SIDNEY BRAYDON

Midrash Schocken

In this companion volume to his celebrated series *Covenant & Conversation*, Rabbi Jonathan Sacks mines the weekly Torah portions for insights into the nature of power, authority, and leadership. Based on the understanding that no man is born a leader, the book explores the principles, and perils, of

becoming one. Profound, eloquent, and deeply inspiring, *Lessons in Leadership* reveals the biblical secrets of influence, as relevant now as they were three thousand years ago.

The Rock, the Road, and the Rabbi Paraclete Press

Offers advice on personal finance and creating wealth based on the principles of Jewish tradition.

The Book of Revelation Decoded McGill-Queen's Press - MQUP

One day a Georgia-born

son of an Orthodox rabbi discovers that his enthusiasm for Judaism is flagging. He observes the Sabbath, he goes to synagogue, and he even flies to New York on weekends for a series of "speed dates" with nice, eligible Jewish girls. But, something is missing. Looking out of his window and across the street at one of the hundreds of churches in Atlanta, he asks, "What would it be like to be a Christian?" So begins Benyamin Cohen's hilarious journey that is *My Jesus Year*—part

memoir, part spiritual quest, and part anthropologist's mission. Among Cohen's many adventures (and misadventures), he finds himself in some rather unlikely places: jumping into the mosh-pit at a Christian rock concert, seeing his face projected on the giant JumboTron of an African-American megachurch, visiting a potential convert with two young Mormon missionaries, attending a Christian "professional wrestling" match, and waking up early for a

sunrise Easter service on top of Stone Mountain—a Confederate memorial and former base of operations for the KKK. During his year-long exploration, Cohen sees the best and the worst of Christianity— —from megachurches to storefront churches; from crass commercialization of religion to the simple, moving faith of the humble believer; from the profound to the profane to the just plain laughable. Throughout, he keeps an open heart and mind, a good sense of humor, and

takes what he learns from Christianity to reflect on his own faith and relationship to God. By year's end, to Cohen's surprise, his search for universal answers and truths in the Bible Belt actually make him a better Jew.

Master Bible scholar and teacher Marc Brettler argues that today's contemporary readers can only understand the ancient Hebrew Scripture by knowing more about

the culture that produced it. And so Brettler unpacks the literary conventions, ideological assumptions, and historical conditions that inform the biblical text and demonstrates how modern critical scholarship and archaeological discoveries shed light on this fascinating and complex literature. Brettler surveys representative biblical texts from different genres to illustrate how modern scholars have taught us to "read" these texts. Using the "historical-critical

method" long popular in academia, he guides us in reading the Bible as it was read in the biblical period, independent of later religious norms and interpretive traditions. Understanding the Bible this way lets us appreciate it as an interesting text that speaks in multiple voices on profound issues. This book is the first "Jewishly sensitive" introduction to the historical-critical method. Unlike other introductory texts, the Bible that this book speaks about is the Jewish

one -- with the three-part TaNaKH arrangement, the sequence of books found in modern printed Hebrew editions, and the chapter and verse enumerations used in most modern Jewish versions of the Bible. In an afterword, the author discusses how the historical-critical method can help contemporary Jews relate to the Bible as a religious text in a more meaningful way. *New Light on the Difficult Words of Jesus* Zondervan Is Reading the Bible the Fastest Way to Lose Your Faith? For centuries, the

Bible was called "the Good Book," a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. Whether you are a Christian, a doubter, or someone exploring the Bible for the first time, bestselling author Dan Kimball guides you step-by-step in how to make sense of these

difficult and disturbing Bible passages. Filled with stories, visual illustrations, and memes reflecting popular cultural objections, *How (Not) to Read the Bible* is a lifeline for individuals who are confused or discouraged with questions about the Bible. It also works great as a small-group study or sermon series.

Listening to the Language of the Bible Thomas Nelson

As soon as it appeared, *How to Read the Bible* was recognized as a masterwork, "awesome,

thrilling" (The New York Times), "wonderfully interesting, extremely well presented" (The Washington Post), and "a tour de force...a stunning narrative" (Publishers Weekly). Now in its tenth year of publication, the book remains the clearest, most inviting and readable guide to the Hebrew Bible around—and a profound meditation on the effect that modern biblical scholarship has had on traditional belief. Moving chapter by chapter, Harvard professor James

Kugel covers the Bible's most significant stories—the Creation of the world, Adam and Eve, Cain and Abel, Noah and the flood, Abraham and Sarah, Jacob and his wives, Moses and the exodus, David's mighty kingdom, plus the writings of Isaiah, Jeremiah, and the other prophets, and on to the Babylonian conquest and the eventual return to Zion. Throughout, Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have

traditionally understood them. The latter is not, Kugel shows, a naïve reading; rather, it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period. These highly ideological readers sought to put their own spin on texts that had been around for centuries, utterly transforming them in the process. Their interpretations became what the Bible meant for centuries and centuries—until modern scholarship came along.

