SAVAGE CHRIS

Phillis Wheatley to Octavia Butler Gramwardog LLC

WINNER OF THE PULITZER PRIZE IN HISTORY WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN HISTORY “Full of...lively insights and lucid prose” (The Wall Street Journal) an epic, sweeping history of Cuba and its complex ties to the United States—from before the arrival of Columbus to the present day—written by one of the world’s leading historians of Cuba. In 1961, at the height of the Cold War, the United States severed diplomatic relations with Cuba, where a momentous revolution had taken power three years earlier. For more than half a century, the stand-off continued—through the tenure of ten American presidents and

the fifty-year rule of Fidel Castro. His death in 2016, and the retirement of his brother and successor Raúl Castro in 2021, have spurred questions about the country’s future. Meanwhile, politics in Washington—Barack Obama’s opening to the island, Donald Trump’s reversal of that policy, and the election of Joe Biden—have made the relationship between the two nations a subject of debate once more. Now, award-winning historian Ada Ferrer delivers an “important” (The Guardian) and moving chronicle that demands a new reckoning with both the island’s past and its relationship with the United States. Spanning more than five centuries, *Cuba: An American History* provides us with a front-row seat as we witness the evolution of the modern nation, with its dramatic record of conquest and colonization, of slavery and freedom, of independence and revolutions made and unmade. Along the way, Ferrer explores the sometimes

surprising, often troubled intimacy between the two countries, documenting not only the influence of the United States on Cuba but also the many ways the island has been a recurring presence in US affairs. This is a story that will give Americans unexpected insights into the history of their own nation and, in so doing, help them imagine a new relationship with Cuba; “readers will close [this] fascinating book with a sense of hope” (The Economist). Filled with rousing stories and characters, and drawing on more than thirty years of research in Cuba, Spain, and the United States—as well as the author’s own extensive travel to the island over the same period—this is a stunning and monumental account like no other.

His Early Life as a Slave, His Escape from Bondage, and His Complete History For the Present Time : Including His Connection with the Anti-slavery Movements; His Labors in Great Britain as Well as in His Own Country; His Experience in the Conduct of an Influential Newspaper; His Connection with the Underground Railroad; His Relation with John Brown and the Harper's Ferry Raid; His Recruiting in the 54th and 55th Mass. Grant to Accompany the Santo Domingo Commission ; Also to a Seat in the Council of the District of Columbia; His Appointment as United States Marshal by President R.B. Hayes; Also His Appointment to be Recorder of Deeds in Washington by President J.A. Garfield; with Many Other Interesting and Important Events of His Most Eventful Life; Xist Publishing

New York Times bestselling author and Printz Award winner Walter Dean Myers once again connects with teenagers

everywhere in *Darius & Twig*, a novel about friendship and needing to live one's own dream. This touching and raw teen novel from the author of *Monster*, *Kick*, *We Are America*, *Bad Boy*, and many other celebrated literary works for children and teens is a Coretta Scott King Honor Book. *Darius and Twig* are an unlikely pair: Darius is a writer whose only escape is his alter ego, a peregrine falcon named Fury, and Twig is a middle-distance runner striving for athletic success. But they are drawn together in the struggle to overcome the obstacles that life in Harlem throws at them. The two friends must face down bullies, an abusive uncle, and the idea that they'll be stuck in the same place forever. Maria Russo, writing in the *New York Times*, included *Darius & Twig* on her list of "great kids' books with diverse characters." She commented: "The late Myers, one of the greats and a champion of diversity in children's books well before the cause got mainstream attention, is at his elegant, heartfelt best in this 2013 novel. It's about two friends growing up in Harlem, one a writer, one an athlete, facing daily challenges and trying to dream of a brighter future."

The Life and Times of Frederick Douglass, Written by Himself Simon and Schuster

"The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title short as well as to establish that Frederick Douglass is no longer a name of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery

anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, is in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".

