Guitar Music Collection of Vahdah

Olcott-Bickford Hal Leonard (Book). Finally, the long-awaited English edition of this historic Japanese book is here! The Beauty of the 'Burst pays tribute to Gibson's magnificent Sunburst Les Pauls made between 1958 and 1960, the most highly prized solidbody electric guitars ever. The magnitude of their value is directly related to their look (outrageous wood patterns, or "figured" timber), since non-players are paying top dollar for them. The book features lavish full-color photos of these beautiful instruments throughout; the guitars of famous players; a foreword

by Ted McCarty; a bio of the author, world renowned collector Yasuhiko Iwanade; and the "Science of the Burst" section with over 30 pages of detailed reference facts on every facet of the guitar, including colors, wood figure, pick-ups, hardware and qualities of "voice." This may be the closest guitarists will ever be able to get to these incredibly collectible beauties! 216 pages, 8-1/2 x 11 Softcover

Wildes Europa Oak Publications

The Blues Bag is both a songbook and an instruction book. It is, first of all, an anthology of blues songs, some of which are very well known; others have (as far as I know) never been in print before. As such, it can be used simply as a vehicle for learning new songs, and providing the words and guitar chords for songs you

already know. In addition, it provides for the learning guitarist fills, introductions, and turnarounds for the songs, as well as complete instrumental breaks for the majority of the blues presented in this collection. These breaks are written out both in standard music notation and guitar tablature.

Die Graphischen Künste Alfred Music Publishing

Fender's Stratocaster is arguably the number-one instrument icon of the guitar world. When introduced in 1954, its offset space-age lines, contoured body, and three-pickup configuration set the music world on its ear—it was truly unlike any guitar that had come before. In the hands of the world's most beloved players, the Stratocaster has since become a popular weapon of choice among rock, blues, jazz, and country players and, not coincidentally, is also one of the most copied electric guitars of all time. In this authoritatively written, painstakingly curated, and gloriously presented tribute to the 60-year-old Fender Stratocaster, author Dave Hunter covers the guitar's history from concept, design, and model launch through its numerous variations

and right up to the present. The story is illustrated with archival images of Stratocasters and their players in action, studio shots of Stratocasters of varied vintage and provenance, memorabilia associated with famous players, and profiles of over 30 noted Strat slingers through the ages. Influential rock'n' rollers like Buddy Holly, Hank Marvin, Ike Turner, and Dick Dale; blues players like Buddy Guy, Eric Clapton, Stevie Ray Vaughan, Robert Cray, Bonnie Raitt, and John Mayer; metal gods Richie Blackmore, Yngwie Malmsteen, and Dave Murray; esteemed rockers Jeff Beck, David Gilmour, Ronnie Wood, Robbie Robertson, Rory Gallagher, Mark Knopfler, and Wayne Kramer; and post-punk heroes The Edge, John Frusciante, and Billy Corgan are all included. And so, of course, is Jimi Hendrix. With its unprecedented level of detail and stunning visuals, *The Fender Stratocaster* is the only book tribute worthy of the world's greatest guitar.

100 Most Popular Songs for Fingerpicking Guitar Bruckmann Verlag (Guitar Solo). One hundred timeless songs from a wide variety of musical genres are featured in this collection of solo guitar

arrangements in standard notation and tab. Includes: Angel * Bless the Broken Road * Chances Are * Don't Know Why * Faithfully * Hallelujah * I Will Always Love You * Killing Me Softly with His Song * Memory * Stardust * Tears in Heaven * Woman * You Raise Me Up * and many more.

50 from the Fifties - Rock 'n' Roll Guitar Songbook Quarto Publishing Group USA. Guitar arrangements transcribed by the artists themselves, in standard notation and tab. Each edition includes a masterclass-style recording in which the artist walks you through the key aspects and techniques for each arrangement. Twenty-five beautiful Celtic melodies masterfully arranged for solo guitar, as performed by Jim Tozier on his Celtic Guitar album (Solid Air Records). Each amazingly accessible, yet truly beautiful arrangement was transcribed by Jim Tozier himself. The included full performance recording is so stunning that it alone is worth the price. Jim has been called one of the most eloquent Celtic guitarists in the world (Guitarnation.com), and his treatment of these traditional Irish and Scottish tunes is tasteful and true. This collection is

comprised of time-honored favorites and lesser-known Celtic gems, which makes it an essential resource for players of all levels. Online audio with full-length recordings and performance notes is included. Songs are arranged in DADGAD, CGDGAD, and CGCGCD tunings.
