Annotation. In the aftermath of 9/11 Islamic seminaries or madrasas received much media attention in India, mostly owing to the alleged link between madrasa education and forms of violence. Yet, while ample information on madrasas for boys is available, similar institutions of Islamic learning for girls have for the greater part escaped public attention so far. This study investigates how madrasas for girls emerged in India, how they

differ from madrasas for boys, and how female students come to interpret Islam through the teachings they receive in these schools. Observations suggest that, next to the official curriculum, the 'informal' curriculum plays an equally important role. It serves the madrasa's broader aim of bringing about a complete reform of the students' morality and to determine their actions accordingly. The eminent scholar of Islam, Sheikh-ul-Islam Imam Ibn Taymiyyah, discusses the real & original faith of Islam according to the Qur'an & Sunnah. It deals with the perfect and undefiled Islamic Faith and Creed of the As-Salaf-As-Salih (Pious Predecessors) particularly in regards to Allah's names and attributes, with solid arguments in brief words and terminologies. The book is highly appreciated by the scholars for its brevity as well as comprehensiveness; and for its contents produced in line

with the Qur'an and Sunnah in an appealing and manifest manner.

Imam Muslim (Muslim ibn al-Hajjaj) was born in 202 AH in Naysabur (817/818CE) and died in 261AH (874/875CE) also in Naysabur. He traveled widely to gather his collection of ahadith (plural of hadith), including to Iraq, Saudi Arabia, Syria and Egypt. Out of 300,000 hadith which he evaluated, approximately 4,000 were extracted for inclusion into his collection based on stringent acceptance criteria. Each report in his collection was checked and the veracity of the chain of reporters was painstakingly established. Sunni Muslims consider it the second most authentic hadith collection, after Sahih Bukhari. However, it is important to realize that Imam Muslim never claimed to collect all authentic traditions as his goal was to collect only traditions that all Muslims should agree on about accuracy. It is complete book 2 and book 3 of sahih muslim to guide the readers towards the path of sunnah

On the importance of Islamic prayer.

IZHAR-UL-HAQ THE TRUTH REVEALED. Amsterdam University Press

Not much is known about what is arguably the world's, and certainly India's, largest Islamic organization -- the Tablighi Jamaat. From poverty-stricken peasants of Bihar to dairy farmers of Mewat, its members attend three-day retreats in local mosques, and at times, the Markaz in Delhi. They come of their own free will, at their own expense. The Tabligh tells its members to look within, that life is about internal cleansing with regular prayer that paves the path to spiritual uplift. Unlike other Islamic organizations that balance the here and the hereafter, the Tabligh is concerned only about 'matters beyond the sky and under the earth'. Its steadfast refusal to take a political stand has stood it in good stead. It is the 'ideal Muslim organization' for some -- focused solely on introspection in isolation. Now, for the first time, author Ziya Us Salam provides an inside view of the organization that unwittingly became a 'hotspot' during the novel coronavirus pandemic in 2020.

The page quality,

Faza'il-e-A'maal (originally titled Tablighi Nisab -Curriculum for Tabligh), is a religious text composed mainly of treatises by the Indian Deobandi hadith scholar Muhammad Zakariya Kandhlawi for Tablighi Jamaat. The book is written in simple and lucid Urdu and is a collection of pious and edifying tales, based mostly on inspirational hadith traditions and anecdotes. The Fazaail-e-Aamaal, of Hadhrat Sheikhul Hadith, Moulana Muhammad Zakariyya Khandelwi (RA), is among the most famous and well known Islamic books in the world. Allah Ta'ala has granted this book great acceptance and popularity throughout the globe. Thousands of people read this book and benefit from it. To date it has been translated into more than a dozen languages. Last year (1432), some members of the Ta'limi Board (KZN) visited Nizaamuddeen and met one of the elders, Hadhrat Moulana Ya'qoob Saahib (daamat barakaatuhu), the ustaaz of Moulana Sa'aad Saahib (daamat barakaatuhu). Hadhrat Moulana advised them to commence the reading of the Fazaail-e-Aamaal to the children in order to encourage them to carry out the necessary aamaal (good deeds). He mentioned that we are teaching only the masaail (laws) of salaah, etc., in the makaatib but the children will not be encouraged to perform salaah by just learning the masaail. We will have to read to them the fazaail (virtues and benefits) to encourage them to perform salaah. Hadhrat Moulana Ya'qoob Saahib (daamat barakaatuhu) also advised that the Fazaail-e-Aamaal be simplified and brought down to the level of the children so that they are encouraged to engage in Aamaal-e-Saaliha (good deeds). Therefore, in the light of Hadhrat Moulana Ya'qoob Saahib's advice, Hadhrat Mufti Ebrahim Salejee Saahib (daamat barakaatuhu), the principal of

Madrasah Taleemuddeen, initiated the simplifying of the Fazaail-e-Amaal for the benefit of the children in the makaatib. This book is divided into 7 parts, viz. Stories of Sahaabah, Virtues of Salaah, Virtues of reciting the Quraan, Virtues of zikr, Virtues of Durood Shareef, Virtues of Ramadhaan and virtues of tableegh. Apart of each section should be read out and explained daily to the children. This should be done 5 minutes before they leave for home. The following order should be followed in reading this book to the children. Open permission is granted for the reprinting of this booklet provided it is without any alterations. The publisher of this book has made it very clear that "Open permission is granted for the reprinting of this booklet provided it is without any alterations." Please see here:

The Differences of the Imâms Independently Published
#1 New York Times, Wall Street Journal, and USA Today Bestseller! Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this

blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. *Secrets of the Millionaire Mind* is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!
