Partners in Literacy describes the process, research, relationships, and theories that guided a three-year partnership between the Purdue University Writing Lab and two community organizations in

Lafayette, Indiana: the Lafayette Adult Resource Academy and WorkOne Express. This partnership resulted in a new section of the globally known Purdue Online Writing Lab (OWL) and the Community Writing and Education Station (CWEST), which featured adult literacy resources in the areas of GED preparation, English as a Second Language, and workplace and job search literacy. Using an empirical and iterative design process, the authors worked closely with their community partners to develop, test, revise, and launch these resources. In *Partners in Literacy*, the authors argue that writing centers can be effective spaces from which to work with the

community and that writing centers' missions of sustainability, outreach, and research-driven practice can offer valuable philosophies for civic engagement. To support this argument, the book discusses the research methods and findings, the process behind developing and sustaining the three-year engagement project, and the personal relationships that ultimately held the project together.

“Endlessly inventive . . . [a] hybrid of Alice in Wonderland, The Wizard of Oz, and The Phantom Tollbooth.”—Salon

What is Un Lun Dun? It is London through the looking glass, an urban Wonderland of strange delights where all the lost and broken things of London end up . . . and some of its lost and broken people, too—including Brokkenbroll, boss of

the broken umbrellas; Obaday Fing, a tailor whose head is an enormous pin-cushion, and an empty milk carton called Curdle. Un Lun Dun is a place where words are alive, a jungle lurks behind the door of an ordinary house, carnivorous giraffes stalk the streets, and a dark cloud dreams of burning the world. It is a city awaiting its hero, whose coming was prophesied long ago, set down for all time in the pages of a talking book. When twelve-year-old Zanna and her friend Deeba find a secret entrance leading out of London and into this strange city, it seems that the ancient prophecy is coming true at last. But then things begin to go shockingly wrong.

From Pulitzer Prize winner Brent Staples, an evocative memoir that poses universal questions: Where does the family end and the self begin? What do we owe our families, and what do we owe our dreams for ourselves? What part of the past is a gift and what part a shackle? For Brent Staples there is the added dimension of race: moving from a black world into one

largely defined by whites. The oldest son among nine children, Brent grew up in a small industrial town near Philadelphia. First a scholarship to a local college and then one for graduate study at the University of Chicago pulled him out of the close family circle. While he was away, the industries that supported the town failed, and drug dealing rushed in to fill the economic void. News of arrests and premature deaths among Brent's childhood friends underscored the precariousness of his perch in a world of mostly white achievers. A younger brother became a cocaine dealer and was murdered by one of his "clients." His death propelled Brent into a

reconsideration of his childhood and coming-of-age that offers vivid portraits of family and place, of values that supported and pressures that tore apart, of the appeal and pain of entering a predominantly white world, and of the strengths and vulnerabilities of the black world he grew away from.

"The rare work of fiction that has changed real life . . . If you don't yet know Molly Bolt—or Rita Mae Brown, who created

her—I urge you to read and thank them both.”—Gloria Steinem Winner of the Lambda Literary Pioneer Award | Winner of the Lee Lynch Classic Book Award A landmark coming-of-age novel that launched the career of one of this country’s most distinctive voices, *Rubyfruit Jungle* remains a transformative work more than forty years after its original publication. In bawdy, moving prose, Rita Mae Brown tells the story of Molly Bolt, the adoptive daughter of a dirt-poor Southern couple who boldly forges her own path in America. With her startling beauty and crackling wit, Molly finds that women are drawn to her wherever she goes—and she refuses to apologize for

loving them back. This literary milestone continues to resonate with its message about being true to yourself and, against the odds, living happily ever after. Praise for *Rubyfruit Jungle* “Groundbreaking.”—The New York Times “Powerful . . . a truly incredible book . . . I found myself laughing hysterically, then sobbing uncontrollably just moments later.”—The Boston Globe “You can’t fully know—or enjoy—how much the world has changed without reading this truly wonderful book.”—Andrew Tobias, author of *The Best Little Boy in the World* “A crass and hilarious slice of growing up ‘different,’ as fun to read today as it was in 1973.”—The

Rumpus “Molly Bolt is a genuine descendant—genuine female descendant—of Huckleberry Finn. And Rita Mae Brown is, like Mark Twain, a serious writer who gets her messages across

through laughter.”—Donna E. Shalala “A trailblazing literary coup at publication . . . It was the right book at the right time.”—Lee Lynch, author of *Beggar of Love*