A Frederick Douglass Story e-artnow

#1 NEW YORK TIMES BESTSELLER • An intimate and revealing portrait of civil rights icon and longtime U.S. congressman John Lewis, linking his life to the painful quest for justice in America from the 1950s to the present—from the Pulitzer Prize-winning author of *The Soul of America* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND COSMOPOLITAN John Lewis, who at age twenty-five marched in Selma, Alabama, and was beaten on the Edmund Pettus Bridge, was a visionary and a man of faith. Drawing on decades of wide-ranging interviews with Lewis, Jon Meacham writes of how this great-grandson of a slave and son of an Alabama tenant farmer was inspired by the Bible and his teachers in nonviolence, Reverend James Lawson and Martin Luther King, Jr., to put his life on the line in the service of what Abraham Lincoln called “the better angels of our nature.” From an early age, Lewis learned that nonviolence was not only a tactic but a philosophy, a biblical imperative, and a transforming reality. At the age of four, Lewis, ambitious to become a minister, practiced by preaching to his family’s chickens. When his mother cooked one of the chickens, the boy refused to eat it—his first act, he wryly recalled, of nonviolent protest. Integral to Lewis’s commitment to bettering

the nation was his faith in humanity and in God—and an unshakable belief in the power of hope. Meacham calls Lewis “as important to the founding of a modern and multiethnic twentieth- and twenty-first-century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century.” A believer in the injunction that one should love one's neighbor as oneself, Lewis was arguably a saint in our time, risking limb and life to bear witness for the powerless in the face of the powerful. In many ways he brought a still-evolving nation closer to realizing its ideals, and his story offers inspiration and illumination for Americans today who are working for social and political change.

An American History ABC-CLIO

Profiles the life and accomplishments of the African American who escaped from slavery to become a prominent abolitionist leader.

I Know Why the Caged Bird Sings Penguin

African American writing commonly represents New World topography as a set of entrapments, contesting the open horizons, westward expansion, and individual freedom characteristic of the white, Eurocentric literary tradition. *Geographies of Flight: Phillis Wheatley to Octavia Butler* provides the first comprehensive treatment of the ways in which African American authors across three centuries have confronted the predicament of inhabiting space under conditions of bondage and structural oppression. William Merrill Decker examines how, in testifying to those conditions, fourteen black authors have sought to transform a national cartography that, well into the twenty-first century, reflects white supremacist assumptions. These writers

question the spatial dimensions of a mythic American liberty and develop countergeographies in which descendants of the African diaspora lay claim to the America they have materially and culturally created. Tracking the testimonial voice in a range of literary genres, *Geographies of Flight* explores themes of placement and mobility in the work of Phillis Wheatley, Olaudah Equiano, David Walker, Frederick Douglass, Harriet Jacobs, Booker T. Washington, Ida B. Wells-Barnett, W. E. B. Du Bois, Richard Wright, Ralph Ellison, Malcolm X, James Baldwin, Toni Morrison, and Octavia Butler.

The Development of the Self-Image in Black Autobiographical Writing (Frederick Douglass, W.E.B. Du Bois and Malcolm X)

Northwestern University Press

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch

hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

The Heroic Slave Narrative of the Life of Frederick Douglass
Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

Frederick Douglass Cornell University Press

The abolitionist author presents profound insight on the meaning of race and freedom in America in this memoir of slavery, escape, and reinvention. One of the most important figures in the American civil rights movement, Frederick Douglass was a major influence on social and political thought in the nineteenth century. His autobiographical writings were a powerful vehicle for his philosophy of human equality. Written ten years after his legal emancipation in 1846, *My Bondage and My Freedom* recounts Douglass's journey—intellectual, spiritual, and geographical—from life as a slave under various masters, and his many plots and attempts at escape, to his liberation, time as a fugitive, and new life as a prominent abolitionist. Expanding on his earlier work *Narrative of the Life of Frederick Douglass*, this later memoir illuminates Douglass's maturation as a writer and thinker.

Frederick Douglass American Political Thought (Un

The inspirational, true story of how Frederick Douglass found his way to freedom one word at a time. This picture book biography chronicles the youth of Frederick Douglass, one of the most prominent African American figures in American history. Douglass spent his life advocating for the equality of all, and it was through reading that he was able to stand up for himself and others. Award-winning husband-wife team Lesa Cline-Ransome and James E. Ransome present a moving and captivating look at the young life of the inspirational man who said, "I would unite with anybody to do right and with nobody to do wrong."

