AVERY SCHMITT

Vienna 1900 John Wiley & Sons
Here is the story of political prisoners finally freed in December 2014, after being held captive by the United States since the late 1990s. Through the 1980s and 1990s, violent anti-Castro groups based in Florida carried out hundreds of military attacks on Cuba, bombing hotels and shooting up Cuban beaches with machine guns. The Cuban government struck back with the Wasp Network—a dozen men and two women—sent to infiltrate those organizations. The Last Soldiers of the Cold War tells the story of those unlikely Cuban spies and their eventual unmasking and prosecution by US authorities. Five of the Cubans received long or life prison terms on charges of espionage and murder. Global best-selling Brazilian author Fernando Morais narrates the riveting tale of the Cuban Five in vivid, page-turning detail, delving into the decades-long conflict between Cuba and the US, the growth of the powerful Cuban exile community in

Florida, and a trial that eight Nobel Prize winners condemned as a travesty of justice. The Last Soldiers of the Cold War is both a real-life spy thriller and a searching examination of the Cold War's legacy.

Beak & Ally #1: Unlikely Friends
HarperCollins UK

A biting satire of a particular despot and a deeply human allegory of the fragility of goodness and the contagion of unchecked power. Set twenty-odd years from now, it opens on Patient Number One—Vladimir Putin, largely forgotten in his presidential dacha, serviced by a small coterie of house staff, drifting in and out of his memories of the past. His nurse, charged with the twenty-four-hour care of his patient, is blissfully unaware that his colleagues are using their various positions to skim money, in extraordinarily creative ways, from the top of their employer's seemingly inexhaustible riches. But when a family tragedy means that the nurse suddenly needs to find a fantastical sum of money fast, the dacha's chef lets him in on the secret world of backhanders and bribes going on around him, and opens his eyes

to a brewing war between the staff and the new housekeeper, the ruthless new sheriff in town. A brilliantly cast modern-day Animal Farm, *The Senility of Vladimir P.* is a coruscating political fable that shows, through an honest man slipping his ethical moorings, how Putin has not only bankrupted his nation economically, but has also diminished it culturally and spiritually.

Lettres de Prison Chronicle Books

Following his appearance in the Aquaman 80th Anniversary 100-Page Super Spectacular, the scourge of the seas now gets his own series. Black Manta is chasing a rare metal with incredible powers, and he's not the only one who wants to get his hands on it, friend and foe alike! Torrid is a former ally who has escaped hell (literally!) to answer the call of the metal, but can Manta trust her? Hopefully so because he might need her help to fend off Devil Ray, a new competitor for the role of the biggest villain underwater.

INTRODUCING NEW HERO TORRID AND VILLAIN DEVIL RAY!

The Worldbuilder's Journal of Legendary Adventures (Dungeons & Dragons) Dark Horse Comics

In the 1970s and 1980s, the Disney animation studio redefined its creative vision in the wake of Walt Disney's death. This latest volume from renowned Disney historian Didier Ghez profiles Ken Anderson and Mel Shaw, whose work defined beloved classic Disney characters from films like *The Jungle Book*, *The Aristocats*, *Robin Hood*, and *The Rescuers*. With vivid descriptions of passages from the artists' autobiographies and interviews, accompanied by never-before-seen images of their art and process, this visually rich collection offers a rare view of the Disney leg—ends whose work

helped shape the nature of character and story development for generations to come. Copyright ©2019 Disney Enterprises, Inc. All Rights Reserved
They Drew as They Pleased Vol 5
Routledge

The kingdom of Nohmur has been a peaceful land for humans since the exorcist Eron Shirano repelled the demons and sealed the way to the underworld of Ruhmon. Generations later, sisters Lys and Rin are the heirs of the illustrious Shirano family, the most powerful exorcist clan charged with watching over the barrier and maintaining balance between the two worlds with the aid of Hikaten, the Sword of a Hundred Souls. Until one day, for unknown reasons, demons begin slipping through once more... and suddenly, Lys vanishes without a trace, leaving the sacred sword behind for her little sister to take up. As the underworld threat grows, Rin sets out alongside her companion, the mysterious Aghyr, to find her missing sister and figure out how to fortify the weakening barrier between her world and that of the monstrous creatures that threaten her kingdom once again.

