Dante Moretti has just landed his dream job: GM of the Chicago Rebels. And screw the haters who think there should be an asterisk next to his name because he's the first out managing executive in pro hockey. Cade has always been careful to keep his own desires on the down low, but his hot Italian boss proves to be a temptation he can't resist. Sure, they both have so much to lose, but no one will ever know... This firefighter needs a rescue ... I might be a rookie Chicago firefighter, but I'm on top of the world. I've just earned my spot on Rescue Squad at legendary Engine 6, can get all the action I want both in and out of the bedroom, and am possessed of an enviable sneaker collection. Nothing can harsh my vibe except her—Cassandra Ferguson, my brother's sister-in-law, or as I affectionately label her: the blister-in-law. Ever since I met her, she's looked down her perky little nose at me, never mind that I'm a good foot taller. Apparently, I offended her with a few risqué jokes and an offer for a fun, no-strings night—crimes that have relegated me to lower than dirt in St. Cassandra's eyes. These days we're at a stalemate. Don't get along, can't get along. Only when tragedy strikes, we have no choice but to put our animosity aside for the sake of our hurting niece and nephew, who need us now more than ever. As co-guardians, Cassie and I are enemy combatants in an uneasy truce, flailing around in a no-man's land of grief and lust, forced to work as a team. Thing is, when Cassie and I team up—when we really work together—the results are explosive. In a sexy way. In an amazing way. Maybe ... in every way. But with stakes this high, we can't get it wrong. Even though it feels so, so right.
