Evangelism Is-- Heinemann Educational Books

A portrait of the pioneering 1960s-era singer-songwriter sheds light on her romance with painter Maria Desiderio as well as her revolutionary approach to songwriting.

Passion's Whisper Wm. B. Eerdmans Publishing

The coauthors of the bestselling *Peak Performance* dive into the fascinating science behind passion, showing how it can lead to a rich and meaningful life while also illuminating the ways in which it is a double-edged sword. Here's how to cultivate a passion that will take you to great heights—while minimizing the risk of an equally great fall. Common advice is to find and follow your passion. A life of passion is a good life, or so we are told. But it's not that simple. Rarely is passion something that you just stumble upon, and the same drive that fuels breakthroughs—whether they're athletic, scientific, entrepreneurial, or artistic—can be every bit as destructive as it is productive. Yes, passion can be a wonderful gift, but only if you know how to channel it. If you're not careful, passion can become an awful curse, leading to endless seeking, suffering, and burnout. Brad Stulberg and Steve Magness once again team up, this time to demystify passion, showing readers how they can find and cultivate their passion, sustainably harness its power, and avoid its dangers. They ultimately argue that passion and balance—that other virtue touted by our culture—are incompatible, and that to find your passion, you must lose balance. And that's not always a bad thing. They show readers how to develop the right kind of passion, the kind that lets you achieve great things without ruining your life. Swift, compact, and powerful, this thought-provoking book combines captivating stories of extraordinarily passionate individuals with the latest science on the biological and psychological factors that give rise to—and every bit as important, sustain—passion.

Book Love Loveswept

Probing the ominous side of career advice to "follow your passion," this data-driven study explains how the passion principle fails us and perpetuates inequality by class, gender, and race; and it suggests how we can reconfigure our relationships to paid work. "Follow your passion" is a popular mantra for career decision-making in the United States. Passion-seeking seems like

a promising path for avoiding the potential drudgery of a life of paid work, but this "passion principle"—seductive as it is—does not universally translate. *The Trouble with Passion* reveals the significant downside of the passion principle: the concept helps culturally legitimize and reproduce an exploited, overworked white-collar labor force and broadly serves to reinforce class, race, and gender segregation and inequality. Grounding her investigation in the paradoxical tensions between capitalism's demand for ideal workers and our cultural expectations for self-expression, sociologist Erin A. Cech draws on interviews that follow students from college into the workforce, surveys of US workers, and experimental data to explain why the passion principle is such an attractive, if deceptive, career decision-making mantra, particularly for the college educated. Passion-seeking presumes middle-class safety nets and springboards and penalizes first-generation and working-class young adults who seek passion without them. The ripple effects of this mantra undermine the promise of college as a tool for social and economic mobility. The passion principle also feeds into a culture of overwork, encouraging white-collar workers to tolerate precarious employment and gladly sacrifice time, money, and leisure for work they are passionate about. And potential employers covet, but won't compensate, passion among job applicants. This book asks, What does it take to center passion in career decisions? Who gets ahead and who gets left behind by passion-seeking? *The Trouble with Passion* calls for citizens, educators, college administrators, and industry leaders to reconsider how we think about good jobs and, by extension, good lives.

The Extraordinary Life of Jane Digby Premium PressAmer

"Is following your passion the key to personal and professional success? Your average self-help book or motivational speaker would likely respond to this question with a resounding YES and proceed to offer a detailed how-to guide to finding that passion and living up to it. *Unfollow Your Passion* does the unconventional opposite. In the spirit of Pixar's *Soul*, it encourages you to consider what you lose when you get laser-focused on a single pursuit. There is more to life than a single "spark." By narrowly focusing on the constant search for your one, defining passion—you might miss the infinite number of sparks that exist in anything and everything around you. Rich in playful banter, psychological research, and personal anecdotes, Terri Trespicio encourages you not to succumb to the pressure of defining yourself by your passion. Instead, it emboldens you to keep moving and engage passionately with your present"--

Soul Picnic Zebra Books

Key messages by today's leading Christian voices on what it means to possess a passion for Jesus Christ What exactly is it that instills passion in a person's soul? What brings the fire to make a difference, the desire for significance, the power to live a life that matters? And who will lead us in this quest toward the future of the Church? In this remarkable book, some of today's most gifted communicators highlight the dedicated generation that is rising up to show us how to lean toward the centrality of Jesus Christ and His bright light of glory that brings purpose to our own lives

and proper glory to God the Father. Since it first began in 1995, Passion has had the privilege of encountering millions of believers under the age of 25, a sea of men and women whose lives have been transformed by the power of the Holy Spirit. Their voice is getting louder as they rise, united as a generation, bringing hope and light to the world. Author and general editor Louie Giglio has brought together these incredible authors to share their thoughts on what it means to burn with a passion for Christ. As delivered to Passion Conferences, the book includes contributions from Giglio himself as well as multiple chapters from: Francis Chan John Piper Beth Moore Judah Smith Christine Caine The wave is growing into a global awakening. Join the movement.

