<i>Discourse on the State of the Jews</i> University of Wales Press <p>Includes section "Reviews"</p> Adult Catalog: Title University of Wales Press <p>A Bilingual New York Review Books Original Vivant Denon's No Tomorrow is one of the masterpieces of eighteenth-century French libertine literature, a book to set beside Choderlos de Laclos' Les Liaisons dangereuses, except that where Laclos' icy novel tells of hellish depravity, Denon's ravishing novella is a paradisal diversion. This tale of seduction is itself a seduction, with a plot that could be said to slowly unveil itself before arriving at last at an unexpected consummation. Summoned by Madame de T—— to her country house, the young hero of Denon's novella is taken on a tour of the grounds, only the beginning of a night that not only will be full of unanticipated delights but will give rise to unforeseen, perhaps unanswerable, questions. Lydia Davis's definitive translation of Denon's slim masterpiece is accompanied by the French text. Peter Brooks's illuminating introduction explores the mysteries of No Tomorrow's original publication and the subtleties of Denon's ethics of pleasure.</p> Theatre Censorship in Spain, 19311985 Collins Reference <p>This is the first book-length English-language study of a group of five artists closely linked with the Spanish avant-garde in the 1920s and 1930s, now known as the 'Other' Generation of 27. In the same way that their contemporaries of the celebrated Generation of 27 (which included Federico Garcia Lorca) attempted a revolution of the arts through poetry inspired by European modernism, the 'Other' Generation of 27 attempted to renovate Spanish humour, first in prose, and then in the theatre and cinema. This book demonstrates how these humorists drew on the humour of Chaplin, Keaton, Lubitsch and the Marx Brothers for their stage comedy, and how they stretched the limits of the stage at the time by incorporating cinematic techniques, such as flashback, voice-overs and montage, in their search for new dramatic forms.</p> Dictionary Catalog of the University Library, 1919-1962 New York Review of Books <p>Spanish cinema is emerging as one of the most exciting, fascinating, and special cinemas in the world. Not only are others viewing Spanish films, but they are adopting Spanish producers and Spanish actors as their own. While Spanish cinema has been maturing for a long time and has been producing excellent directors, actors, and films for decades_including during the dark times of the Franco regime_only now is it winning numerous fans not only at home but also abroad. And with directors like Pedro Almod-var, actors and actresses like Javier Bardem and PenZlope Cruz, and films such as Abre los ojos and Alatriste to build upon, the outlook for Spanish Cinema appears brighter than ever. The Historical Dictionary of Spanish Cinema provides a better understanding of the role Spanish cinema has played in film history through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on producers, directors, film companies, actors, and films.</p> <i>Enrique Jardiel Poncela</i> Greenwood <p>This volume traces the modern critical and performance history of this play, one of Shakespeare's most-loved and most-performed comedies. The essay focus on such modern concerns as feminism, deconstruction, textual theory, and queer theory.</p> <i>Catalog of the Theatre and Drama Collections</i> London : Bowker-Saur <p>This is a comprehensive study of the impact of censorship on theatre in twentieth-century Spain. It draws on extensive archival evidence, vivid personal testimonies and in-depth analysis of legislation to document the different kinds of theatre censorship practised during the Second Republic (1931–6), the civil war (1936–9), the Franco dictatorship (1939–75) and the transition to democracy (1975–85). Changes in criteria, administrative structures and personnel from these periods are traced in relation to wider political, social and cultural developments, and the responses of playwrights, directors and companies are explored. With a focus on censorship, new light is cast on particular theatremakers and their work, the conditions in which all kinds of theatre were produced, the construction of genres and canons, as well as on broader cultural history and changing ideological climate – all of which are linked to reflections on the nature of censorship and the relationship between culture and the state.</p> <i>The Comic Spirit in the Plays of Enrique Jardiel Poncela</i> Espasa-Calpe <p>Ephraim Katz's The Film Encyclopedia is the most comprehensive single-volume encyclopedia on film and is considered the undisputed bible of the film industry. Completely revised and updated, this seventh edition features more than 7,500 A–Z entries on the artistic, technical, and commercial aspects of moviemaking, including: Directors, producers, actors, screenwriters, and cinematographers; Styles, genres, and schools of filmmaking; Motion picture studios and film centers; Film-related organizations and events; Industry jargon and technical terms; Inventions, inventors, and equipment; Plus comprehensive listings of academy award-winning films And artists, top-grossing films, and much more!</p> Directory of Spanish and Portuguese Film-Makers and Films Walter de Gruyter GmbH & Co KG <p>Organized into author, source, and title indexes, this volume contains lists of plays by Galician, Catalan, and Basque writers, as well as those writing in Castilian Spanish. Many of these plays date from early in the century because there were a number of Spanish weeklies that published dramatic pieces at that time. Harvell, a professor at the Copley Library, U. of San Diego, also includes translations into English, where they exist. Annotation copyrighted by Book News, Inc., Portland, OR</p>

