Few things are as fun and entertaining, yet rewarding, as finishing a project with your kids. They get the joy of using their imaginations and using tools like adults, parents get the joy of spending time with the youngsters doing something positive, that teaches and that creates something the family can enjoy for a long time. These projects are all perfect for kids. They offer a range of difficulties. You can create a progression of projects so that if your kids really like working with their hands, you can move from one to the next with increasing difficulty. Some are very simple and feature only wood, paint and glue. Some require some power tools. That also means they also require a range of adult supervision. The great thing is that at their simplest, kids can focus their creativity on the grounds that there are no wrong answers. Each one has its own different needs in terms of supplies and fasteners. They also include how-to instructions and photos of raw materials and what the finished product should look like. Pick the right one for your kids and turn a rainy day special.

**DIY Cute Woodworking Projects: Guide to Make Wooden Toys for Children** Courier Corporation

Today's busier, faster society is waging an undeclared war on childhood. With too much stuff, too many choices, and too little time, children can become anxious, have trouble with friends and school, or even be diagnosed with behavioral problems. Now internationally renowned family consultant Kim John Payne helps parents reclaim for their children the space and freedom that all kids need for their attention to deepen and their individuality to flourish. *Simplicity Parenting* offers inspiration, ideas, and a blueprint for change:

- Streamline your home environment. Reduce the amount of toys, books, and clutter—as well as the lights, sounds, and general sensory overload.
- Establish rhythms and rituals. Discover ways to ease daily tensions, create battle-free mealtimes and bedtimes, and tell if your child is overwhelmed.
- Schedule a break in the schedule. Establish intervals of calm and connection in your child's daily torrent of constant doing.
- Scale back on media and parental involvement. Manage your children's "screen time" to limit the endless deluge of information and stimulation.

A manifesto for protecting the grace of childhood, *Simplicity Parenting* is an eloquent guide to bringing new rhythms to bear on the lifelong art of raising children.

**Made to Play!** Fox Chapel Publishing

**Wooden Dinky Toys** Shambhala

Delight young children and encourage play through unique handmade toys. From sewn and stuffed musical instruments to interlocking paper building blocks and wooden animal figurines, the projects in this book are meant to encourage open-ended play. Organized by kid-loving subjects, the toys here follow the themes of Zoo; House; Blocks, Cars & Trucks; Dress-Up; Music; and Art. Overall, the projects here are meant to stimulate imagination, build confidence through success and enjoyment, and enhance the bond between family and friends through the creation of unique, artistic handmade toys and crafts. The thirty-five projects in this book include a variety of crafts, from drawing to sewing and light woodworking. The toys presented here are made out of wonderfully tactile materials—repurposed fabrics, wood, and paper—and invite opportunities for creative and imaginative play. Every project is easy to complete, made with accessible materials, and requires little time to make. The projects are simple enough that endless variation can come from the making of each, leaving enough room for you to make the item to suit your own personal interests. With a design aesthetic that is clean, simple, and modern, each project is presented with full-color photos and hand-drawn instructional illustrations and templates. Projects include:

- Modern Doll House and Doll House Furniture
- Portable Zoo Animals
- Abstract Vertical Puzzle
- Wooden Nature Scene
- Bottle-Cap Tambourine
- Exploration Cape
- Modern Alphabet Game
- Shadow Puppet Theater
- And more!
