The Sales and Use Tax Answer Book is the key reference source for which practitioners have been searching. Not only is it comprehensive and clear; it also provides extensive citation to important case and statutory law. Forty-five states and the District of Columbia impose a sales tax on the retail sale of tangible personal property and selected services. In addition, there are 7,500 cities, municipalities, towns, school districts, counties, and other special taxing districts that levy sales and use taxes. The varying rates, the changing jurisdictional boundaries, the different tax bases, and the often inconsistent and contradictory interpretations of similarly worded statutes are all covered. The book also includes a chapter on sales tax reforms, particularly the Streamlined Sales Tax Project.

This textbook, originally by D. Annand and H. Dauderis, was intended for a first course in introductory financial accounting. It focuses on core introductory financial accounting topics that match pre-requisite requirements for students advancing to Intermediate Financial Accounting. A corporate approach is utilized versus beginning with a sole proprietorship emphasis and then converting to a corporate approach; this consistency throughout the book reduces confusion for the introductory student. This most recent revision by D. Marchand converted the text from IFRS to reflect the Generally Accepted Accounting Principles of the United States (U.S. GAAP).

Century 21's new approach to Working Papers simplifies the paper trail. Each problem has an individual set of working paper pages that can be completed and turned in for grading. We've eliminated the overlap between problems, making it easier for students to complete and teachers to grade. These Working Papers are to be used in the study of chapters 17-24 of C21 Accounting, Multicolumn Journal Approach. Forms are provided for: Work Together exercises, On Your Own exercises, Application Problems, Mastery Problems, Challenge Problems, Reinforcement Activities 1 and 2. Printed on each page is the number of the problem in the textbook for which the form is to be used. Also shown is a specific instruction number for which the form is to be used. You may not have to use every form that is provided. The pages are perforated so that they can be removed.