The question that this book ultimately asks is: What now? As one reviewer wrote, Kugel's answer provides “a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition.”

Summary of Lois Tverberg's Reading the Bible with Rabbi Jesus

Aneko Press

Jonathan Magonet comes to the Bible with enthusiasm, wit and infectious humour rare in Bible scholars. As a rabbi

he brings the insights of two thousand years of Jewish Bible exegesis, but combines them with the critical skills of today's literary analysis of biblical texts. He draws off his own creativity as poet and songwriter both to read the biblical text and use it as a springboard for exploring the character of biblical personalities. He moves comfortably between the worlds of religious tradition and the questioning of the modern secular person. His skills as a popular lecturer and broadcaster help shape

this book. 'How a Donkey Reads a Bible' explores the biases and presuppositions we bring to our reading of the biblical text. 'My Part in the Fall of "King David"' recounts Jonathan Magonet's absurd experiences as technical adviser on a biblical epic but shows how many of the "special effects" of films have their literary equivalent in the pages of the Bible. He introduces us to fellow Bible enthusiasts who illuminate it through approaching it from a

variety of disciplines - theology, literary criticism, psychoanalysis and politics.
Reading the Old Testament Through Jewish Eyes Leader Guide Paulist Press
An invitation to all--regardless of religious background--to engage the Bible, grapple with its language, unlock its mysteries, and understand its relevance in our own time. Reading the Book is the model for Bill Moyers's forthcoming 10-part PBS series, Genesis: A Living

Conversation, to be aired in the fall of 1996.

The Complete Jewish Study Bible HarperCollins

What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them? What life-changing insights might emerge from such a transformative encounter? Lois Tverberg knows the treasures that await readers willing to learn how to read the Bible through Jewish eyes. By helping them understand the Bible as Jesus and his first-century listeners

would have, she bridges the gaps of time and culture in order to open the Bible to readers today. Combining careful research with engaging prose, Tverberg leads us on a journey back in time to shed light on how this Middle Eastern people approached life, God, and each other. She explains age-old imagery that we often misinterpret, allowing us to approach God and the stories and teachings of Scripture with new eyes. By helping readers grasp the perspective of its original

audience, she equips them to read the Bible in ways that will enrich their lives and deepen their understanding.

Thou Shall Prosper Simon and Schuster

The Bible speaks in words and phrases that come from a very different culture, place, and time. Hebraic ideas and imagery may sound foreign to our ears, but when we enter the minds of its ancient authors, we discover great new depth and meaning for our lives.

The Book of Job Jewish Publication Society

An interactive study of the Five Books of Moses. The book can be read from cover to cover or used to study each portion of the Torah as read weekly in the synagogue. Simple enough for teenagers, it is sophisticated enough for adults and rich in resources for preparing lectures, sermons, and talks.

The Forgotten Jesus John Wiley & Sons

A rare chance to know Jesus as his first disciples knew him. What would it be like to journey back to the first century and sit at

the feet of Rabbi Jesus as one of his Jewish disciples? How would your understanding of the gospel have been shaped by the customs, beliefs, and traditions of the Jewish culture in which you lived? Sitting at the Feet of Rabbi Jesus will change the way you read Scripture and deepen your understanding of the life of Jesus. It will also help you to adapt the rich prayers and customs you learn about to your own life, in ways that both respect and enrich your Christian faith. Sitting at

the Feet of Rabbi Jesus takes you on a fascinating tour of the Jewish world of Jesus, offering inspirational insights that can transform your faith. Ann Spangler and Lois Tverberg paint powerful scenes from Jesus' ministry, immersing you in the prayers, feasts, history, culture, and customs that shaped Jesus and those who followed him. In these pages, you will: Hear the parables as they must have sounded to first-century Jews, powerful and surprising. Join

conversations among the rabbis of Jesus' day. Watch with new understanding as the events of Jesus' life unfold. Experience new excitement about the roots of your Christian faith. This expanded edition includes a discussion guide for both individuals and groups, and instructions for a simple home Passover Seder celebration. *A Rabbi Reads the Bible* Zondervan Beginning with the Gospels, interpretations of the life of Jesus have

flourished for nearly two millennia, yet a clear and coherent picture of Jesus as a man has remained elusive. In *Rabbi Jesus*, the noted biblical scholar Bruce Chilton places Jesus within the context of his times to present a fresh, historically accurate, and revolutionary examination of the man who founded Christianity. Drawing on recent archaeological findings and new translations and interpretations of ancient texts, Chilton discusses in enlightening detail the philosophical and

