PRATT KAISER

The works of Flavius Josephus. To which are added, 3 dissertations. Tr. by W. Whiston FriesenPress
This renowned reference book has served scholars, pastors, students, and those interested in the background of the New Testament for years. The insight given into the Essene community, the destruction of Jerusalem and the interpretations and traditions of the Old Testament in first century Judaism is invaluable. The outlook of Josephus, a late first century Pharisee and historian, on Jesus and the New Testament documents is enlightening and provocative. As an original reference, "The Works of Josephus" is essential to a full understanding of the first century, the time of Christ and the New Testament. Complete and unabridged, this is the best one-volume edition of the classic translation of Josephus' works. The entire text has been reset in modern, easy-to-read type; numbering corresponding to that used in the Loeb edition has been added to the text; and citations and cross-references have been updated from Roman numerals to Arabic numbers.

Exodus for Normal People Oxford University Press

"The enemy is not my neighbor, the media, the people down the street, or potential terrorists. The enemy is hiding among the citizens and using them as protection. It is a guerrilla war! We are called to fight—not against our neighbors, but for our neighbors. The battle is to free their bodies, minds, hearts, and souls from bondage and to release them to freedom. Envy, greed and fear are hard masters, and only God offers freedom from the bondage of the consequences of sin." In this book, you will come alongside some of those who have struggled. You will discover those personal and public spiritual disciplines needed to prepare you, as an ambassador and warrior of the most High God, to pursue the release of the captives.

A Commentary upon the Holy Bible, from Henry and Scott; with occasional observations and notes from other authors. [Edited and compiled by George Stokes.] Westminster John Knox Press

This volume addresses the topics of collective memory and collective identity in relation to Deuteronomy and the Deuteronomistic History. The articles gathered here portray the fascinating relationship between memory and identity, and between history within Deuteronomy and the Deuteronomistic historiography as well as its proximate context. They present fresh and illuminating perspectives that, it is hoped, will inspire future research.

The Works of Flavius Josephus, the Learned and Authentic Jewish Historian Tyndale House Publishers, Inc.

After examining the lives of hundreds of historical, biblical, and contemporary leaders, Dr. J. Robert Clinton gained perspective on how leaders develop over a lifetime. By studying the six distinct stages he identifies, you will learn to: Recognize and respond to God's providential shaping in your life Determine where you are in the leadership development process Identify others with leadership characteristics Direct the development of future leaders This revised and updated edition includes several new appendixes and expanded endnotes, as well as an application section at the end of each chapter.

Reckless Rites Authentic Media Inc

For too many Jewish young people, bar/bat mitzvah has been the beginning of the end of their Jewish journeys. When students perceive the Torah as incomprehensible or irrelevant, many form the false impression that Judaism has nothing to say to them. Enter the game-changer: The JPS Bnai Mitzvah Torah Commentary shows teens in their own language how Torah addresses the issues in their world. The conversational tone is inviting and dignified, concise and substantial, direct and informative. The narrative summaries, big ideas, model divrei Torah, haftarot commentaries, and discussion questions will engage teens in studying the Torah and haftarot, writing divrei Torah, and continuing to learn Torah throughout their lives making it the book every rabbi, cantor, parent, and tutor will also want to have. Jewish learning for young people and adults will never be the same. "

Making Sense of Old Testament Genocide Baker Books

THIS IS A REPRODUCTION OF THE ORIGINAL THAT WAS PRINTED IN 1851. IT HAS OVER 60 ILLUSTRATIONS IN THE BOOK.

An Exposition of the Old and New Testaments Tyndale House Publishers, Inc.

A recent string of popular-level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully, a murderer, and a cosmic child abuser. This viewpoint is even making inroads into the church. How are Christians to respond to such accusations? And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments? In this timely and readable book, apologist Paul Copan takes on some of the most vexing accusations of our time, including: God is arrogant and jealous God punishes people too harshly God is guilty of ethnic cleansing God oppresses women God endorses slavery Christianity causes violence and more Copan not only answers God's critics, he also shows how to read both the Old and New Testaments faithfully, seeing an unchanging, righteous, and loving God in both.

The Works of Flavius Josephus, the Learned and Authentic Jewish Historian, and Celebrated Warrior FriesenPress

In his insightful book, *The Making of a Leader*, Frank Damazio lays out for the serious student a broad discussion of what it means to be responsible for a group of "followers."

Sharing God's Passion: Prophetic Spirituality Rich Brott

In *The Westminster Theological Wordbook of the Bible* an outstanding group of biblical scholars explain key theological and ethical words of the Bible (New Revised Standard Version). In its exploring groups of related words and drawing the reader into the meanings of the original Hebrew, Aramaic, and Greek, Gowan's Wordbook will prove immensely helpful in understanding important terms such as "Just," "Kingdom of God," "Resurrection," and "Son of Man."

The Works of Flavius Josephus, the Learned and Authentic Jewish Historian, and Celebrated Warrior. To which are Added, Three Dissertations, Concerning Jesus Christ, John the Baptist, James the Just, God's Command to Abraham, &c. Translated by William Whiston, Etc. Walter de Gruyter GmbH & Co KG

Mythology is usually reserved for non-Christian religions. However, the adoption of Christianity in Northern and East-Central Europe between c. 1000 and 1300 can be adequately described as a myth-making process: local saints were added to the Christian pantheon in all regions entering Latin Europe. The present collection explores the links between local sanctity and the making of national myths in medieval historical writing. By bringing together specialists in history and literature of the European periphery in question, the case is made that the writing of history and saints lives from this pioneering period should be analysed together as mainly successful attempts at creating

cultural foundation myths. The book is based on a conference held in Bergen in November 2003 on Historiography and the Holy and forms part of the research programme at the interdisciplinary Centre of Medieval Studies (CMS) at the University of Bergen.

