circles alike. But what

exactly does it mean, and why has it emerged as such a vital lens through which to explore how social inequalities of race, class, gender, sexuality, age, ability and ethnicity shape one another? In this new book Patricia Hill Collins and Sirma Bilge provide a much-needed, introduction to the field of intersectional knowledge and praxis. They analyze the emergence, growth and contours of the concept and show how intersectional frameworks speak to topics as diverse as human rights,

neoliberalism, identity politics, immigration, hip hop, global social protest, diversity, digital media, Black feminism in Brazil, violence and World Cup soccer. Accessibly written and drawing on a plethora of lively examples to illustrate its arguments, the book highlights intersectionality's potential for understanding inequality and bringing about social justice oriented change. Intersectionality will be an invaluable resource for anyone grappling with the main ideas, debates and

new directions in this field.
