### **Why Good Girls Don't Get Ahead... But Gutsy Girls Do**

Penguin

For more than a year, Hillary Clinton has laid out an ambitious agenda to improve the lives of the American people and make our country stronger and safer. Stronger Together presents that agenda in full, relating stories from the American people and outlining the Clinton/Kaine campaign's plans on everything from apprenticeships to the Zika virus, including: -Building an economy that works for everyone, not just those at the top. -Making the biggest investment in good-paying jobs since World War II, including infrastructure, manufacturing, clean energy, and small business. -Making debt-free college a reality and tackling the student debt crisis. -Defeating ISIS, strengthening our alliances, and keeping our military strong. -Breaking down the barriers that hold Americans back by reforming our broken immigration

system, ending mass incarceration, protecting voting rights, and fixing our campaign finance system. -Putting families first through universal, affordable health care; paid family and medical leave, and affordable child care. Stronger Together offers specific solutions and a bold vision for building a more perfect union.

*Know Your Power* Penguin

From the bestselling author of *She Persisted!* First daughter turned activist and mother Chelsea Clinton shows kids how they can make a difference in their world. Filled with charts, photos, and lots of input from real kids, this is sure to inspire young readers. With an eye toward empowering and inspiring kids, Chelsea Clinton explores some of the biggest challenges facing our world today. Using data, charts and stories she unpacks challenges related to Poverty, Climate Change, Gender Equality, Health, Endangered Species and talks about what's being done to make a difference in each area--particularly by kids and teenagers. With lots of suggestions and ideas for action, Chelsea Clinton shares

her passion for helping others and shows readers that the world belongs to every single one of us, and every one of us counts--no matter how young. You can make a difference. You can make a change. It's your world. Contains new material from the author! Praise for *It's Your World*: "Clinton clearly paid attention to her parents' discussions at the dinner table, and she capably shares the lessons they imparted about the future impact of what we do in the present."--Publishers Weekly "[A] terrific resource for junior activists."--Booklist "This book is a resource for children and teens who also want to make a difference and may not know where to begin or may have an idea for ways they can make a difference."--VOYA

*She Speaks* Penguin

AN INSTANT #1 NEW YORK TIMES BESTSELLER Named one of the most anticipated novels of the season by People, Associated Press, Time, Los Angeles Times, Parade, St. Louis Post-Dispatch, The Guardian, Publishers Weekly, and more. From the #1 bestselling authors Hillary Clinton and Louise Penny comes a novel of unsurpassed thrills and incomparable insider expertise—*State of Terror*. After a tumultuous period in American politics, a new administration has just been sworn in, and to everyone's surprise the president chooses a political enemy for the vital position of secretary of state. There is no love lost between the president of the United States and Ellen Adams, his new secretary of state. But it's a canny move on the part of the president. With this appointment, he silences one of his harshest critics, since taking the job means Adams must step down as head of her multinational media conglomerate. As the new president addresses Congress for the first time, with Secretary

Adams in attendance, Anahita Dahir, a young foreign service officer (FSO) on the Pakistan desk at the State Department, receives a baffling text from an anonymous source. Too late, she realizes the message was a hastily coded warning. What begins as a series of apparent terrorist attacks is revealed to be the beginning of an international chess game involving the volatile and Byzantine politics of Pakistan, Afghanistan, and Iran; the race to develop nuclear weapons in the region; the Russian mob; a burgeoning rogue terrorist organization; and an American government set back on its heels in the international arena. As the horrifying scale of the threat becomes clear, Secretary Adams and her team realize it has been carefully planned to take advantage of four years of an American government out of touch with international affairs, out of practice with diplomacy, and out of power in the places where it counts the most. To defeat such an intricate, carefully constructed conspiracy, it will take the skills of a unique team: a passionate young FSO; a dedicated journalist; and a smart, determined, but as yet untested new secretary of state. *State of Terror* is a unique and utterly compelling international thriller cowritten by Hillary Rodham Clinton, the 67th secretary of state, and Louise Penny, a multiple award-winning #1 New York Times bestselling novelist.