psychological foundations of Jesus' ideas and beliefs. His in-depth investigation also provides evidence that contradicts long-held beliefs about Jesus and the movement he led. Chilton shows, for example, that the High Priest Caiaphas, as well as Pontius Pilate, played a central role in Jesus' execution. It is, however, Chilton's description of Jesus' role as a rabbi, or "master," of Jewish oral traditions, as a teacher of the Cabala, and as a practitioner of a Galilean form of Judaism that

emphasized direct communication with God that casts an entirely new light on the origins of Christianity. Seamlessly merging history and biography, this penetrating, highly readable book uncovers truths lost to the passage of time and reveals a new Jesus for the new millennium.

Reading the Bible with Rabbi Jesus Canongate U.S.

"Judaism, Christianity, and Islam all acknowledge the Hebrew Bible to be Sacred Scripture. And yet these

different, and often contradictory, religions each has its own way of reading the Bible, and interpreting it according to its own later sacred literature." "The Seventy Faces of Torah explains in clear and accessible language the Jewish art of reading and interpreting the Bible and introduces the reader to the major texts and genres of rabbinic literature."--

Business Secrets from the Bible Baker Books
Rabbi Evan Moffic has a passion for sharing Judaism and its traditions with Christian audiences. In *Reading the Old Testament Through Jewish Eyes*, Rabbi Moffic explores the Torah, the first five books of the Hebrew Bible, and highlights points of interest to Christians. He describes the role of the Torah in Jewish worship and practice and explores the key themes of each book guided by the wisdom of Jewish

interpreters through the centuries. Join Rabbi Moffic in this study of the Torah and find rich new insights into the biblical story. Discover how the Torah can be a source of wisdom, truth, and transformation in your life. Also available are a book and DVD to facilitate a six-week study.

The God of the Way

Maggid

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English

literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming

contemporary relevance.

A Life for God

InterVarsity Press

Explore the Jewish and Christian Scriptures with the world renowned Bible scholar and expert on Jewish evangelism, Rabbi Tovia Singer. This new two-volume work, *Let's Get Biblical! Why Doesn't Judaism Accept the Christian Messiah?*, takes the reader on an eye-opening journey through timeless passages in Tanach, and answers a pressing question: Why doesn't Judaism accept the Christian messiah?

Are the teachings conveyed in the New Testament compatible with ageless prophecies in the Jewish Scriptures? Rabbi Singer's fascinating new work clearly illustrates why the core doctrines of the Church are utterly incompatible with the cornerstone principles expressed by the Prophets of Israel, and are opposed by the most cherished tenets conveyed in the Jewish Scriptures. Moreover, this book demonstrates how the Church systematically and deliberately altered

the Jewish Scriptures in order to persuade potential converts that Jesus is the promised Jewish messiah. To accomplish this feat, Christian "translators" manipulated, misquoted, mistranslated, and even fabricated verses in the Hebrew Scriptures so that these texts appear to be speaking about Jesus. This exhaustive book probes and illuminates this thought-provoking subject. Tragically, over the past two millennia, the church's faithful have been completely oblivious

to this Bible-tampering because virtually no Christian can read or understand the Hebrew Scriptures in its original language. Since time immemorial, earnest parishioners blindly and utterly depended upon manmade Christian "translations" of the "Old Testament" in order to understand the "Word of God." Understandably, churchgoers are deeply puzzled by the Jewish rejection of their religion's claims. They wonder aloud why Jewish people, who are reared since

childhood in the Holy Tongue, and are the bearers and protectors of the sacred Oracles of God, do not accept Jesus as their messiah. How can such an extraordinary people dismiss such an extraordinary claim? Are they just plain stubborn? Let's Get Biblical thoroughly answers these nagging, age-old questions.

Let's Get Biblical!

Harper Collins Judaism and Christianity meet in scripture, which they share and about which they contend. In

Common Ground Father Andrew Greeley and Rabbi Jacob Neusner present their characteristically candid - and often provocative - interpretations of the history, context, and meaning of scripture. Written in alternating chapters, Common Ground reveals how a rabbi understands Christ, Mary, and St Paul, and how a priest views creation, Abraham and Sarah, and the prophets. Neusner calls upon the ancient Rabbinic approach to scripture -

the conversational dialogue of "Midrash" - while Greeley creatively renews the narrative tradition of Christianity. Together they show that differences in responses to scripture enrich the possibilities of biblical renewal. *Thinking about Good and Evil* Zondervan What would it be like for modern readers to sit down beside Jesus as he explained the Bible to them? What life-changing insights might emerge from such a transformative encounter?