A research tool for students of literature, film, and media studies with a listing of some 7,500 film treatments of literature done between 1930 and 1990 worldwide. An alphabetical author index provides form of work, nationality, literary and film titles, publication date, and director. The film ind **Motion Picture Players' Credits** McFarland Publishing

This new book catalogues some 215 prominent film directors from both countries, giving accurate bio-filmographies and providing an in-depth reference source. Full attention is given to the propaganda cinema under dictators Franco and Salazar, to film-makers who left to work abroad--especially in Latin America--and to those filming in the regional languages (mainly Basque and Catalan). There is coverage not only of internationally well-known figures Almodovar, Bunuel, Oliveira, and Saura, but also across the complete range of feature, documentary, and animation film-making: early pioneers Segundo de Chomon, Catalans Jose Maria Codina, Fructuoso Gelabert, and Magi Muria, and Portuguese Aurelio da Paz dos Reis; experimentalists and avant-garde figures such as Lorenzo Llobet-Gracia, Jose Val del Omar, and Nemesio Sobrevila and documentarist Antonio Campos; animators Cruz Delgado, Francisco Macian, and Arturo Moreno (who worked on the first full-length animated film in Europe, Garbancito de la Mancha, in 1945). Each entry gives information on the film-maker's career (date and place of birth, educational qualifications, work experience, positions held), together with a list of films made, with dates of production. There are three indexes: Country Index, Film Title Index, and General Index. The index of film titles lists over 3,000 entries, including the original languages and their English language and aka equivalents.

The Message of Allah, the Qur’an, has four rights: Qir’at (to read it) Tilawat (to understand and act upon its guidance) Tadabbur (to comprehend its teachings) and Balaghat (to preach and convey its Message). The right of “Balaghat” - was made a mandatory Assignment for the Muslim Ummah The Prophet Muhammad, peace be upon him, has clearly stated this assignment of the Muslim Ummah in the following words: “Ballaghû Annee Walo Âyah - Convey from me even if you have the knowledge of one Âyah.” In another Hadith he said: “O Muslims: The best among you are those who learn and teach the Qur’an.” At Hajja-tul-Wid’a Rasool Allah, peace be upon him, said: “O you, who are here, convey this message to those who are not here.” Al-Hamdulillah, this publication, Al-Qur’an - the Guidance for mankind, is meant to fulfill all these four rights of the Qur’an: It’s Arabic text is to read (Qir’at), translation of its meanings in contemporary easy American Language is to understand and act upon its guidance (Tilawat), information about Major Issues, Divine Laws and Guidance prior to the translation of each Sûrah is to comprehend its teachings (Tadabbur), and its distribution to Public Libraries, Muslims and non-Muslims at large is to convey its Message (Balaghat). We are inviting every one to join us in this mighty effort of Jihâd-bil-Qur’an in which Brothers as well as Sisters can participate equally. Since all personal working for this project are volunteers, therefore, 100% of the contributions are used for printing Al-Qur’an and making it available to Muslims and non-Muslims. Zaka-tul-Mall can also be used for this purpose. If you would like to get more information, pleasewrite us or visit our websites (Al-Quraan.org). La mejor historia está siempre por vivir. Un giro al destino. Un viaje. Una segunda oportunidad. Incapaz de recomponer sus propios pedazos, la profesora Blanca Perea acepta a la desesperada lo que anticipa como un tedioso proyecto académico. Su estabilidad personal acaba de desplomarse, su matrimonio ha saltado por los aires. Confusa y devastada, la huida a la insignificante universidad californiana de Santa Cecilia es su única opción. El campus que la acoge resulta, sin embargo, mucho más seductor de lo previsto, y la labor de catalogar el legado de su viejo compatriota y profesor Andrés Fontana, fallecido décadas atrás, dista enormemente de ser tan insustancial como prometía. A medida que se afana en vertebrar la memoria de aquel hispanista olvidado, junto a ella va ganando cercanía Daniel Carter, un colega americano veterano y atractivo que no ocupa el sitio que debería ocupar. Entre ambos hombres, uno a través de sus testimonios póstumos y otro con su complicidad creciente, Blanca se verá arrastrada hacia un entramado de sentimientos encontrados, intrigas soterradas y puertas sin cerrar. Antes de encontrar respuestas, Blanca aún tiene mucho que entender. Con la misma narrativa lírica y personajes inolvidables característicos de El Tiempo entre Costuras, María Dueñas nos regala una segunda novela luminosa, un tributo a las segundas oportunidades, la reconciliación y la reconstrucción.

In 1638, a small book of no more than 92 pages in octavo was published “appresso Gioanne Calleoni” under the title “Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice.” It was dedicated to the Doge of Venice and his counsellors, who are labelled “lovers of Truth.” The author of the book was a certain Simone (Simḥa) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto’s political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly

commendable because the Jews are “wellsuited for trade,” much more so than others (such as “foreigners,” for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto’s argument is that this talent could be put at the service of the Venetian government in order to maintain – or, more accurately, recover – its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism’s alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto’s resort to sceptical strategies in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto’s texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and

scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.