*Gutsy Women Win* Broadleaf Books

For the youngest activists among us, a book geared just for them full of facts, stories, and tips on how to change the world, from #1 New York Times bestselling author Chelsea Clinton. What can I do to help save endangered animals? How can I eat healthy? Why do I need to cover my mouth when I cough? What do I do if I'm being bullied? With information on problems both large and

small, Chelsea Clinton breaks down the concepts of health, hunger, climate change, endangered species and bullying, so that readers can understand the world around them, and how they can make a difference in their own lives, as well as in their communities and the world at large. With comic drawings to illustrate Clinton's words, photographs of real live kids who are making a difference today, and lists of ways to get involved, this book is the perfect introduction to young activists who want to make the world a better place. A book equally important and welcome for any elementary school kid, the Cub Scout and Girl Scout set, and for moms who want to raise socially active children. Praise for *Start Now!*: \* "A must-have title for school and public libraries as well as young activists' home collections." -- Kirkus Reviews "There's a lot of interesting information here, and teachers may want to use this to spark class discussions." -- Booklist

### **Grandma's Gardens** Random House

On television, Wal-Mart employees are smiling women delighted with their jobs. But reality is another story. In 2000, Betty Dukes, a fifty-two-year-old black woman in Pittsburg, California, became the lead plaintiff in *Dukes v. Wal-Mart Stores*, a class action, representing 1.6 million women. In her explosive investigation of this historic lawsuit, journalist Liza Featherstone reveals how Wal-Mart, a self-styled "family-oriented," Christian company: Deprives women (but not men) of the training they need to advance. Relegates women to lower-paying jobs like selling baby clothes, reserving the more lucrative positions for men. Inflicts punitive demotions on employees who object to discrimination. Exploits Asian women in its sweatshops in Saipan, a U.S. commonwealth.

Featherstone goes on to reveal the creative solutions that Wal-Mart workers around the country have found, like fighting for unions, living-wage ordinances, and childcare options. *Selling Women Short* combines the personal stories of these employees with superb investigative journalism to show why women who work these low-wage jobs are getting a raw deal, and what they are doing about it. A new preface to the paperback edition will reflect on Wal-Mart's response to this lawsuit and its critics—including this one.

### Governing Global Health Basic Books

"American Spy updates the espionage thriller with blazing originality."—Entertainment Weekly "There has never been anything like it."—Marlon James, *GQ* "So much fun . . . Like the best of John le Carré, it's extremely tough to put down."—NPR NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • Entertainment Weekly • Esquire • BuzzFeed • Vulture • Real Simple • Good Housekeeping • The New York Public Library What if your sense of duty required you to betray the man you love? It's 1986, the heart of the Cold War, and Marie Mitchell is an intelligence officer with the FBI. She's brilliant, but she's also a young black woman working in an old boys' club. Her career has stalled out, she's overlooked for every high-profile squad, and her days are filled with monotonous paperwork. So when she's given the opportunity to join a shadowy task force aimed at undermining Thomas Sankara, the charismatic revolutionary president of Burkina Faso whose Communist ideology has made him a target for American intervention, she says yes. Yes, even though she

secretly admires the work Sankara is doing for his country. Yes, even though she is still grieving the mysterious death of her sister, whose example led Marie to this career path in the first place. Yes, even though a furious part of her suspects she's being offered the job because of her appearance and not her talent. In the year that follows, Marie will observe Sankara, seduce him, and ultimately have a hand in the coup that will bring him down. But doing so will change everything she believes about what it means to be a spy, a lover, a sister, and a good American. Inspired by true events—Thomas Sankara is known as “Africa’s Che Guevara”—*American Spy* knits together a gripping spy thriller, a heartbreaking family drama, and a passionate romance. This is a face of the Cold War you’ve never seen before, and it introduces a powerful new literary voice. **NOMINATED FOR THE NAACP IMAGE AWARD** • Shortlisted for the Center for Fiction First Novel Prize “Spy fiction plus allegory, and a splash of pan-Africanism. What could go wrong? As it happens, very little. Clever, bracing, darkly funny, and really, really good.”—Ta-Nehisi Coates “Inspired by real events, this espionage thriller ticks all the right boxes, delivering a sexually charged interrogation of both politics and race.”—*Esquire* “Echoing the stoic cynicism of Hurston and Ellison, and the verve of Conan Doyle, *American Spy* lays our complicities—political, racial, and sexual—bare. Packed with unforgettable characters, it’s a stunning book, timely as it is timeless.”—Paul Beatty, Man Booker Prizewinning author of *The Sellout*

