"The most powerful and enduring work of art ever written about American slavery." -Alfred Kazin When Abraham Lincoln met Harriet Beecher Stowe in 1862, he greeted her as "the little woman who wrote the book that made this great war." He was exaggerating only slightly. First published in 1852, Uncle Tom's Cabin sold more than 300,000 copies in its first year and brought home the evils of slavery more dramatically than any abolitionist tract possibly could. With its boldly drawn characters, violent reversals of fortune, and unabashed sentimentality, Stowe's work remains one of the great polemical novels of American literature, a book with the emotional impact of a round of cannon fire. For almost thirty years, The Library of America has presented America's best and most significant writing in acclaimed hardcover editions. Now, a new series, Library of America Paperback Classics, offers attractive and affordable books that bring The Library of America's authoritative texts within easy reach of every reader. A few days after, another woman came, in old Prue's place, to bring the rusk; Miss Ophelia was in the kitchen. "Lor!" said Dinah, "what's got Prue?" "Prue is n't coming any more," said the woman, mysteriously. "Why not?" said Dinah. "She an't dead, is she?" "We does n't exactly know. She's down cellar," said the woman, glancing at Miss Ophelia. A Key to Uncle Tom's Cabin A Key to Uncle Tom's Cabin is a publication by American author Harriet Beecher Stowe. It had been published to record the veracity of the depiction of slavery in Stowe's anti-slavery book Uncle Tom's Cabin (1852). First released in 1853 by Jewett, Proctor & Worthington, the publication also provides insights into Stowe's own views on slavery.

Aunt Phillis's Cabin; Or, Southern Life As It Is SeaWolf Press Uncle Tom's Cabin was the best-selling novel and the second best-selling book of the 19th century, following the Bible. It is credited with helping fuel the abolitionist cause in the 1850s. In the first year after it was published, 300,000 copies of the book were sold in the United States; one million copies were sold in Great Britain. Eight power presses, running incessantly, could barely keep up with the demand. In 1855, three years after it was published, it was called "the most popular novel of our day." The impact attributed to the book is great, reinforced by a story that when Abraham Lincoln met Stowe at the start of the Civil War, he declared, "So this is the little lady who started this great war." [13] The quote is apocryphal; it did not appear in print until 1896, and it has been argued that "the long-term durability of Lincoln's greeting as an anecdote in literary studies and Stowe scholarship can perhaps be explained in part by the desire among many contemporary intellectuals ... to affirm the role of literature as an agent of social change."

"Uncle Tom's Cabin" is Harriet Beecher Stowe's abolitionist masterpiece. The titular Uncle Tom is the slave of Mr. Shelby, the proprietor of a certain estate in Kentucky, which has fallen into disorder in consequence of the speculative habits of its owner, who, at the opening of the tale, is forced to part not only with Uncle Tom, but with a young quadroon woman named Eliza, the servant of Mrs. Shelby, and wife of George Harris, a slave upon a neighboring estate. Mrs. Harriet Beecher Stowe was an abolitionist and her book is a vehement and unrestrained argument in favor of her creed.

The process of translating works of literature to the silver screen is a rich field of study for both students and scholars of literature and cinema. The fourteen essays collected in this 2007 volume provide a survey of the important films based on, or inspired by, nineteenth-century American fiction, from James Fenimore Cooper's The Last of the Mohicans to Owen Wister's The Virginian. Many of the major works of the American canon are included, including The Scarlet Letter, Moby Dick and Sister Carrie. The starting point of each essay is the literary text itself, moving on to describe specific aspects of the adaptation process, including details of production and reception. Written in a lively and accessible style, the book includes production stills and full filmographies. Together with its companion volume on twentieth-

century fiction, the volume offers a comprehensive account of the rich tradition of American literature on screen.

The novel that changed the course of American history Published in 1852, Harriet Beecher Stowe's novel was a powerful indictment of slavery in America. Describing the many trials and eventual escape to freedom of the long-suffering, good-hearted slave Uncle Tom, it aimed to show how Christian love can overcome any human cruelty. Uncle Tom's Cabin has remained controversial to this day, seen as either a vital milestone in the anti-slavery cause or as a patronising stereotype of African-Americans, yet it played a crucial role in the eventual abolition of slavery and remains one of the most important American novels ever written. The protagonist of this fictional autobiography wrestles with race in America from the perspective of someone who learns that he is considered black but also that he can pass as white if he wants to. His personal ambitiousness and racial ambivalence makes him a sort of American Hamlet: undone by indecision. Will he be "a credit to his race" by advancing an African-American heritage he loves and appreciates in the face of a hostile culture, or will he retreat into the mediocrity of a safe, white, middle-class family life? Along the way, he shares his penetrating observations about race relations in the American north and south, about the "freemasonry" of subterranean black American culture, about the emerging bohemian jazz subculture in New York City, and about traditions of African American religious music and oratory. Published in 1852, the novel had a profound effect on attitudes toward African Americans and slavery in the U.S. and is said to have "helped lay the groundwork for the Civil War". Stowe, a Connecticut-born teacher at the Hartford Female Seminary and an active abolitionist, featured the character of Uncle Tom, a long-suffering black slave around whom the stories of other characters revolve. Uncle Tom's Cabin was the best-selling novel of the 19th century and the second best-selling book of that century, following the Bible. [A Key to Uncle Tom's Cabin](#) W. W. Norton & Company Excerpt from A Visit to Uncle Tom's Cabin Ate in the month of August, 1892, I decided to make a visit to the old plantation in Natchitoches Parish, Louisiana, where I knew the original Uncle Tom's Cabin was still standing, just as it stood the day that the old slave died the tragic death that has been accorded him. And knowing that it was situated in the Southern portion of the parish, some twenty miles from the parish site Natchitoches, I decided to go first to that place and ascertain from the Records of Deeds