Last Day on Earth Chronicle Books

Oswald the Lucky Rabbit was created in 1927 by Walt Disney and his team through twenty-six cartoon shorts. Not without fits and starts, the series and its impish title character were an instant hit with audiences. At the end of that initial run, Walt lost the contract to Oswald, which prompted the creation of Mickey Mouse. Over the years, Oswald became a footnote in the Disney story . . . until 2006, when The Walt Disney Company recovered rights to Walt's twenty-six shorts. Behind-the-scenes, a complex and labor-intensive search developed for the physical film footage of some Oswald

cartoons deemed "lost to time." For anyone interested in Disney origins, fascinated by early cinema, or entertained by a feisty little rabbit, this engaging and accessible volume delivers an in-depth look at Walt's first major animated success and the journey to reclaim the lost Disney films. This edition features updated text, newly discovered film images, a foreword by The Walt Disney Company CEO, Bob Iger, and six collectible prints.

The Senility of Vladimir P.: A Novel

Dark Horse Comics

A selection of nature's greatest imposters, tricksters and magicians. Whether to escape predators or to surprise their prey, the talented strategists of nature in *The Champions of Camouflage* survive using visual trickery and fascinating biology. Some simply change their clothing to suit the seasons, such as the willow ptarmigan who appears pure white in winter snow and golden-brown-red in the summer. Others, like the satanic leaf-tailed gecko who disguises itself amidst leaves to blend into its surroundings, are the same year-round but their appearance seamlessly blends them into the environment. Grasshoppers of the genus *Paraphidnia* and the African mantis *Popa spurca* perfectly imitate the small branches of trees, becoming virtually invisible to predators and prey. Some species use incredible stratagems to get rid of their enemies, of the frog *Physalaemus*, for example. When this amphibian is threatened, he turns his back to his opponent and shows his hindquarters on which is "painted" a pair of large black eyes. If the mask is not enough to intimidate the opponent, the fake eyes will emit an impressive "white secretion." That usually does the trick. The book is organized by the manner of

camouflage: The Art of Camouflage
Invisibility cloak Seasonal clothes Quick colors Changing Shapes Leaf imposters Moving twigs The watery art of disappearing Deception Game of Illusion At the masquerade ball In the eye of the beholder Trojan Horse Identity theft Bait and switch.

Chenonceau Brill Hotel

Discover turn-of-the-century Vienna in this exploration of its most important protagonists, complete with sumptuous double-page reproductions across painting, sculpture, architecture, and design, as well as an essay by Rainer Metzger. Marking the centenary of the deaths of masters Klimt, Schiele, Wagner, and Moser, this collection joins the Austrian capital in its 2018 celebration of Modernism.

The Champions of Camouflage Simon and Schuster

There is one fundamental thing that has changed in our societies since 1950: life has got longer. Over the last few generations, 20 or 30 years have been added to the duration of our lives. But after the age of 50, human beings experience a kind of suspension: no longer young, not really old, they are, as it were, weightless. It is a reprieve that leaves life open like a swinging door. The increase in life expectancy is a tremendous step forward that upsets everything: relations between generations, patterns of family life, the very meaning of our identity and our destiny. This reprieve is both exciting and frightening. The deadlines are getting shorter, the possibilities are shrinking, but there are still discoveries, surprises and upsetting love affairs. Time has become a paradoxical ally: instead of killing us, it carries us forward. What to do with this ambiguous gift? Is it only a question of living longer or living

more intensely? To continue along the same path or to branch out and start again? What about remarriage, a new career? How to avoid the weariness of living, the melancholy of the twilight years, how to get through great joys and great pains? Nourished by both reflections and statistics, drawing on the sources of literature, the arts and history, this book proposes a philosophy of longevity based not on resignation but on resolution. In short, an art of living this life to the full. Is there not a profound joy in being alive at the age when our ancestors already had one foot in the grave? This book is dedicated to all those who dream of a new spring in the autumn of life, and want to put off winter as long as they can.