**Living History** Simon and Schuster

Whale sharks have swum and chomped their ways into kids' hearts. With this book, readers can become whale shark experts

and learn how to save the animals they love. Featuring an introduction from Chelsea Clinton! Did you know that whale sharks are sometimes called domino fish because of the spots on their backs? How about that the smallest recorded whale shark was only fifteen inches long? Or that whale sharks have teeth on their eyes? Perfect for all animal lovers--and whale shark fans in particular--this book is filled with information that young readers will love to learn. From where whale shark habitats are found to what it's like to be a whale shark to why whale sharks are endangered and who has been working hard to save them, this book gives readers all the facts they know to become whale shark experts. Complete with black-and-white photographs, a list of fun whale shark facts, and things that kids can do right this very moment to help save whale sharks from extinction, this book, with an introduction by animal advocate Chelsea Clinton, is a must for every family, school, and community library.

Stronger Together Penguin

The past few decades have seen a massive increase in the number of international organizations focusing on global health. Campaigns to eradicate or stem the spread of AIDS, SARS, malaria, and Ebola attest to the increasing importance of globally-oriented health organizations. These organizations may be national, regional, international, or even non-state organizations-like *Medicins Sans Frontieres*. One of the more important recent trends in global health governance, though, has been the rise of public-private partnerships (PPPs) where private non-governmental organizations, for-profit enterprises, and various other social entrepreneurs work hand-in-hand with governments to combat specific maladies. A primary driver for

this development is the widespread belief that by joining together, PPPs will attack health problems and fund shared efforts more effectively than other systems. As Chelsea Clinton and Devi Sridhar show in *Governing Global Health*, these partnerships are not only important for combating infectious diseases; they also provide models for developing solutions to a host of other serious global health challenges and questions beyond health. But what do we actually know about the accountability and effectiveness of PPPs in relation to the traditional multilaterals? According to Clinton and Sridhar, we have known very little because scholars have not accumulated enough data or developed effective ways to assess them—until now. In their analysis, they uncovered both strength and weaknesses of the model. Using principal-agent theory in which governments are the principals directing international agents of various type, they take a closer look at two major PPPs—the Global Fund to Fight HIV/AIDS, TB and Malaria and the GAVI Alliance—and two major more traditional international organizations—the World Health Organization and the World Bank. An even-handed and thorough empirical analysis of one of the most pressing topics in world affairs, *Governing Global Health* will reshape our understanding of how organizations can more effectively prevent the spread of communicable diseases like AIDS and reduce pervasive chronic health problems like malnutrition.

**The Book of Gutsy Women** Simon and Schuster

Ten years ago one of America's most important public figures, First Lady Hillary Rodham Clinton, chronicled her quest both deeply personal and, in the truest sense, public to help make our society into the kind of village that enables children to become

able, caring resilient adults. *IT TAKES A VILLAGE* is a textbook for caring, filled with truths that are worth a read, and a reread. In her substantial new introduction, Senator Clinton reflects on how our village has changed over the last decade, from the internet to education, and on how her own understanding of children has deepened as she has watched Chelsea grow up and take on challenges new to her generation, from a first job to living through a terrorist attack. She discusses how the work she is doing in the Senate is helping children and looks at where America has been successful, improvements in the foster care system and support for adoption, and where there is still work to be done, providing pre-school programmes and universal health care to all our children. This new edition elucidates how the choices we make about how we raise our children, and how we support families, will determine how all nations will face the challenges of this century.

**Selling Women Short** Simon and Schuster

NEW YORK TIMES BESTSELLER • From the author of *American Wife* and *Eligible* . . . He proposed. She said no. And it changed her life forever. “A deviously clever what if.”—*O: The Oprah Magazine* “Immersive, escapist.”—*Good Morning America* “Ingenious.”—*The New York Times* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New Yorker* • NPR • *The Washington Post* • *Marie Claire* • *Cosmopolitan (UK)* • *Town & Country* • *New York Post* In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she's attending Yale Law School, and she's on the forefront of student activism and the women's rights movement. And then she meets Bill Clinton. A handsome,

charismatic southerner and fellow law student, Bill is already planning his political career. In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld's powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, *Rodham* is a singular and unforgettable novel.

