Nicholas Sayers, needing money for college, takes a job as assistant to infamous photographer Damian Wolfe. It's just taking pictures, right? Wrong. While Nick has never questioned what kind of man he is or what he truly wants in life, working for Damian during a BDSM photo shoot opens his eyes to all sorts of sexual possibilities, and many of them include the handsome Mr. Wolfe. Damian has serious doubts about getting involved with a younger man who knows nothing about the BDSM lifestyle, but

Nick's adventurous and humorous approach to new experiences is far too alluring to resist. Although he knows it might be a mistake, Damian takes Nick into his life. Flirting on the edges of control, submission, and pain excites Nick more than he would have ever dreamed possible. With Damian, Nick learns about his own deeply hidden desires and finds out that relinquishing control doesn't make him weak—having someone else in control of his sexual pleasure simply heightens it. And the reverse is true for Damian: Control turns him on. So they set out to explore these sensual boundaries together, neither expecting to find love along the way. *Strictly Bondage* Text Publishing

"Tantra: Sex for the Soul" humbly aims

to go where no book of Tantra has gone before. For those who know nothing about Tantra, this book is bound to profoundly change your life. For those who have started down the path, it will deepen and enhance your knowledge. This perfect system - conceived with so much insight and wisdom thousands of years ago - is presented in a practical, step-by-step approach that guides newcomers as well as more experienced practitioners to reach a coherent understanding of sexual Tantra. "Tantra: Sex for the Soul" reveals all the tips and secrets to realize accurate practice, the remarkably multiorgasmic horizons that await, and Tantra's exceptional potential for health, healing, and higher consciousness. While in today's environment of neo-Tantra, the spiritual

This book - supplemented with many personal testimonials - guides the reader through the ins and outs of all aspects of Tantra: fundamental principles, energy and its control, sexology, men's and women's issues, individual training and techniques, relationships, lifestyle, tantric massage, and much more. Genuine in his commitment to share this lineage with modern seekers, Somananda Moses Maimon provides readers with one of the most comprehensive books available on

this subject. You are hereby invited to explore the mysteries of Tantra - an invitation to discover the soul-touching depths of your own being and the beautiful heights of ecstasy accessible to everyone.

The fortunate women of Please, Sir are not docile pushovers by any means. They make the rules and negotiate with their masters — though sometimes they also get off on being pushed just a little too far by men they know they can trust. It's as if the doms who enter their lives see the potential for submission in these women and want to arouse them more than ever before by providing an opportunity for them to let go. The editor of the bestsellers He's on Top and Yes, Sir, Rachel Kramer Bussel has chosen 22

stories that celebrate the thrill of submission by women who know exactly what they want. The characters in *Please, Sir* may be doing the bidding of their dominants, but the tops are just as much subject to the will of their subs, in their own way, by making them ache, moan, and quiver. With stories by Shanna Germain, Elizabeth Coldwell, Alison Tyler, and more.