The Real Deal: Making the Case for the One True God Zondervan Academic

The twentieth century has been called a century of horror. Proof of that, designation can be found in the vast and ever-increasing volume of scholarly work on violence, trauma, memory, and history across diverse academic disciplines. This book demonstrates not only the ways in which the wars of the twentieth century have altered theological engagement and religious practice, but also the degree to which religious ways of thinking have shaped the way we construct historical narratives. Drawing on diverse sources - from the Hebrew Bible to Commonwealth war graves, from Greek tragedy to post-Holocaust theology - Alana M. Vincent probes the intersections between past and present, memory and identity, religion and nationality. The result is a book that defies categorization and offers no easy answers, but instead pursues an agenda of theological realism, holding out continued hope for the restoration of the world.

NIV, Faithlife Study Bible, Hardcover James Clarke & Company

Have you read the Old Testament—all thirty-nine books from Genesis to Malachi? If you have, you know the challenge. The language is archaic with unfamiliar names and places. It is not an easy book to read. To make sense of these texts, I have focused on the narrative of the Jewish people from Adam and Eve to Daniel in the lion's den. I have summarized these documents chronologically in their context of Near Eastern History. As you read my commentaries, you will find the narrative to be much more than ancient history. It is an amazing story of resilience and survival that sheds light on the subsequent persecution of the Jews from Roman times to the present. I invite you to critique what I have researched as you draw your own conclusions. I have added supplementary information at the end of the book which I think you will find relevant and interesting. These addenda include the geological clocks which measure the age of the earth, DNA evidence of Homo sapiens migrating out of Africa, an analysis of the story of Noah and the ark, three moral codes older than the Ten Commandments, and biblical, archaeological discoveries.

The Works of Josephus Word Alive Press

Historical accounts of Jewish violence—particularly against Christians—have long been explosive material. Some historians have distorted these records for anti-Semitic purposes. Others have discounted, dismissed, or simply ignored the evidence, often for apologetic purposes. In *Reckless Rites*, Elliott Horowitz takes a new and forthright look at both the history of Jewish violence since late antiquity and the ways in which generations of historians have grappled with that history. In the process, he has written the most wide-ranging book on Jewish violence in any language, and the first to fully acknowledge and address the actual anti-Christian practices that became part of the playful, theatrical violence of the Jewish festival of Purim. He has also examined the different ways in which the book of Esther, upon which the festival is based, was used by Jews and Christians over the centuries—whether as an ancient mirror of modern tribulations or as the scriptural basis for anti-Semitic claims regarding the bloodthirstiness of the Jews. *Reckless Rites* reassesses the historical interpretation of Jewish violence—from the alleged massacre of thousands of Christians in seventh-century Jerusalem to later medieval attacks on Christian symbols such as the crucifix, transgressions that were often committed in full knowledge that their likely consequence would be death. A book that calls for major changes in the way that Jewish history is written and conceptualized, *Reckless Rites* will be essential reading for scholars and students of history, religion, and Jewish-Christian relations.

The Works of Flavius Josephus ... To which are Added, Seven Dissertations ... Translated by William Whiston, Etc. With Plates Zondervan

Jihad New Leaf Publishing Group

This book draws from the examples of God, that of Jesus Christ and of others like Joseph, Moses, Joshua, and Paul, who had been called into leadership, as recorded in the Bible, in order to show good leadership approaches, styles, best leadership practices, and the underlying guiding principles that today's leaders need to embrace in order to become more effective in their leadership roles. The author proves through the citation of relevant biblical passages that good leadership was initiated by God, modeled by Jesus Christ, and replicated over the ages by God's anointed leaders. In this book, the author uses the above-cited case studies to show that anyone seeking to learn about good leadership practices should look no further than the word of God because it is the manual for acceptable conduct. This book will therefore serve as a useful resource for church-related leaders and leaders in all fields of human endeavor, as well as students.

Is God a Moral Monster? LifeRich Publishing

The HoneyWord Bible is all about helping kids learn Scripture in a fun and visual way that makes God's Word stick. Perfect for helping visual learners recall the key messages of Scripture in a fun and easy way.

The Complete Works of Flavius-Josephus the Celebrated Jewish Historian Museum

Tusculanum Press

The Book of Samuel in the Bible was originally one scroll about a boy named Samuel. God raised him up as a prophet, priest, and judge. He was committed to doing what was right in God's eyes. This

book uses all of the books of Samuel, Kings, and Chronicles as one Word to ask questions and sift through scripture to look for great treasure. If I seek wisdom as silver and search for her as for hidden treasures; then I will discern the fear of Jehovah and discover the knowledge of God. Proverbs 2:4, 5. For where my treasure is and where your treasure is, so there my heart is and there your heart will be also. Matthew 6:21; Luke 12:34

HoneyWord Bible Hendrickson Publishers

Sharing God's Passion is an excellent resource for Christians who wish to grow in their understanding of God's purposes for the world and to embody God's passion as his prophets did so faithfully. This book seeks to illuminate the critical role the prophets played in God's overarching purposes for his creation, and how we in the 21st century may also learn to collaborate with God.