**Rodham** Createspace Independent Publishing Platform  
From mother-daughter team Hillary Clinton and Chelsea Clinton comes a celebration of family, tradition and discovery, and an ode to mothers, grandmothers and the children they love. Grandma Dorothy shared her love of gardens with her daughter, Hillary, and her granddaughter, Chelsea. She taught them that gardens are magical places to learn, exciting spaces for discovery, quiet spots to spend time with family and beautiful

areas to share stories and celebrate special occasions. But most of all, she taught them that in her gardens, her love grew and blossomed. In this inspiring and heartwarming mother-daughter story, Hillary Clinton and Chelsea Clinton team up to show readers how sharing the things we love with the people we love can create powerful, everlasting bonds between generations. Praise for *Grandma's Gardens*: "A deeply affectionate tribute to the bounty of nature and the love of gardening." --Publishers Weekly "Filled with mindfulness, the story inspires children to reflect on family and keep memories alive." --Booklist

**She Persisted in Science** Simon and Schuster

Book Four in the *Gutsy Girls: Strong Christian Women Who Impacted the World* series introduces readers to real-life astronomer and leader in science, Dr. Jennifer Wiseman. Dr. Wiseman studies stars and interstellar clouds using radio, infrared, and optical telescopes. She has worked with several major astronomy observatories. This true story tells what happens when a girl's love and curiosity for nature meets her passion for God. Young readers begin the story by exploring nature with young Jennifer in Arkansas' Ozark Mountains and eventually adventure into the far reaches of the universe to learn about black holes, discover a comet, and explore the mysteries of God's creation.

**State of Terror** Penguin

The companion to Chelsea Clinton & Alexandra Boiger's #1 New York Times bestseller, *She Persisted*. Perfect for tiny activists, mini feminists and little kids who are ready to take on the world. Now abridged as a board book for our youngest feminists and activists! Women around the world have long dreamed big, even

when they've been told their dreams didn't matter. They've spoken out, risen up and fought for what's right, even when they've been told to be quiet. Whether in science, the arts, sports or activism, women and girls throughout history have been determined to break barriers and change the status quo. They haven't let anyone get in their way and have helped us better understand our world and what's possible. In this companion book to *She Persisted: 13 American Women Who Changed the World*, Chelsea Clinton introduces readers to a group of thirteen incredible women who have shaped history all across the globe. Now abridged as a board book for the earliest of readers, *She Persisted Around the World* is a book for everyone who has ever aimed high and been told to step down, for everyone who has ever raised their voice and been told to quiet down, and for everyone who has ever felt small, unimportant or unworthy. Alexandra Boiger's vibrant artwork accompanies this inspiring text that shows readers of all ages that, no matter what obstacles come their way, they have the power to persist and succeed. This book features: Marie Curie, Sor Juana Ines de la Cruz, Viola Desmond, Sissi Lima do Amor, Leymah Gbowee, Caroline Herschel, Wangari Maathai, Aisha Rateb, J.K. Rowling, Kate Sheppard, Yuan Yuan Tan, Mary Verghese and Malala Yousafzai. Praise for *She Persisted Around the World*: "Clinton again writes in a measured tone that is at once celebratory and defiant. Boiger's watercolor and ink artwork exudes warmth and subtle power." --Publishers Weekly Praise for *She Persisted*: \* "[A] lovely, moving work of children's literature [and a] polished introduction to a diverse and accomplished group of women." --Publishers Weekly, starred review "[*She Persisted*] will remind little girls that

they can achieve their goals if they don't let obstacles get in the way." --Family Circle "We can't wait to grab a copy for some of the awesome kids in our lives . . . and maybe some of the grown-ups, too." --Bustle "The fearlessness that characterizes the thirteen women in the book is what has emboldened us to constantly strive for progress and justice." --Amy Poehler's *Smart Girls*

#### Book of Gutsy Women Penguin

A powerful celebration of brilliant speeches by women throughout the ages, from Boudica to Greta Thunberg. 'A treasure trove of trailblazers...' Cathy Newman Looking at lists of the greatest speeches of all time, you might think that powerful oratory is the preserve of men. But the truth is very different - countless brave and bold women have used their voices to inspire change, transform lives and radically alter history. In this timely and personal selection of exceptional speeches, Yvette Cooper MP tells the rousing story of female oratory. From Boudica to Greta Thunberg and Margaret Thatcher to Malala, Yvette introduces each speech and demonstrates how powerful and persuasive oratory can be decidedly female. Written by one of our leading public voices, this is an inspirational call for women to be heard across the globe.