and whatever else I could find, something more of the authenticity of the story, it being my purpose, in case I could establish the fact that it was the real cabin, to make such terms as might be made with the owner of it, and then remove it to Chicago, where it would be placed upon exhibition during the World's Fair to be held in that city in 1892 and 1893. In accordance with this plan I arrived at the old town of Natchitoches, situated on the west bank of the Red river, on the morning of the 30th day of August. Brighten the season with tales from the master of Christmastime fiction. Charles Dickens' most famous holiday story was the 1843 publication, *A Christmas Carol*, but he was a prolific writer in the yuletide genre and a great contributor to many now-prevalent traditions of the holiday itself. In the year following the release of *A Christmas Carol*, Dickens released *The Chimes: A Christmas Story of Some Bells That Rang an Old Year Out and a New Year In*. This story combined his usual sympathy for the poor with the notion that we must always strive to live in nobler ways. In 1845 came *The Cricket on the Hearth*, a novella that, in its time, surpassed even *A Christmas Carol* in popularity for stage productions. The years 1846 and 1848 respectively saw published *The Battle of Life and The Haunted Man and the Ghost's Bargain*. Given this wealth of Christmas-themed works, it is no wonder that Dickens is sometime referred to as "the man who invented Christmas." Perfect for both fans of Dickens' work and those who just find special pleasure in the holiday spirit, these five Christmas stories are now available as part of the Word Cloud Classics series, providing a chic, inexpensive introduction to timeless tales. Uncle Tom's Cabin : (Illustrated) Classic Edition with Original Illustrations Delphi Classics

Excerpt from *Uncle Tom's Cabin: Life Among the Lowly* The scenes of this story, as its title indicates, lie among a race hitherto gnored by the associations of polite and refined society; an exotic race, whose ancestors, born beneath a tropic sun, brought with them, and perpetuated to their descendants, a character so essentially unlike the hard and dominant Anglo-Saxon race, as for many years to have won from it only

misunderstanding and contempt. But another and better day is dawning; every influence of literature, of poetry and of art, in our times, is becoming more and more in unison with the great master chord of Christianity, "good will to man." The poet, the painter and the artist, now seek out and embellish the common and gentler humanities of life, and, under the allurements of fiction, breathe a humanizing and subduing influence, favorable to the development of the great principles of Christian brotherhood. The hand of benevolence is everywhere stretched out, searching into abuses, righting wrongs, alleviating distresses, and bringing to the knowledge and sympathies of the world the lowly, the oppressed, and the forgotten. In this general movement, unhappy Africa at last is remembered; Africa, who began the race of civilization and human progress in the dim, gray dawn of early time, but who, for centuries, has lain bound and bleeding at the foot of civilized and Christianized humanity, imploring compassion in vain. But the heart of the dominant race, who have been her conquerors, her hard masters, has at length been turned towards her in mercy; and it has been seen how far nobler it is in nations to protect the feeble than to oppress them. Thanks be to God, the world has at last outlived the slave-trade! The object of these sketches is to awaken sympathy and feeling for the African race, as they exist among us; to show their wrongs and sorrows, under a system so necessarily cruel and unjust as to defeat and do away the good effects of all that can be attempted for them, by their best friends, under it. In doing this, the author can sincerely disclaim any invidious feeling towards those individuals who, often without any fault of their own, are involved in the trials and embarrassments of the legal relations of slavery. Experience has shown her that some of the noblest of minds and hearts are often thus involved; and no one knows better than they do, that what may be gathered of the evils of slavery from sketches like these is not the half that could be told, of the unspeakable whole. In the northern states these representations may, perhaps, be thought caricatures; in the southern states are witnesses who know their fidelity. What personal knowledge the author has had, of the truth of incidents such as here are related, will appear in its time. It is a comfort to hope, as so many of the worlds sorrows and wrongs have, from age to age, been lived down, so a time shall come when sketches similar to these shall be valuable only as memorials of what has long ceased to be. When an enlightened and Christianized community shall have, on the shores of Africa, laws, language and literature, drawn from among us, may then the scenes of the house of bondage be to them like the remembrance of Egypt to the Israelite, a motive of thankfulness to Him who hath redeemed them! For, while politicians contend, and men are swerved this way and that by conflicting tides of interest and passion, the great cause of human liberty is in the hands of One, of whom it is said: "He shall not foil nor be discouraged Till He have set judgment in the earth." "He shall deliver the needy when he crieth, The poor, and him that hath no helper." "He shall redeem their soul from deceit and violence, And precious shall their blood be in His sight." *Uncle Tom's Cabin, Or Life Among the Lowly, Vol. 2 Of 2* Standard Ebooks

Volume Two of the Harriet Beecher Stowe classic. Originally published beginning June 5, 1851 as a serial in *The National Era*, an abolitionist weekly published in Washington, DC., Stowe's anti-slavery novel was finished forty-three chapters and one year later. John Jewett's small publishing house published the book on March 20, 1852, a couple of weeks before the serial ended. *Uncle Tom's Cabin* was the best-selling novel of the 19th century and is credited with significantly advancing the abolitionist cause.
