This collection of rosary meditations taken from the writings of the Fathers of the Church allows the reader, for the first time, to bring the insights of Sacred Tradition into the daily recitation of the Holy Rosary. We know well, as true sons and daughters of Holy Mother Church, that the Truths of the Catholic Faith come to us both through Sacred Scripture and Sacred Tradition, indeed, St. Paul writes, “Therefore, brothers, stand firm and cling to the traditions we taught you, whether by speech or by letter” (2 Thess. 2:15). How little time, alas, do we give to the sayings of

the ancient fathers, how little attention towards their words of reflection, and yet, what riches can be found in their insights, as they ponder upon the events of salvation history, and share from the Fountain of Wisdom that, in one manner, was so much closer to their lips than it is to ours. Drawing from diverse authors, both those canonically held as ‘Fathers’, but also other ancient writers of the First Millennium of Christianity, this book will serve as a faithful companion to any committed Catholic who is desirous of ‘going deeper’ in contemplation of the Holy Rosary, and to do so in a manner which seeks neither novelty nor the theological fashions of today, but the wisdom of the earliest saints of our Holy Religion. You will find here hundreds of carefully selected paragraphs of meditation, chosen in and through prayer. You will find points for every bead of the traditional rosary, as well as the additional mysteries proposed by Pope John Paul II and The Hopeful Mysteries, introduced in an earlier work by the same author, which bring to the faithful’s consideration events concerning Our Lady and Salvation History prior to the Annunciation. This is a book to be kept alongside your rosary beads, to be brought out at adoration, to be carried on retreat, to be shared with your children in family prayers and to be passed on to those who wish to grow in prayer, and in the greatest of all the prayers of popular piety, the Holy Rosary. “The book is a wonderful composition of devotional meditations that lead the reader through a deeply meaningful and intimate journey in prayer and inspiration”—Holly Rodriguez (Illustrator, poet and founder of Beatific Artworks) About the Author: Fr. Mark Higgins is a priest of the Archdiocese of Southwark, England. He is also the editor of *The Holy Rosary*, through the Visions of Blessed Anne

Catherine Emmerich.

A Manual of Prayers for the Use of the Catholic Laity Father Mark

Drawing on the wisdom gleaned from thriving mega-churches and innovative business leaders while anchoring their vision in the Eucharistic center of Catholic faith, Fr. Michael White and lay associate Tom Corcoran present the compelling and inspiring story to how they brought their parish back to life. *Rebuilt: Awakening the Faithful, Reaching the Lost, and Making Church Matter* is a story of stopping everything and changing focus. When their parish reached a breaking point, White and Corcoran asked themselves how they could make the Church matter to Catholics, and they realized the answer was at the heart of the Gospel. Their faithful response not only tripled their weekend mass attendance, but also yielded increased giving, flourishing ministries, and a vibrant, solidly Catholic spiritual revival. White and Corcoran invite all Catholic leaders to share the vision, borrow their strategies, and rebuild their own parishes. They offer a wealth of guidance for anyone with the courage to hear them. Prayer of the People of God LiturgyTrainingPublications Remembered as a devoted and passionate defender of the Faith, Cardinal Edward Egan played a pivotal role in revitalizing the Catholic Church in New York. From strengthening parishes and schools to expanding religious education programs and inviting new religious orders to the City, he left an indelible mark on the faithful in New York and beyond. In the year prior to his death in March 2015, Cardinal Egan collected and edited fifty articles he had written over several decades to be published in this single volume. With an approachable yet elegant style, you'll read about his interaction with a music store clerk who reluctantly sold him heavy-metal music he was buying as research for an upcoming talk to students. You'll read how the books he gave to

two pagans led them to pray together for the first time, and how he convinced a hotel manager to read a chapter from St. Francis de Sales's Introduction to the Devout Life. Cardinal Egan was an evangelizer and a modern missionary. As he said himself, all of his efforts as a priest were "practice" for getting into heaven. Read this book and you'll come to a greater appreciation of Cardinal Egan's life and accomplishments, and you'll peer into the mind of one of America's most respected and well-regarded Cardinals.

The Holy Rosary, from the Writings of the Fathers of the Church Veritas

A Defining Moment in the Life of the Church Even before the terrible revelations of sexual misconduct and the cover-up that allowed such atrocities to continue happening, the Catholic Church was in trouble. With a devout but aging congregation giving way to a generation of so-called lapsed Catholics, the spiritual vitality and significance of the church had seemed, in the context of modern American society, to be ebbing away. Then when the scandal hit, even true believers were pitched into an all-out crisis of faith. It was at this low point that a fiercely committed group of Catholics emphatically said, Enough! This

book tells their inspiring story, the story of Voice of the Faithful, a grassroots organization formed to give the laity a voice in making their church a more effective spiritual and social force. The group came to realize that the underlying cause of the cover-ups and the failure of the church to adopt many needed changes is the abuse by some in the hierarchy of the excessive power they hold. For too long, average Catholics have been disenfranchised. Now, with the growing success of Voice of the Faithful, there is finally a legitimate forum for the laity. As James E. Muller and Charles Kenney show in this urgent call to action, history is on the side of those who would stand up and be heard.