The Netocracts Clarkson Potter Publishers

Based on Mindy Johnson's critically acclaimed Disney Editions title, *Ink & Paint: The Women of Walt Disney's Animation*, this nonfiction picture book is a fun and inspiring look at many of the amazing women who have worked at Disney Animation over the years—from Story Artists, to Animators to Inkers and Painters, all with unique personalities and accomplishments, such as becoming a record-holding pilot, or designing Hollywood monsters, or creating an international club for tall people!

Kenzo Takada Vintage

Elsa and Anna gather friends and family for an unforgettable trip to a harvest festival in a neighboring kingdom! After receiving an invitation to the harvest festival in the kingdom of Snoob, Anna and Elsa reminisce about the festivals they had attended as kids—only Anna doesn't quite remember . . . The sisters decide it's time to make some new memories. When they discover that their dear friend, Kai, is from the kingdom and

hasn't seen his brother in years, the trip to Snoob turns from festival fun to a reunion—years in the making! Elsa and Anna, along with Kai, Olaf, Kristoff, and Sven take off for an exciting ride outside the kingdom of Arendelle. The paths to Snoob are long and perilous, and before long the group is finding surprises at every twist and turn: rough terrain, dangerous mountain bridges, wild animals, and runaway wagons, but also, helpful new friends! Continue the adventures of Anna and Elsa in this journey of togetherness by Frozen:

Breaking Boundaries writer Joe Caramagna (DuckTales, Zootopia Comics Collection, Avengers Assemble, Marvel Universe Ultimate Spider-Man)! Collects Disney Frozen: Reunion Road issues #1-#3.

Disney Frozen: Reunion Road

Metropolitan Museum of Art
An official Dungeons & Dragons journal featuring 365 writing prompts to help role-players of all levels get their creative juices flowing. Building something from scratch is exciting, but it can also be a challenge. Within this journal lie 365 prompts to help you start your journey. Every page will steer you to strengthening the details of your world, whether you're playing within the vast Dungeons & Dragons cosmos or creating a landscape of your own design. You'll encounter insightful questions that encourage you to delve deep into the backstories of your characters and their enemies, and what drives them to a life of adventure. You'll also see prompts that reference D&D myths and legends, some familiar and others more obscure. Answer them as best you can or let them be the spark that starts your journey into the endless realms of D&D lore. Above all, this guided journal, like D&D itself, is driven by your imagination. There are no

wrong answers, paths, or rolls here (though once the game begins there are no guarantees). Nor do you need to be a master storyteller, writer, or artist. You just need to aspire to create and have the courage to build something you may have never before imagined.

Bruegel in Detail Talisman House Publishers

The perfect companion for the Bruegel year of 2019: an introduction to the famous painter through stunning large close-up details in a beautiful coffee table book. Flemish painter Pieter Bruegel the Elder (1525-1569), known for his beautiful landscapes and peasant scenes, is among the most popular artists in the history of Netherlandish painting. Reproducing all of Bruegel's best-known paintings, drawings and prints, this book reveals them as never before, in stunning large close-up details that showcase his mastery. Organized by his major themes - landscapes, daily life, biblical subjects and festive celebrations - it offers astonishing views of popular works of art such as *Hunters in the Snow*, *Peasant Wedding* and *The Tower of Babel*. The printings and drawings section includes his series on *Sins and Virtues*. Bruegel expert Manfred Sellink reveals how the painter introduced new subject matter into fine art and examines his use of landscape, perhaps the artist's greatest innovation.