#### **Whispering In The Dark** Hachette Digital

Inspired by the #1 New York Times bestseller *She Persisted* by Chelsea Clinton and Alexandra Boiger, a chapter book series about women who spoke up and rose up against the odds-- including Wilma Mankiller! The descendant of Cherokee ancestors who had been forced to walk the Trail of Tears, Wilma Mankiller experienced her own forced removal from the land she grew up

on as a child. As she got older and learned more about the injustices her people had faced, she dedicated her life to instilling pride in Native heritage and reclaiming Native rights. She went on to become the first woman Principal Chief of the Cherokee Nation. In this chapter book biography by award-winning author Traci Sorell, readers learn about the amazing life of Wilma Mankiller--and how she persisted. Complete with an introduction from Chelsea Clinton, black-and-white illustrations throughout, and a list of ways that readers can follow in Wilma Mankiller's footsteps and make a difference! A perfect choice for kids who love learning and teachers who want to bring inspiring women into their curriculum. And don't miss out on the rest of the books in the She Persisted series, featuring so many more women who persisted!

**She Persisted: Wilma Mankiller** Grand Central Publishing  
One of the most intelligent and influential women in America reflects on her eight years as First Lady of the United States in a revealing book ?personal, political and newsmaking. During her husband's two administrations, Hillary Rodham Clinton redefined the position of First Lady. Strong-willed, impassioned, fiercely loyal, yet strikingly independent, Mrs Clinton inspired an unprecedented level of scrutiny and conjecture from the media and political foes. How this intensely private woman not only survived but prevailed is the dramatic tale of her book. Hillary Clinton looks back on her singular journey through the political and cultural arenas of American life. She shares the untold story of her White House years and recalls the challenging process by which she came to define herself as a wife, a mother, and a formidable politician in her own right. Mrs Clinton was the first

First Lady who played a direct role in shaping domestic policy; she was an unofficial ambassador for human rights and democracy around the world; and she helped save the Presidency during the impeachment crisis.

**Save the...Whale Sharks** Hachette UK

Girls need heroes. Why not introduce them to women who are smart, bold, courageous, and who love Jesus? -Amy L.

SullivanBook Two in the Gutsy Girls: Strong Christian Women Who Impacted the World series introduces readers to sisters, Corrie and Betsie ten Boom. This true story tells of two sisters love for God, His people, and each other during one of the most horrifying times in history, World War II. Risking their lives to assist Jews and underground workers, Corrie and Betsie ten Boom showed the world faith and forgiveness triumphs over evil. With Amy Sullivan's captivating text and Beverly Ann Wines' winsome illustrations, this book's powerful message will remain long after readers close the book.

**Gutsy Girls** Gutsy Girls

One by one the clocks of the town struck midnight, when the sounds died away the deep silence of windless night fell again over everything...' A great imagination makes for terrific ghost stories-stories that go beyond the tapping on the doors in the middle of a night or a whistling thrush or even a squeaky swing in the wind. This is a collection of some such horror stories selected and compiled by Ruskin Bond that will send shivers down your spine

*Start Now!* Scholastic Incorporated

From the author of the #1 New York Times bestseller *She Persisted* comes a beautiful book about the animals who share

our planet--and what we can do to help them survive. Did you know that blue whales are the largest animals in the world? Or that sea otters wash their paws after every meal? The world is filled with millions of animal species, and all of them are unique and special. Many are on the path to extinction. In this book, Chelsea Clinton introduces young readers to a selection of endangered animals, sharing what makes them special, and also what threatens them. Taking readers through the course of a day, *Don't Let Them Disappear* talks about rhinos, tigers, whales, pandas and more, and provides helpful tips on what we all can do to help prevent these animals from disappearing from our world entirely. With warm and engaging art by Gianna Marino, this book is the perfect read for animal-lovers and anyone who cares about our planet. Praise for *Don't Let Them Disappear*: "A winning heads up for younger readers just becoming aware of the wider

natural world." --Kirkus Reviews "An inviting . . . appeal to care for the planet and its most vulnerable creatures." --Publishers Weekly

#### **Bewildered** Penguin

The national bestseller that has inspired women everywhere to focus on what matters most and follow their dreams wherever they may lead. "Never losing faith, we worked to redeem the promise of America, that all men and women are created equal. For our daughters and our granddaughters today we have broken the marble ceiling. For our daughters and our granddaughters now the sky is the limit." —Nancy Pelosi, after being sworn in as Speaker of the House When Nancy Pelosi became the first woman Speaker of the House, she made history. Now she continues to inspire women everywhere in this thought-provoking collection of wise words—her own and those of the important people who played pivotal roles in her journey.