Abducted by outlaws and abandoned in the desert, Justina Claybourne falls in love with her rescuer, Matthew McAllister, an Indian raised by white settlers

How to Identify and Leverage the Powerful Patterns That Shape Your Work/life Zebra Books

The PassionBook is the most famous work of erotica in the vast literature of Tibetan Buddhism, written by the legendary scholar and poet Gendun Chopel (1903-1951). Soon after arriving in India in 1934, he discovered the Kama Sutra. Realizing that this genre of the erotic was unknown in Tibet, he set out to correct the situation. His sources were two: classical Sanskrit works and his own experiences with his lovers. Completed in 1939, his "treatise on passion" circulated in manuscript form in Tibet, scandalizing and arousing its readers. Gendun Chopel here condemns the hypocrisy of both society and church, portraying sexual pleasure as a force of nature and a human right for all. On page after page, we find the exuberance of someone discovering the joys of sex, made all the more intense because they had been forbidden to him for so long: he had taken the monastic vow of celibacy in his youth and had only recently renounced it. He describes in ecstatic and graphic detail the wonders he discovered. In these poems, written in beautiful Tibetan verse, we hear a voice with tints of irony, self-deprecating wit, and a love of women not merely as sources of male pleasure but as full partners in the play of passion.

Passion's Child B&H Publishing Group

Set in 1860s Georgia, this exciting story tells of Camilla Langesford, a financially destitute Southern belle, who surrenders to the soul-searing kisses of rugged Yankee carpetbagger Patrick Grady.

Passion's Thunder Diamond Books

Zebra Books

This text argues that justice is a virtue which everyone shares - a function of personal character and not just of government or economic planning. It uses examples from Plato to Ivan Boesky, to document how we live and how we feel.

My Passion for Design Simon & Schuster

Ce récit inédit de la Passion de Jésus Christ (1398) est une - traduction- du latin en français que fit un -traducteur- anonyme pour Isabeau de Bavière, reine de France (1371-1435). Extrêmement populaire au quinzième siècle, la "Passion Isabeau" existait en vingt-trois manuscrits; on considère aujourd'hui que cette œuvre peut contribuer à -expliquer- le développement du drame religieux en France. Arnoul Greban et Jean Michel y ajoutèrent des éléments extra-bibliques pour leurs pièces, faisant

ainsi de la Vierge la deuxième protagoniste de l'histoire de la Passion. Allant au-delà de ses sources, soit les "Méditations Vitae Christi," la "Passion Isabeau" surprend par son lyrisme sentimental et une approche psychologique des événements tragiques du Calvaire dans une perspective qui ne manqua pas d'influencer l'iconographie contemporaine."

Sweeping across centuries, PASSION is the third novel in the unforgettably epic and worldwide bestselling FALLEN series. A New York Times bestseller A USA Today bestseller More than 3 million series copies in print! Luce would die for Daniel. And she has. Over and over again. Throughout time, Luce and Daniel have found each other, only to be painfully torn apart: Luce dead, Daniel left broken and alone. But perhaps it doesn't need to be that way. . . . Luce is certain that something—or someone—in a past life can help her in her present one. So she begins the most important journey of this lifetime . . . going back eternities to witness firsthand her romances with Daniel . . . and finally unlock the key to making their love last. Cam and the legions of angels and Outcasts are desperate to catch Luce, but none are as frantic as Daniel. He chases Luce through their shared pasts, terrified of what might happen if she rewrites history. Because their romance for the ages could go up in flames . . . forever. "Sexy and fascinating and scary . . . I loved loved loved it!" —P. C. Cast, New York Times bestselling author on Fallen

A Novel William Morrow

While struggling to build a fortune, Katie Gallagher falls in love with millionaire Josh Thurston, but the constant lure of desire's dark side threatens to shatter Katie's newfound happiness

Passion's Secret Anchor Books

Erratic Fire, Erratic Passion is a collection of found poems composed of the words of professional athletes. The content of post-game interviews and sports chatter is so often meaningless, if not insufferable, and yet there are athletes like Metta World Peace who transcend lame clichés and rote patter, who use language in surprising ways, who can be funny and shocking and insightful and alarmingly sincere -- pure poetry. Muhammad Ali offered dazzling displays of lexical wizardry, and Allen Iverson's infamous "practice" rant shifted the post-game press conference from the banal to the absurd. This book is a celebration of these rare and exceptional moments. Various poetic forms and line-breaks highlight -- or, in the words of Deion Sanders, "deem to set a candor on" -- the sophisticated, sublime, and surprising performances of language made by professional athletes.