A Dark Secret Flambar

The twenty-first century is a time of change for early learning in museums, due in part to society's evolving view of childhood, from an age of innocence to understanding the robust learning that defines the first years of life. This perspective is a catalyst for international conversation and continues to raise attention and interest across society. *Object Lessons and Early Learning*

leverages what is known about the cognitive development of young children to examine the power of learning through objects in museum and heritage settings. Exploring the history and modern day practice of object-based learning, Shaffer outlines the rationale for endorsing this approach in both formal and informal learning spaces. She argues that museums, as collecting institutions, are learning spaces uniquely positioned to allow children to make meaning about their world through personal connections to cultural artifacts, natural specimens, and works of art. A range of descriptive object lessons, inspired by objects in museums as well as from the everyday world, are presented throughout the text as examples of ways in which children can be encouraged to engage with museum collections. *Object Lessons and Early Learning* offers insights into strategies for engaging young children as learners in museum settings and in their everyday world, and, as such, will be essential reading for museum professionals, classroom educators, and students. It should also be of great interest to academics and researchers engaged in the study of museums and education.

Black Manta (2021-) #1 Disney Press Reproduces the artist's "One Hundred Aspects of the Moon" and explains the story behind each design. Includes a biography of Yoshitoshi.

Oswald the Lucky Rabbit: The Search for the Lost Disney Cartoons, Revised Special Edition DC Comics

A boy on the edge of adolescence fears his mother might be a robot; a psychotically depressed woman is entrusted with taking her niece and nephew trick-or-treating; a reluctant dad brings his baby to a coke-fueled party; a

teenage boy tries to prevent his mother from putting his estranged father's dogs to sleep. Ranging from a youth arts camp to an aging punk band's reunion tour, from a dystopian future where parents no longer exist to a ferociously independent bookstore, the stories in this collection revolve around the endlessly complex, frequently surreal system that is family.

The Solution Lies Within Alfred A. Knopf

'The Scale of Change' is the latest collection of poetry by Desmond Graham. It's opening sequence, 'Class' moves its focus from the proto-communist 'Diggers' of Surrey, to a wet St George's day in Dover - offering a 'condition of England' poem for our times, as light and readable as it is ambitious in its scope.

Disney Frankenstein, starring Donald Duck (Graphic Novel)

HarperCollins

This electrifying adaptation of the classic novel by Mary Shelly, starring Donald Duck, is a journey of creation that explores themes of nature and fate!

Donald Duck is Doctor Victor von Duckenstein--a doctor with a talent for the art of creation. Sent off to the desolate outskirts of the town of Ingolstadt by Uncle Scrooge von Duck, Victor searches for the secret to creation. In the midst of his experiments, he cannot ignore the longing in his heart for the lady Daisy Beth, who is betrothed to cousin, Gladstone. Drawing inspiration from old books of science and the temptation of challenging nature, Victor finds the means to make his vision into a reality. Spawning from an mix of scrap materials--the unthinkable is conceived--a breathing, living creature horrible to look at and with intentions unknown. Stricken with fear, the creature, Growl,

accidentally falls out a window, escaping the grasp of his creator. Victor, fearful of what he has just unleashed into the world, questions what he has created and seeks to find Growl before it's too late. But every story has another perspective to tell--enter the mind of the creature, Growl himself, and follow his path after the crucial fall. What has Victor von Duckenstein created and what is in store for a creature the first of its kind with nowhere to go?

Lautrec Simon and Schuster

Theodor Seuss Geisel Honor Award winner! "What do you get when you cross a crusty alligator and a perky bird? A surprising friendship you'll be sure to cheer for. Beak and Ally is a warm, funny winner!" —Terri Libenson, author of the New York Times bestselling Emmie & Friends series A brand-new early reader graphic novel series about finding friendship in unexpected places! This fun and funny buddy comedy is perfect for fans of Narwhal & Jelly, emerging readers, and all kids who love comics. Ally the alligator is perfectly happy being alone . . . until one day a noisy bird named Beak lands on her snout. Beak thinks Ally is lonely and needs a friend. He has all sorts of friendship goals in mind, like riding bikes together, going to the movies together, and even solving mysteries together! But when a Long-Billed Party Pooper crashes Beak's nest-warming party, Ally decides to show Beak something important to her: sticking up for what's right.

Object Lessons and Early Learning Acc Art Books

The book contains a collection of letters from prison written by Gabrielle Russier, a 30 year-old teacher whose love affair with a sixteen year-old student resulted in her prosecution, imprisonment, and suicide. Mavis Gallant provides an

interpretative essay.