Quotations from Liberty's Champion NYU Press

The Columbian Orator, an instruction book on public speaking and a collection of political dialogues, essays, and speeches, was first published in 1797. It was used as a textbook in many classrooms in the United States and became the influence for abolitionist Frederick Douglass. Its popularity continued into the 20th century for its demonstration of the power of speech and its importance to the human rights movement. CALEB BINGHAM (1757-1817) was a textbook author, publisher, and bookseller in Boston, Massachusetts. Born in Salisbury, Connecticut, he was educated and taught at Dartmouth College. His most famous works were on public speaking, including the well-known The Columbian Orator. Other textbooks Bingham wrote on grammar and speech include The American Preceptor and The Young Lady's Accidence.

West India Emancipation e-artnow

Winner of the Pulitzer Prize in History "Extraordinary...a great American biography" (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass,

the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818-1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal), Blight's biography tells the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was

named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

Novel-Tie Teachers Study Guide Zenith Press

Born into slavery, Frederick Douglass became a prominent social reformer, abolitionist, orator and statesman, who led an intriguing life. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, winning acclaim for his outstanding ability as an orator. Douglass wrote three autobiographies, chronicling his life's experiences as a slave and social reformer, as well as penning incisive antislavery writing. His oratorical and literary brilliance thrust him into the forefront of U.S. politics and he became the first African American to be nominated for Vice President. This comprehensive eBook presents Douglass' complete published works, with numerous illustrations, rare texts, informative introductions and the usual Delphi bonus material. (Version 1) * Beautifully illustrated with images relating to Douglass' life and works * Concise introductions to the texts * All of the autobiographies, with individual contents tables * Features Douglass' rare novella, 'The Heroic Slave', inspired by Madison Washington's famous slave ship rebellion * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * Includes rare essays and speeches * Features three biographies, including James Monroe Gregory's seminal memoir, which preserves many of Douglass' orations * Scholarly ordering of texts into chronological order and genres Please visit www.delphiclassics.com to browse through our range of exciting

Susan B. Anthony and Frederick Douglass Orchard Books Narrative of the Life of Fredrick Douglass: An American Slave by Frederick Douglass from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "I have observed this in my experience of slavery, - that whenever my condition was improved, instead of its increasing my contentment, it only increased my desire to be free, and set me to thinking of plans to gain my freedom. I have found that, to make a contented slave, it is necessary to make a thoughtless one. It is necessary to darken his moral and mental vision, and, as far as possible, to annihilate the power of reason. He must be able to detect no inconsistencies in slavery; he must be made to feel that slavery is right; and he can be brought to that only when he ceased to be a man." — Frederick Douglass, Narrative of the Life of Frederick Douglass Frederick Douglass' first-person account of his journey from slave to educated and free transformed American thought and is an essential piece of reading from American history.

My Escape from Slavery Courier Dover Publications

Narrative of the Life of Frederick Douglass BEYOND BOOKS HUB

Prophet of Freedom Delphi Classics

Famed abolitionist Frederick Douglass based his only fictional work on the gripping true story of the biggest slave rebellion in U.S. history. The Heroic Slave was inspired by a courageous uprising led by Madison Washington in 1841. Washington rallied 18 of the 135 slaves aboard a ship bound for New Orleans, the country's primary slave-trading market. The mutineers seized control, landing the ship in the British-controlled Bahamas, where their freedom was recognized. Originally published nearly a decade before the Civil War, Douglass's novella was one of the earliest examples of African-American fiction. Douglass presents Madison Washington's heroism less as a matter of violent escape and more as a voluntary act of claiming self-ownership. Douglass's retelling encouraged readers to engage in the abolitionist cause. It captivated readers by equating black slaves' rebellion against tyranny with the spirit and democratic ideals of the American Revolution.

The Boyhood of Frederick Douglass in His Own Words GRIN Verlag

"Narrative of the Life of Frederick Douglass" is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. *My Bondage and My Freedom* is the second of three autobiographies written by Douglass, and is mainly an expansion of his first

(*Narrative of the Life of Frederick Douglass*), discussing in greater detail his transition from bondage to liberty. *Life and Times of Frederick Douglass* is Frederick Douglass' third autobiography in which he gave more details about his life as a slave and his escape from slavery in this volume than he could in his two previous autobiographies. Frederick Douglass (1818 -1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings.
